LAKE ZURICH REVIEW

Thieves Force Entrance to Ela Twp. High School; Take $17; Damage Office

Thieves entered the office of J. L. Clements, superintendent of Ela township high school, sometime Tuesday evening and took $17 from the school safe. Damage to the building exceeded the cash loss, according to Mr. Clements' report.

Entrance was gained through a window on the south side of the building next to the E. J. & E. tracks and the thieves then broke the door leading to the office and smashed the handle from the safe.

The loss was discovered early Wednesday morning and members of the school board and the sheriff were called to inspect the damages. To date, there has been no clue as to the identity of the thieves.

Scholz Family Reunion Held at Lake Zurich

The first annual reunion of descendants of Carl Scholz was held at Maple Inn hotel, Lake Zurich, Sunday with 98 there. A daughter-in-law and 17 grandchildren of Carl Scholz were present, the others being of the fourth and fifth generations. The descendants ranged in age from eight and one-half months to 71 years. Mrs. Charles Scholz of Lake Forest was the oldest woman and George Wicks of Grayslake the oldest man. The youngest girl was Evelyn Smith of Des Plaines and the youngest boy Robert Meyer of Mundelein. Carl Scholz, forefather of all the people who gathered Sunday, came to this country from Germany in 1871. E. Smith of Des Plaines was elected president and Earl Frisbe of Lake Forest secretary at a short business meeting for organizing the group.

Colds May Be Avoided By Following These Rules

Because colds can be prevented, the Illinois Tuberculosis association lists rules for avoiding the ailment:

"Avoid crowds, for colds and influenza are crowd diseases; stay away from persons who have colds. Keep your resistance built up by eating regularly of nourishing foods, drinking at least six glasses of water each day, and getting plenty of fresh air. Avoid fatigue. Keep clean inside and outside. Keep your feet dry and stay out of drafts."

The best preventative against colds is general good health, the committee states.

Instructions for caring for a cold are given as follows: "Keep away from others; play fair with them for colds are contagious. Go to bed for 24 hours if possible. Take a warm bath and a hot drink to induce perspiration, but don't become chilled. Avoid patent cold "cures." Wash your hands frequently, especially before meals. Call a doctor if you become unusually ill, run a temperature, or feel pain. Don't be a walking germ spray, spreading disease by coughing and sneezing promiscuously; always cover mouth and nose with a handkerchief."

Lake Zurich's New Fire Dept. Gets First Call Sunday Evening

Lake Zurich's newly organized fire department made its first official answer to an alarm Sunday evening when it was called to extinguish flames which threatened to destroy the Fred Hillman cottage on the outskirts of Lake Zurich. A passerby, seeing various sheds and outbuildings on fire, turned in an alarm at 9:30 p. m. and quick work by the firemen saved the cottage. They pulled the flaming shed away from the home.

Loss was relatively slight, according to the report, a shed and an outbuilding containing a little lumber having been the only buildings burned. No one was living at the cottage.
