REPRESENTING ____
This card issued on the following conditions:
1. That it may be revoked at the discretion of the Chief of Police.
2. That it is not transferable.
3. Must be carried on the person and shown on request.
4. Solicitor must not call before 9 a. m. or after 5 p. m.
5. Solicitor must not go to back doors.
NOT AN APPROVAL
of the bearer, the merchandise or services offered, nor the business method used in selling them.
DATE ISSUED ____ SOLICITOR'S SIGNATURE ____
EXPIRATION DATE ____ CHIEF OF POLICE ____
RIGHT THUMB

Chief of Police E. W. Baade is completing details of a plan which he feels will tend to discourage itinerant peddlers coming into the village and at the same time assure him of a closer check on those individuals who do canvass the community. He has drawn up a registration card system that includes finger printing of each solicitor.

The registration card is shown here and contains on it the number of requirements to be met by each person. As stated on the card, possession of it is not approval of the bearer, the merchandise offered for sale, or the business methods used. As Chief Baade stated: "The card system is merely a registration of the solicitor and is not a permit."

The main idea of the new system is the taking of a print of the right thumb of each peddler or solicitor, to be kept in local files where it may be used for reference with state and national records.

Chief Baade is seeking to have the solicitors' ordinance amended to permit the taking of finger prints by him and when that is done, he will be in a position to put his plan into effect. Village Trustee John Daeschner, chairman of the ordinance committee, is conferring with D. B. Maloney, village attorney, and is expected to have the amendment ready at the next council meeting.

Ten Points in Final Period Give Bronks Opening Game Win

Scoring ten points in the final period, after failing to register a field goal in the first half, the Barrington Bronchos defeated Northbrook 13 to 11 Wednesday night in their first round game of the Illinois State high school district basketball tourney at Waukonda. Saul took scoring honors with seven points in the last quarter.

History repeated itself in the tourney's opening game when Grant took Richmond, 31 to 17. Hebron won from McHenry 48 to 17, in the other first round game.

Barrington meets Hebron Friday in the 7 o'clock opener, the winner going into the final game Saturday.
