Barrington Bears Win Two Over Week-End to Keep Slate Clean

Elgin Parksides Meet Local Nine Here This Sunday

Subdue Libertyville 7 to 2 Saturday; Trim Dundee Sunday

The Barrington Bears emerged victorious in contests held over the week-end with teams from Libertyville and Dundee. The home team defeated the Libertyville boys on their home field Saturday by a 7 to 2 score and travelled to Dundee Sunday to take the other contest by a 11 to 7 score. Al Heitman pitched for the Barrington Saturday and Chuck Altenburg did the twirling Sunday. The victories over the week end stretch the win column to four wins with no losses.

Walter Altenburg made his first appearance of the season for the Barrington Bears and played in both games. He counted for a homer in the Sunday's game and contributed with several other nice blows. Heitman pitched Saturday and allowed seven hits while runs were scored. Heitman was never in trouble at any time during the game, holding down when ever pressure was on. Altenburg had an easy time of it controlling the situation on Sunday.

Elgin Parksides will meet the Barrington field this Sunday in what should be the toughest game so far in the season. Reputed to be strong, it is expected that the Parksides will cause some trouble for the local boys.

The box scores for both games follow:

Home of the Snapping Turtle

The snapping turtle inhabits muddy rivers, lakes and ponds in all parts of America from Canada to the Equator. It will lie in the water for hours on end with only its head above the surface, to allow him to breathe. But when the occasion arises, it can remain below the surface for a long time. It crawls along the bottom seeking food which mostly consists of fish, water vegetation, small water fowl. Food is roughly torn to pieces between the jaws and front claws, and this animal seems to be completely carnivorous. Like all the tortoises which inhabit water, this one has broad webbed feet, each having long coarse nails.

Local Athletes to Have Track Meet With C.C.C. Camp

Alumni members and the graduating seniors of the Barrington high school track team will join forces Thursday night, June 4, for a track meet with athletes from the C.C.C. camp in Deer Grove Park in Northside park starting at 6:30 p. m.

Paul Clark, athletic director at the high school, and Louis Guthrie, director of athletics at the camp, arranged the meet.

Athletes of outstanding ability are reported in the ranks of the Foresters and an interesting meet should be held. Al Roberts, sub-district champion of the 18th forestry district, ran the 440 in a meet at Fort Sheridan in :55.3 and also holds the record mark of 4:43 in the mile at Champaign high school. Gloster Hayes holds the record of the Harrisburg high school in the shot put, having tossed the pellet 51 feet. Wilbur Johnston, formerly of Wheaton high school, has high jumped 5 feet, 9 inches. Guthrie starred on the Eureka college track team and did 11 feet, 2 inches in the pole vault.

Alumni members slated to make their appearance in the meet are: Capulli and Rowland in the pole vault, Bennett and Reese in the high jump, Lipofsky, Conn, Williams, and Thorp, sprints and broad jump, Jurs in the mile, Bennett and Kuhlman in the hurdles, Catlow and Buckley in the javelin and Gieske, Buckley, Treatik and Muir in the shot put and discus.

Senior Class Victor in Annual Inter-Class Meet With 82½ Points Thursday

The senior class of the Barrington high school won the annual inter-class track meet Thursday afternoon in Northside park with 82½ points with the juniors second with 31, sophomores third with 21½ and freshmen 9 points.

New records were set in the hurdle events this year because a change in the high and low events was made. Rieck broke the javelin record with a toss of 134 feet, 9 inches. Stout broke Orr Williams' broad jump record with a leap of 20 feet, ¼ inch. The senior relay team broke the record in the 880 relay, being timed at 1:44.7.

Hager, Stout and Sheesley have been invited to participate as members of the all-Lake county track team in the junior Olympics track meet in Rockford Saturday. Athletes from the Northwest conference schools and other inter-scholastic leagues in the county have been invited to compete with the pick of high school athletes in the state.

Fame of Ferdinand de Lesseps

November 19, 1805, saw the birth of Ferdinand de Lesseps at Versailles, says Pearson's London Weekly. He was educated for the diplomatic service, in which he was engaged for many years. In 1854 he produced a scheme for a canal across the isthmus of Suez. He obtained a concession, a company was formed, and in 1869 the work began. Nine years later the canal was completed, and de Lesseps became honored and famous.

But in 1888 he undertook the construction of a Panama canal. From the beginning everything went wrong. The funds were grossly mismanaged, while malaria and yellow fever killed off the workmen. In 1892 de Lesseps and the directors were brought to trial for betrayal of trust. De Lesseps was sentenced to five years' imprisonment, and though the sentence was soon quashed, he died, ruined and broken-hearted, on December 7, 1894.

Gold Discovery in Alaska

Gold was first discovered in Alaska in 1848 in the gravels of Kenai river by P. P. Doroshin, a Russian mining engineer, who was then making an examination of the mineral resources of the district for the Russian-American company. In 1850 and 1851 Doroshin, with a working force of 14 men, prospected the gravels of two streams entering Kenai river between Kenai and Skilak lakes and those of a third stream tributary to the latter lake. Gold was found nearly everywhere in the gravels examined, but not in commercial quantities.

The Gaelic Word "Baile"

The Gaelic word "Bialle" (pronounced "Bail-ya"), meaning a town, was formerly used to denote any group of dwellings or settlements larger than a mere village and the name of the local chief was added, says Pearson's Weekly. Thus we have Baily-martin, Baily-honan, etc. Where there was no local lord or chief of sufficient importance to be thus honored, the town was distinguished by some peculiarity of the surrounding neighborhood, e.g., Bail-na-binch—or Ballynahinch—"the town-of-the-islands."

Lake Forest and Ela, Conference Baseball Champs

Finish Regular Season Tied With Five Wins and One Loss

Leyden	3	2	.600
Arlington Heights	2	3	.400
Warren	2	4	.333
Wauconda	2	4	.333
Antioch	1	5	.167

Ela township high school and Lake Forest high school finished in a tie for the baseball championship of the Northwest conference, each team winning five games and losing one.

In the final game with Leyden, Schroeder, regular shortstop of the Ela nine, stepped to the mound and held the heavy hitting Eagle batters in check while his teammates pounded out a 9 to 6 victory. Charles Herrick, star twirler of the Ela team, sprained his ankle before the Leyden game and coach H. L. Wesner was forced to shake up his lineup to meet this emergency.

Timely hitting, good base running and the ability to capitalize on Warren's miscues gave Lake Forest a 10 to 6 victory over the Blue Devils. Warren outhit the Gold Coasters, slamming out ten safe drives to six for the winners.

Arlington Heights won from Antioch in a closely contested game by the score of 11 to 9 after ten innings of play. After trailing 8 to 0 until the fifth inning, Antioch came from behind to tie up the game in the last of the seventh, when Crandall's triple scored three runs.
