BARRINGTON REVIEW

VOLUME 28, NUMBER 8 — BARRINGTON, ILLINOIS, THURSDAY, MAY 30, 1912 — $1.50 PER YEAR IN ADVANCE

HOLD SPECIAL ELECTION

Village Board Will Submit to Voters Proposition for Issuance of $13,000 General Improvement Bonds Next Tuesday.

On next Tuesday, June 4, a special election will be held in this village for the purpose of voting on the proposition of the issuance of general improvement bonds to the amount of $13,000 to be used in the constructing of outlet sewers and a sewage purification plant in this village. The polls of the election will be open from seven o'clock in the morning and continue open until five o'clock in the afternoon and all voters, whether property owners or not are qualified to vote in this election.

There will be issued twenty-six bonds of $500 each, bearing interest at the rate of five per cent per annum, that is, if the proposition carries. Two thousand dollars in amount of said bonds are to become due on the first day of July in each of the years 1913 to 1918 inclusive, and the remaining one thousand dollars on the first day of July, 1919.

H. Stillson Hart, who owns a farm adjoining this village on the west, served notice on the village board several years ago that the dumping of sewage in the creek which runs through his property was a nuisance and objectionable to him. Nearly two years ago the Board of Local Improvements of this village submitted a plan for a complete sewer system with septic tanks and filter beds. At a public hearing of the property owners it appeared that they were almost unanimous in their objection to the proposed plan. The Board of Local Improvements, respecting the sentiment of the tax payers took no further action in the matter.

Shortly after this Mr. Hart commenced a suit in the Cook county courts asking that a permanent injunction be issued restraining the village from dumping its sewage in the creek. This suit is still pending in the courts.

The village authorities seem to be of the opinion that Mr. Hart is somewhat justified in his claims and it is hoped that the building of a septic tank for the purpose of intercepting the sewage as the outlet and treating it scientifically will cause Mr. Hart to withdraw his suit. He certainly has been very lenient and considerate of the rights of the village in the past.

It is the opinion of the REVIEW that the bond issue should be approved by the voters.

If it is decided later on to build a complete system this work would not be lost as it would be required anyway. The septic tank and filter beds will be built sufficiently large to take care of all sewage, even when a complete system of sewers has been built.

Vote for the bond issue.

BASE BALL NOTES.

News About the Games Played by Barrington's Two Teams at Home and on Other Ground.

The ball game last Saturday between the Clover Leaf ball team of Chicago and the Omnes Vitae team was won by the home team by the one-sided score of 20 to 5. Pomeroy pitched the full game for the locals and pitched a very good game. His support was also better than at any other time this year. Today, Decoration day, the Kenmore athletic club of Chicago will be here. They are a strong team and as the locals are playing better a good game is looked for. Be sure and see this game. Admission 25 cents; ladies and children 10 cents.

At a meeting of the Pentagonal H. S. league on Thursday, May 16, at Des Plaines, it was decided that Maine and Palatine and Barrington should play their games with Prospect, played on Prospect's grounds, and again. The postponed games were granted on the grounds that the pitching distance at Prospect was six feet too long.

Memorial Day.

In honor of the gallant boys of '61 and '65 who battered Old Glory through smoke and bullets in order to preserve the Union, we can in this issue of the REVIEW do no better than every one of our patriotic readers should read.

The business men will no doubt close in honor of the old soldiers who will march, and the school children will decorate the last resting place of our Memorial day heroes with flowers and the shop of the patriotic must be feeble.

Hand our tribute to the memory of the men who deserved "Hero" when their country called for them.

The music of the parade. A gentleman who plays in the "Old Glee" band, Barrington, is a big man at Barrington, Illinois.

ORGANIZE IMPROVEMENT CLUB.

Barrington Improvement Association to be Organized Among the Citizens of This Village.

Several meetings have been held recently between the owners of farms west this village and the road comissioners of Barrington and Cuba townships to take necessary steps to improve the condition of the county line road. The president and members of the village board attended the last of these meetings and another meeting will be held Friday evening at the village hall. At this meeting the report of the committee consisting of Messrs. Van Hagen, Hahn and Watson of the farm owners and Messrs. Plagge, Schwemm and Hager of the village board will be presented. This report will recommend the formation of the Barrington Improvement association, to have for its object the general improvement of Barrington and vicinity. Among other things that such an association could take up would be the securing of a new railway depot for Barrington. It is hoped that the citizens of Harrington will support such an organization and that the meeting Friday night will be well attended.

Most of the time since then his home has been in Elgin. At the time of his death he was living with a daughter in Iowa.

Bodies All Recovered.

All of the bodies of the people that were drowned at Fox Lake about two weeks ago have been recovered. The last were taken from the lake last Tuesday. This should serve as warning to the thousands that go to Fox Lake for the summer. The opinions offered as to the cause of the drowning are varied. The peculiar feature of the whole affair is the fact that one of the men drowned was an expert swimmer and had swam across the lake several times, yet he was one of the first to go down.
