SUPERVISOR KELSEY ELECTED DIRECTOR OF COUNTY PURE MILK

Supervisor H. D. Kelsey of Cuba township has been elected representative of the Lake Zurich local of the Pure Milk Association to serve on the board of directors of the county association at the annual meeting of the Lake Zurich local, held last night. The county association is governed by a board of ten directors, one from each local in the county.

Officers of the Lake Zurich local, elected last night, are Arman Kockenbach, president; and Elmer Goldwitzer, secretary and treasurer. Henry Schaper, Fremont township farmer, re-elected committeeman, died a few hours later in the Elizabeth Condell Memorial hospital at Libertyville from injuries sustained in a recent accident.

78 YEARS OLD; STILL KEEPS VILLAGE WARM

Although he is seventy-eight years old, Harry F. Ashere of N. Cook street tends half the furnaces in the business district of Barrington as efficiently as he did thirty years ago. His tour of duty is from 4 to the morning until nearly midnight—often later when local lodges meet.

Harry celebrated his birthday anniversary on Thanksgiving day, but the holiday did not cause him to neglect his fires.

Only a few of the old timers remember when Harry came to Barrington from Merrie England, and they will tell you that he looks as young today as he did the first time they saw him.

Restless CHILDREN

CHILDREN will fret, often for no apparent reason. But there's reason. Artificial Harmless as the name on the wrapper; mild and bland as a taste. But its gentle action soothes a youngster more surely than a more powerful medicine.

That's the beauty of this special children's remedy! It may be given the tiniest infant—as often as there is need. In cases of colic, diarrhea or disturbed sleep, it is invaluable. A coated tongue calls for just a few drops of this wonderful combination. Does any suggestion of bad breath. Whenever children don't eat well, don't rest well, or have any ailment, this pure, vegetable preparation is usually all that's needed.
