WHEN BABIES FRET THERE are times when a baby fretful or feverish to be sure to sleep. There are some pains a mother cannot put away. But there's quick comfort in Castoria!

For diarrhea, and other infantile ills, give this pure vegetable preparation. Whenever constipation, flatulency or colic appear, remember there's a sign of sluggishness. Castoria has a good laxative; children love to take it. Buy the genuine—look for Chas. H. Fletcher's signature on wrapper.

WHAT DR. CALDWELL LEARNED IN 47 YEARS PRACTICE

A physician watched the results of constipation for 47 years, and believed that no matter how careful people are of their health, diet and habits, constipation will come from time to time. Of next importance, then, is how to treat it when it comes. Dr. Caldwell always was in favor of getting as close to nature as possible, hence his remedy for constipation, known as Dr. Caldwell's Syrup Pepsin, is a mild vegetable compound. It can not harm the system and is not habit forming. Syrup Pepsin is pleasant-tasting, and youngsters love it.

Dr. Caldwell did not approve of drastic physic and purges. He did not believe they were good for anybody's system. For a practice of 47 years he never saw any reason for their use when Syrup Pepsin will empty the bowels just as promptly.

Do not let a day go by without a bowel movement. Do as he did and how: go to the nearest druggist and get one of the generous bottles of Dr. Caldwell's Syrup Pepsin, or write "Syrup Pepsin, 7 Dwg. BB, Monticello, Illinois, for free trial bottle.
