Barrington Woman's Club

Letters were sent to our representatives at Springfield asking them to support the school legislation now before the general assembly. It is gratifying to have answers from two of them assuring us of their attitude and recognizing our concern for our schools.

A letter was received from the Better Films Council of Chicago and Cook county, which spoke very highly of a Paramount picture, "Death Takes a Holiday." As a play it was one of Mantel's ten best plays of the year 1930, and the screen version is described as a picture of magnificently staged and acted, full of symbolism and beauty, yet entertaining and compelling. "It is not morbid or ghostly for it sparkles with clever dialogue and humor," writes Mrs. Richard M. McClure, president of the council, in her letter. Members of our local club appreciate these advance tips on pictures, and publish them so that those interested in better films may show their attitude by attending really good ones when a management puts them on.

Spring Flowers, Music, Clothes to Be Featured at M.E. Fashion Show

Although spring is chronologically slated to arrive March 21, it will be in Barrington five days early this year, according to those who are arranging the second annual spring fashion show to be held at the Methodist church Friday, March 16. There will be two performances this year, at 3:30 and 8 p. m., and tea will be served at the conclusion of each. Women's and children's sport, afternoon, and evening clothes are to be shown in addition to alluring new spring suits and wraps. They will be modeled by local residents, chosen by Miss Irene Lipofsky.

A musical program symbolic of spring and a colorful array of spring flowers, arranged by Plaage's, are to form the setting for the show, according to those planning the event.

The committee in charge includes Mrs. Harry Coffman, Mrs. Frank Kirchman, Mrs. R. W. Muir, Mrs. Russell Mundhenk, and Mrs. Charles Elsner.

Winter Sports Special Over C. & N. W. Weekly

A two week extension of the "winter sports special," the Chicago & North Western railway's week-end train to the north woods of Wisconsin, will be made, according to R. Thomson, passenger traffic manager of the road, Chicago. The train, scheduled to cease operation after the last week-end in February, will be operated on March 2 and March 9 out of Chicago.

Winter sports centered around Jack O'Lantern Lodge at Eagle River in the north woods of Wisconsin, have developed rapidly this year. Between 25 and 35 people from Chicago vicinity and from Milwaukee have been taking this two-day week-end tour all through February.

Many New Tax Bills Ready for Legislature

Bills calling for additional taxes of $58,980,000 a year have been introduced already at the third special session of the legislature. Other bills introduced or about to be call for appropriations of $3,905,622 in addition to $100,972,975.35 already appropriated for the present biennium.

The new annual taxes for schools are estimated by L. R. Grimm, director of research for the Illinois State Teachers Association as follows: one eighth cent a bushel tax on all cereal futures, based on 10-year average $15,000,000; two per cent income tax with $1200 exemption, to average about $30,000,000; three per cent on corporation net income, based on 1933 earnings, $11,000,000; total $56,000,000.

Schools are now suffering because the state distributive fund is $22,000,000 short, due to failure to collect taxes in Cook county, generally admitted to be due to the taxpayers' distrust of Chicago and Cook county governments. Chicago took out of all its share of the distributive fund before turning the rest of the taxes over to the state.

Remember me to the members of your committee that know me and may you have a great success.

Yours very truly,
Frank A. Dohmeyer."

Hawley, Mrs. Erman Smith, Mrs. Leslie McClure, Mrs. Walter N. Sears, Rev. Hermann Koenig, Mrs. Howard Brintlinger, Mrs. Reuben Plaage, and Mrs. Harold Grebe who will be in charge of the young peoples work and decorations. These children, pupils of the sixth, seventh and eighth grades, will be given sealed cans for money and bouquets of flowers. Each captained a certain house to house canvass so that business and residential districts will be covered and trains met.

Offer Prizes

Barrington merchants have cooperated with those in charge by offering the following prizes for children who turn in the largest collection, (in case a boy wins a prize of feminine nature he will exchange it for an article of equal value): $2, cash; beaded purse bar, S. Lipofsky & Sons; double compact, Fredlund's; pair of ball bearing skates, Sass Hardware; box of candies, McLeister's; movie passes for all who collect $3 or more, Wright theater, manager Catlow theatre.

The American Brotherhood is a nonsectarian, non profit-making organization which helps the blind to help themselves; through it, a sightless person may sell handmade articles at their market value. To avoid sealed appeals, Barrington residents are urged to display their flowers after contributing to this worthy cause Saturday.
