Similar Bikes Lead to Mix-Up at School

Two bicycles, identical in appearance, led to misunderstanding and a general mix-up in Barrington junior high school circles early this week. After asking permission to use the bicycle of his classmate Elden Witte Monday afternoon, LaVerne Martens took the same be-to-chance! Eldon's to get baseball equipment for practice at the Russell street playground diamond and upon completing the errand, joined his friend at the park. Later Eldon Witte had used the bicycle of Fred Wilhoff.

Later both boys left the park, each thinking he had taken the bicycle back to the school grounds.

Meanwhile Fred missed his vehicle and rumors were circulated that it has been stolen. Late Tuesday, Bernard Krahmoffy found it in the diamond and returned it to the owner.

Plans Program for Club

At the installation of the village board Monday night, Village President Earl Hatje welcomed the new members and reappointed appointees of officers and standing committees for the year. Mr. Hatje read to the members the following program for the consideration of each committee:

"I want at this time to urge the committees, study the village problems that come under their particular jurisdiction and to call the following specific matters to the attention of the committees:

"Finance committee—Carry on without unreasonable curtailment of necessary village functions. Study the problem of decreasing village revenue despite rising population and decreasing assessed valuation. Tax rate must be equalized so that Barrington can enjoy the saturay rate to which it is entitled.

"Police, Ordinances, Licenses and Health—Draft a modern village code of ordinances. Enforce existing ordinances.

"Fire, Water and Lights—Construct aeration plant to remove iron from old well to reservoir; funds are in sight to carry out this project. Settle the question of rural fire protection on a basis fair to the village and to outside residents. The village should cooperate with its country neighbors in the problem, the responsibility and the financial burden of providing fire protection should be borne by those enjoying the protection.

"Street and Sidewalks—Plan and carry out a program of repairs to damaged sidewalks, and as money is available, from time to time make the most needed repairs. Study uses to which gas taxes may be put locally. Contact Cook county officials as to curb on Dundee avenue and elimination or curve in street. Village has on hand $7000 of gas tax funds.

"Buildings, Sewers and Treatment Plant—Cooperate with ordinance committee in adopting building code for village and in making sanitary survey. Develop plans for the village building. Investigate sewer and storm sewer system. Develop plans for the village sewer system. Study the problem of the inefficiency of the village
