The Art of Overlooking.

Nobody can live in the world and not admit that the words "Nothing for nothing" contain a sad amount of truth. He is of course a fool who does not count the cost so far as the future is concerned; but scarcely less a fool is he who does not overlook past costs. If we have any good or delightful thing in this life, at all hazards let us not taint our enjoyment by considering what we gave for it. Was it more than we could afford? Never mind; we have afforded it, we have made our purchase. Let us take off the ticket with the price and burn the receipt. There are items in life's ledger which must be overlooked unless we would spend all our days in balancing closed accounts.

WE DYE AGAIN

LET US DYE FOR YOU

In fact the only way we live is to dying. Don't dye yourself. It's better than dying yourself.

WE DYE EVERY DAY AND DYE FOR ALL.

Our charge for dyeing for you won't be high. A sample job is sufficient. Full best dyeing and cleaning have no equal.
