# David Copperfield Film Proves Great Triumph for Novel

"Clive of India," Scout Benefit Show, and "Rumba" Are Scheduled

Thursday and Friday evenings will be the last times that movie-goers will have to see Claudette Colbert in "The Gilded Lily," a comedy of park benches and popcorn. Saturday night is oven dinner night for the women patrons and the bill brings George Raft and Carole Lombard, the sensational dancing stars of "Bolero" to repeat that early success in an even more lavish and thrilling scale in Paramount's "Rumba."

In a thrilling and dramatic story set to the rhythmic music of Cuba's fascinating native rhythms, the picture combines musical innovations, drama and handsomely mounted photography to furnish spell-binding entertainment.

A special comedy, Joe Cook in his "Widget," cartoon and news complete the bill.

Sunday's bill brings Karl Freund's masterpiece as a special stage presentation in a novel stage presentation.

On the screen Myrna Loy, with Cary Grant in Paramount's "Wings in the Dark," plays the role of a heroine of the air.

To share with Roscoe Karns and Samuel Cavanaugh in the comic roles, is a romantic adventure in the clouds of love for a blinded aviatrix.

The cartoon, "The Lost Lake," is an added feature.

On Tuesday and Wednesday the scout's club offers a boy scouts show, "Clive of India," with Ronald Colman starred in the role.

A story which traces the rise of Clive from a $25 a year clerk in the East India company to conqueror of a nation, and the private life of Engelbert here and the part his wife played in his triumphs and defeats.

Clive Young is cast as the young Clive while Colin Tapley, Lester, C. Aubrey Smith, Cesar Romero are among the cast.

A news and cartoon program with performances for the kiddies.

The screen version of movie in which Lionel Barrymore on the Catlow on Friday and Saturday starred "Copperfield," Charles Dickens' immortal novel, comes to the screen in a myriad of interesting episodes through the medium of talkies.

The picture creates the immortal Micawber, Esq. and Lionel Barrymore plays the adult Copperfield, and the child is played by ten-year-old Frankie Bathlomew.

Lionel Barrymore, Maureen O'Sullivan, Madge Evans, Edna May Oliver, Lewis Stone and others are in this distinguished play.

Notice is given that the picture will start at 7:10

## Miss Parker to Appear in Recital Here April 12

Miss Harriet Parker of the American Conservatory of Music faculty in Chicago, will give a piano recital in Barrington on Friday evening, April 12 at the Baptist church. The recital will begin at 8:15 p. m.

Miss Parker has a bachelor of music degree from the American Conservatory, and has won several scholarships there. She has also received a 3 year scholarship from the Julliard Musical Foundation of New York. Miss Parker's early training in piano was with Ethel Lyon, assistant to Louise Robyn at the American Conservatory. Later she studied with Miss Robyn who is known by teachers throughout the United States for her successful teaching and normal training classes. At present Miss Parker is under the guidance of Tomford Harris who appeared as soloist with the Chicago Symphony orchestra this year and whom musicians consider one of the foremost young pianists of today.

Numbers on the program will include compositions by Bach, Beethoven, Chopin, Bartok and Ravel.

## Ela High School Chorus to Give Operetta Friday

The mixed chorus of Ela township high school, Lake Zurich, will present an operetta, "And It Rained," by Clark-Lee Friday evening, April 5. It is a humorous musical skit with songs, dances, and dialogue.

The music department is sponsoring the operetta, with the cooperation of the dramatics, physical education, and home economics departments in the dramatics, dancing, and costuming.

**MAKE YOUR GRASS HELP YOU CHOKE OUT WEEDS!**

● Grass roots because native matter in the spring then weed roots. By giving your lawn a square meal as soon as the frost is out of the ground, you can give the grass such a quick, healthy start that weeds will find little room to grow.

But it takes a very thick turf and a deep, matted root system to choke out weeds. You can have this kind of grass only by feeding a complete, balanced plant food, such as Vigoro.

With Vigoro you take no chances. It supplies all the food elements growing things need from the soil. It is sanitary, odorless, easy to use. Economical, because its results are sure.

Feed everything you grow . . . with **VIGORO** THE SQUARE MEAL FOR LAWNS AND FLOWERS
