For Police Magistrate

☐ C. H. Morrison.

Election Tuesday, April 19th.

Mark an X in the box in the circle of the People's or No License tickets, as is your choice, then mark an X in square opposite my name.

I am an independent candidate for the office of Police Magistrate at the solicitation of those who desire me to serve in that position. I am a candidate for myself and not in the interest of any lawyer or collection agency. If elected I shall be police magistrate of Barrington village and not justice of the peace ex-officio of Cook county where opportunity is offered for rich picking at the expense of the poor and unfortunate who fall into the hands of Chicago collection agencies.

It is unnecessary for me to state to the voters of this village why the outgoing police magistrate so bitterly opposes my candidacy and resorts to personal abuse and vilification. It illustrates to what extent an individual will go to gain an advantage. The alliance he fosters is for the furtherance of what Judge Kavanaugh of the Superior Court of Cook county terms "ends of greed: a vehicle for the oppression of those unfortunate enough to own a loan shark or an installment house."

Barrington has been classed with Logan Square, Hawthorne, Cicero police shops, whose unsavory reputation is known throughout the state. The voters now have the power to change the present state of affairs.

I respectfully solicit the support of the voters at the polls next Tuesday.

C. H. MORRISON.
