Change Schedule to Hasten Finish of Church League

Will Have Games Friday and Monday Nights; Plan Quick End

In order to hasten completion of the league schedule, the local church cagers will play a pair of games Friday night at the high school gym. At that time St. Anne will meet Methodist in the initial contest and St. Matthew and St. Paul will clash in the finale. Games listed for the regular playing night next Monday are St. Anne vs. St. Matthew in the first tilt and Baptist vs. Salem in the nightcap.

After the above games are played off only one night of league action will remain to complete the season schedule. At the final session (date to be announced later) Baptist will meet St. Paul and Salem meets Methodist. If both Salem and Methodist win their intervening games, their clash will be a championship one.

At last Monday's games Salem won from St. Matthew by a forfeit as St. Matthew was minus several players because of illness and couldn't put a complete team on the floor. St. Matthew used extra players and in a non-league tilt Salem won by a 45 to 16 score.

Baptist just managed to nip St. Anne 29 to 27 in the other Monday night game, which had one of the most exciting finishes of the season. St. Anne danled their opponents with a basket making exhibition the first half and led by a 20 to 9 margin at the intermission. As play was resumed St. Anne couldn't keep up the pace and Baptist only trailed 20 to 23 at the three-quarters; then with only two minutes of the game remaining Baptist had a 25 to 23 lead. St. Anne came back fighting and with two quick baskets gained a 27 to 26 lead only to have Baptist make a free throw and basket in the final minute for the victory.

Hebron Wins District Tourney With Ease; Swamps Grant 48-11

The Hebron basketball team went through the Illinois district tourney at Wauconda last week in easy fashion, winning from Grant in the final game Saturday night, 48 to 11 to earn the right to play in the Dundee regional. Barrington's Bronchos held Hebron to its lowest tourney score, losing 24 to 19 in the semi-final round after the champs had won their opening game from McHenry 49 to 17.

Grant won its way into the final round by beating Ela 18 to 28 in the other semi-final game, but barely nipped Wauconda Friday in a 24 to 23 thriller. Grant won the opening game of the tourney from Richmond, 41 to 17.

Ela whipped Antioch 40 to 26 to move into the semi-final bracket but was no match for the Hebron crew, which scored 120 points in the three games while holding its opponents to 58.

Hebron meets Maine, of Des Plaines, tonight in the regional tourney at Dundee, followed by the Elgin-Woodstock game. Results of Wednesday night's Crystal Lake-Grant and Dundee-Harvard games will be found elsewhere in The Review.

It all depends on who endorses the check.

- The name on the top line of your check this spring is going to decide how the man on the bottom line is going to look.
- That's right . . . the name of the clothier is more important than the color, cloth or cut, for if the clothier is right, the clothing must be.
- The men who put their faith in the Herman's label this Spring are going to dodge all those little inconveniences that can happen when the suit isn't as stable as your signature.
