Help for Women Passing Through Change of Life

Providence has allotted us each at least seventy years in which to fulfill our mission in life, and it is generally our own fault if we die prematurely.

Mrs. Mary Koehne

Nervous exhaustion invites disease. This statement is the positive truth. When everything becomes a burden and you cannot walk a few blocks without excessive fatigue, and you break out in perspiration easily, and your face flushes, and you grow excited and shaky at the least provocation, and you cannot bear to be crossed in anything, you are in danger; your nerves have given out; you need building up at once! To build up woman's nervous system and during the period of change of life we know of no better medicine than Lydia E. Pinkham's Vegetable Compound. Here is an illustration. Mrs. Mary L. Koehne, 571 Garfield Avenue, Chicago, Ill., writes:

"I have used Lydia E. Pinkham's Vegetable Compound for years in my family and it never disappoints; so when I felt that I was nearing the change of life I commenced treatment with it. I took in all about six bottles and it did me a great deal of good. It stopped my dizzy spells, pains in my back and the headaches with which I had suffered for months before taking the Compound. I feel that if it had not been for this great medicine for women that I should not have been alive to-day. It is splendid for women, old or young, and will surely cure all female disorders."

Mrs. Pinkham, of Lynn, Mass., invites all sick and ailing women to write her for advice. Her great experience is at their service, free of cost.

JUDGE SWAYNE IS ACQUITTED

Senate Goes Through Formality of Casting Twelve Ballots on Charges.

FEW CHANGES IN THE VOTING

Division is Practically on Party Lines, Difference of Opinion on One Side Being Offset by Accessions From the Other.

Washington dispatch: With profound solemnity the senate went through the formality of casting twelve ballots Monday before announcing that Charles Swayne, district judge for the northern district of Florida, should be acquitted of the twelve charges brought against him in the impeachment proceedings instituted by the house. The decision did not surprise.

The vote on all the more important charges was as strictly partisan as it is possible for a vote to be upon any question in the senate these days. The closest division came up on the last article, referring to the contempt proceedings against W. C. O'Neal, when the vote was 35 to 47. Upon this six it published voted with the Democrats "guilty," while two Democrats voted with the Republicans "not guilty." It was a question with the spectators whether these six Republican senators—Bard of California, Hansbrough and McCumber of North Dakota, Nelson of Minnesota and Quarles of Wisconsin—or the two Democratic senators—Gibson of Montana and Newlands of Nevada—are entitled to have their names inscribed upon the roll of fame.

Interest in Proceedings.

The galleries were crowded when the senate met at 10 o'clock, and great interest was demonstrated in the proceedings. A number of representatives were present. Senator Knox was excused from voting because illness had prevented him hearing or reading the testimony. The proceedings were extremely impressive. After the clerk had read each charge the roll was called, and the senators as their names were reached were required to arise and respond either "Guilty" or "Not guilty."

The vote on the first article, which charged Swayne with certifying a false claim for expenses, was 33 guilty, 49 not guilty.

The vote on the second and third articles, being similar charges, resulted in each case 32 guilty, 50 not guilty, Clark of Montana making the only change.

Vote on Other Charges.

The fourth and fifth articles related to the use of private cars. There were only thirteen votes of guilty, all Democrats.

On the sixth charge, that of nonresidence by Judge Swayne in his district, the vote was 31 to 51. Clark (Mont.) changed back to the affirmative side, but Kittredge and McCumber went to the negative. Dubois and Gibson voted for conviction.

On the seventh article, relating to residence, the vote was 19 for conviction to 63 against.

The vote on the eighth, ninth, tenth and eleventh articles, covering the contempt cases of E. T. Davis and Simeon Belden, was 31 to 51. Dubois (Dem.) and Hansbrough (Rep.) voted for conviction and Bard (Rep.) for acquittal. Hansbrough and McCumber were the only Republicans who voted for conviction and Stone the only Democrat for acquittal.

On the twelfth article the vote was 35 guilty to 47 not guilty.

The problem to many minds is how able lawyers, sitting as judges, weighing the evidence, could divide upon so many different charges so strictly on party lines.

MINERS REVISE CONSTITUTION

Four Years of Service Made Essential to Full Membership.

Springfield, Ill., dispatch: The Illinois Mine Workers' association has made important changes in its constitution. One provides that before a miner may be admitted into full membership he first must have served two years on top of a mine and two years in a mine. Another change provides that in the case of sons of widows of miners local unions shall admit free to membership applicants under 17 years of age. The annual election of state and subdistrict officers hereafter will be held on the first Tuesday of February each year.

COULDN'T LIFT TEN POUNDS.

Doan's Kidney Pills Brought Strength and Health to the Sufferer, Making Him Feel Twenty-five Years Younger.

J. B. CORTON

J. B. Corton, farmer and lumberman, of Deppe, N. C., says: "I suffered for years with my back. It was so bad that I could not walk any distance nor even ride in easy buggy. I do not believe I could have raised ten pounds of weight from the ground, the pain was so severe. This was my condition when I began using Doan's Kidney Pills. They quickly relieved me and now I am never troubled as I was. My back is strong and I can walk or ride a long distance and feel just as strong as I did twenty-five years ago. I think so much of Doan's Kidney Pills that I have given a supply of the remedy to some of my neighbors and they have also found good results. If you can sift anything from this rambling note that will be of any service to you, or to anyone suffering from kidney trouble, you are at liberty to do so."

M. Witte's Wife Under Suspicion.

A story is current in London that the czar suspects M. Witte's wife of conspiring against the throne. Mme. Witte was born a poor peasant girl, but was of a remarkable type of beauty. She married a tradesman and went to St. Petersburg, where Witte saw her. Her husband was induced to allow her to get a divorce and Witte afterward married her. Later she was concerned in the enormous speculations of Adolph Rothstein, president of the Imperial Bank of Russia and organizer of the Russo-Chinese bank, and was exiled from Russia by the czar. She is now at Nice. Rumors have been in circulation that Mme. Witte has been implicated in the plot to shake off the rule of autocracy and is in part responsible for the present turmoil in Russia.

Billion Dollar Grass.

When the John A. Salzer Seed Co., of La Crosse, Wis., introduced this remarkable grass three years ago, little did they dream it would be the most talked of grass in America, the biggest, quick, hay producer on earth, but this has come to pass.

BILLION $ GRASS

Agricultural Editors wrote about it, Agr. College Professors lectured about it, Agr. Institute Orators talked about it, while in the farm home by the quiet fireside, in the corner grocery, in the village post-office, at the creamery, at the depot, in fact wherever farmers gathered, Salzer's Billion Dollar Grass, that marvelous grass, good for 5 to 14 tons hay per acre and lots of pasture besides, is always a theme worthy of the farmer's voice.

Then comes Bromus Inermis, then which there is no better grass or better permanent hay producer on earth. Grows wherever soil is found. Then the farmer talks about Salzer's Teosinte, which produces 100 stocks from one kernel of seed, 11 ft. high, in 100 days, rich in nutrition and greedily eaten by cattle, hogs, etc., and is good for 80 tons of green food per acre. Victoria Rape, the luxuriant food for hogs and sheep, which can be grown at 25c a ton, and Spelts at 20c a bu., both great food for sheep, hogs and cattle, also come in for their share in the discussion.

When Balfour Scored.

A story of Lord Balfour has been going the rounds of the London clubs. It is said that Lord Balfour presented a document to the king for his signature. It had to do with the appointment of an important office, the appointee being unwelcome to the king, but who, owing to political reasons, must receive the post. When asked whose name he would be pleased to have fill the post his majesty said: "Oh, the devil's." "And shall the document run as usual," said the earl, "our trusty, well beloved counsellor?" The king signed the grant.

CUTICURA GROWS HAIR.

Scalp Cleared of Dandruff and Hair Restored by One Box of Cuticura and One Cake of Cuticura Soap.

A. W. Taft of Independence, Va., writing under date of Sept. 15, 1904, says: "I have had falling hair and dandruff for twelve years and could get nothing to help me. Finally I bought one box of Cuticura Ointment and one cake of Cuticura Soap, and they cleared my scalp of the dandruff and stopped the hair falling. Now my hair is growing as well as ever. I am highly pleased with Cuticura Soap as a toilet soap. (Signed) A. W. Taft, Independence, Va."

Insist on Getting It.

Some grocers say they don't keep Defiance Starch because they have a stock in hand of 12 oz. brands, which they know cannot be sold to a customer who has once used the 16 oz. pkg. Defiance Starch for same money.

A laugh to be joyous must flow from a joyous heart, for without kindness there can be no pure joy.—Carlyle.

An "ugly wife" who won her suit for divorce is now a charming widow.

Every housekeeper should know that if they will buy Defiance Cold Water Starch for laundry use they will save not only time, because it never sticks to the iron, but because each package contains 16 oz.—one full pound—while all other Cold Water Starches are put up in ¾-pound packages, and the price is the same, 10 cents. Then again because Defiance Starch is free from all injurious chemicals. If your grocer tries to sell you a 12-oz. package i. is because he has a stock on hand which he wishes to dispose of before he puts in Defiance. He knows that Defiance Starch has printed on every package in large letters and figures "16 ozs." Demand Defiance and save much time and money and the annoyance of the iron sticking. Defiance never sticks.

A book that gives its readers some hours of oblivion to all else outside of its problems deserves even reckless praise, and such is the latest story of Mrs. Rohlfs or, as she is known to the public, Anna Katharine Green. From its title to the end, The Millionaire Baby maintains the successes so great in truth, that the reader almost demands another chapter—in spite of the little bit of suggestion thrown in to wind up the story, which ought to satisfy all save the inordinate glutton. It is a story that is sure to find ready commendation and many readers. (The Bobbs-Merrill Company, Indianapolis.)

More Flexible and Lasting,

wen't shake out or blow out; by using Defiance Starch you obtain better results than possible with any other brand and one-third more for same money.

BAD STOMACH

Attended with tainted, offensive, or foul breath, bitter taste, especially in the morning, furred tongue, sick or bilious headache, loss of appetite, poor appetite, sour stomach, "water brash," constipation with strong tendency to "the blues," or despondency, are all relieved and radically cured by the faithful use of Dr. Pierce's Golden Medical Discovery. No man can be stronger than his stomach; when it gets out of order, he becomes bilious, dyspeptic, hypochondriacal, peevish and "out of sorts"; he feels languid, tired and "all fagged out."

Nothing will more speedily or permanently invigorate and tone into action, liver and bowels than Dr. Pierce's Golden Medical Discovery. It is compounded from the active medicinal principles extracted from native medicinal plants, without the use of alcohol, not a drop of which enters into its composition. The benefit felt from its use is not, therefore, due to alcoholic exhilaration, and consequently of short duration, but is enduring and permanent.

The great majority of diseases have their inception in a bad stomach, indigestion, biliousness and impure blood. Among these diseases are dizzy consumption, nerve-racking, brain-wrecking nervous prostration and exhaustion, body-torturing rheumatism, impoverish-breeding neuralgia, emaciating malaria and all manner of disfiguring blood and skin diseases. Dr. Pierce's Golden Medical Discovery is a cure for all these diseases, if taken in anything like reasonable time. It is not a cure-all, but cures the diseases mentioned for the reason that they are caused and aggravated by the same disorders. It makes the appetite keen, the digestion perfect, the liver active, the blood pure and builds firm flesh and healthy nerve fiber. Don't be wheedled by a penny-grabbing dealer into taking something else said to be "just as good," only that he may make a greater profit. There's nothing "just as good" as "Golden Medical Discovery," with its record of cures extending over a third of a century.

A Great Sufferer Cured.

Dr. R. V. Pierce, Buffalo, N. Y.:
Dear Sir—My health is better now than it has been before for many years, and I owe to Dr. Pierce's Golden Medical Discovery a debt of gratitude. I was for several years troubled with severe stomach trouble. My head ache was overwhelming. Could not eat anything without experiencing the most agonizing pain. Had little appetite and was frequently nauseated. My sick headaches were most violent and I could not rest night or day. I became emaciated and thoroughly despondent, and no medicine that I could take seemed to help me at all. It was my father who suggested that I try your medicine and I am grateful to say that I had been cured by "Golden Medical Discovery" inside five months when I was entirely cured, and can now eat anything without distress.

Cures When Everything Else Fails.

Dr. R. V. Pierce, Buffalo, N. Y.:
Dear Sir—I am happy to say that I have found Dr. Pierce's Golden Medical Discovery to be a most efficacious remedy for stomach trouble. For many years I could scarcely eat anything without being dreadfully distressed, at once, and was not to vomit the food. I used various medicines without good effect. Later I bought a bottle of Dr. Pierce's Golden Medical Discovery and it proved so satisfactory that I bought several more bottles of the medicine and used it until I was entirely well. That was about four months. You may count on me for a staunch friend to "Golden Medical Discovery," also to your Sanitarium, which I know to be one of the best in the country.

Dr. Pierce's When the "Golden Medical Discovery" is not quite laxative enough, as in obstinate constipation, the little, pleasant, sugar-coated "Pellets" should be taken to aid the "Discovery."
