"Love Is News" Is Week-End Feature at Catlow Theatre

"On the Avenue" Will Start Three-Day Engagement Wednesday

A typewriter thirty feet high with a twenty-eight foot carriage, writing on paper twenty-two feet eight inches wide, is just a Hollywood art director's idea of "something different."

It was constructed on the setting for a spectacular song and dance number for "Ready, Willing and Able," which comes to the Catlow theatre Saturday.

Miss Keeler and Dixon perform herculean tasks by dancing on the keys, spelling out words of the song, "The Marvelous Ice World," —which is sung by Ross Alexander and Winifred Shaw. The dancing girls, as each key is pressed, react as type bars, imprinting a letter on a sheet of paper inserted into the machine.

Although the newspapers themselves have proved free of time and again, Tyrone Power, Loretta Young and Don Ameche are in the thrilling threesome who step out in modern streamline style to demonstrate that "Love Is News," in the gay romance of that title, opening Sunday for two days.

A refreshing, quick-paced story of a publicity-ridden heiress out to make a star reporter literally dance to her tunes, it provides an unusual opportunity for hilarity and good-natured comedy to an outstanding cast, including Slim Summerville, Dudley Diggs. Walter Catlett, Helen Broderick, Jane Darwell, Stephin Fetchit and Pauline Moore.

Contrary to the claims of "technocracy" supporters, money was saved by hiring an extra man during the filming of "Crack-Up" which comes Tuesday to the Catlow theatre. The man comprised a assembly crew, whose sole duty was to put together and take apart an airplane at the frequent behest of Director Malcom St. Clair. The airplane figured importantly in exterior scenes in the picture.

"Crack-Up" features Brian Donlevy, Irian Dooley, Helen Wood, Ralph Morgan and Thomas Beck, and is said to be an ace thriller from start to finish.

Double featured with "Crack-Up" Tuesday is "Nobody's Fool," starring Edward Everett Horton, Linda Darrell and Cesar Romero.

The latest type of revolving stage, makes its appearance in Loving Berlin musical, "On the Avenue," starring Dick Powell and Alice Faye, titled, "The Girl on the Police Gazette."

As the picture keeps its musical numbers within a normal theatre time limit, the backstage part is equipped with a semicircle of stages, each specialty built, flies, rolling silently over these, up to achieve a swift change of scene without a curtain being seen.

Church Society of Ela Township Will Present Two Plays

ELA TOWNSHIP.—Rehearsals for two one-act plays sponsored by St. Peter Evangelical church are in full swing in Lake Zurich on Ren April 29 are now underway. Cast has been chosen from ranks of Ela township and Lake Zurich.

Mr. and Mrs. Herman Buschlinz and family were Sunday guests at the home of Mr. and Mrs. Franklin Meyer in Palatine.

Miss Ethel Rudzinski and Miss Phyllis Soderberg spent Saturday in Chicago.

Bartlett Farmer Killed By Train

Christ Kjarr, 66 years old, Bartlett farmer residing near Villa Olivia golf course, was instantly killed when his truck was demolished by a Chicago, Milwaukee and St. Paul and Pacific commuter train at the Bartlett Hills Country club crossing, just west of Bartlett, Thursday morning.

Kjarr had taken a load of milk to Ontarioville and was enroute home when the accident occured. He was driving west and apparently failed to see the eastbound train bearing down upon him as he started to cross the tracks.

The truck was hurled 100 feet into a ditch at the north side of the westbound tracks. Kjarr's body fell between the double tracks. His head was crushed and most of the bones in his body were broken. He was dead when rescuers reached his side.

Kjarr's body was removed to the chapel at Barrington where an inquest was held Friday. Besides the widow, Kjarr is survived by two sons and a daughter.

Funeral services were held at the chapel, 203 S. Cook street, Sunday afternoon and burial was in Memorial Park cemetery.

Federal Government Rejects Palatine's New Sewer Proposal

Palatine village officials were notified last week by the village engineer, A. W. Consoer, that the federal government had definitely rejected a proposed for a loan and grant under the PWA for the construction of a new sanitary sewer system.

The plan had called for a modern disposal plant to cost $220,000. Of this amount, it was hoped the government would contribute more than 40 per cent and the village of Palatine raise the balance by means of sewer rental bonds.

The proposed bond issue would approximate a rental of $14 a year, more than it is now paying. The village of Palatine is under order from the state sanitary board to build a new system and to desist dumping sewage in Salt creek, it was learned. A new proposal is being drafted, but it is still indefinite what federal action would be.
