Expect Enrollment Increase of Public Schools This Year

Pupils to Register for Fall Classes Tuesday and Wednesday

A substantial increase in enrollment is expected at the Barrington public schools this year when pupils will begin registering for classes on Tuesday and Wednesday, September 5 and 6, according to E. S. Smith, superintendent of schools. The senior class of the high school is expected to have an enrollment of 56 pupils, which is the largest in the school's history.

In preparation for the influx of new pupils, Mr. Smith stated a number of new desks and equipment have been purchased. With the exception of one room, the entire building contains modern classroom facilities.

As a convenience for those children who did not attend the Barrington schools last year or who failed to prepare a course schedule at the close of school last June, Mr. Smith will be in his office Friday and Saturday, Sept. 1 and 2, to assist this group in planning their study courses to be taken.

The actual registration of pupils, payment of book rental fees, assignment of lockers and other matters will be taken care of on September 5 and 6. All pupils, regardless of grade, will report at the time specified in the following chart. (pupils whose last name begin with the letter A should report at the time designated for A, those with the letter B at the correct stated time, and so in order):

The fee for senior high school students will be the same as last year, five dollars. Included in this fee is the rental of all textbooks, workbooks, padlocks, lockers and ordinary school supplies with the exception of pens, pencils and gym suits. Student activity books will be included in this payment. The books cover admissions to athletic contests, class plays and high school assembly programs.

The fee for junior high school will be $4.25 and is similar to the plan used in senior high school. Activity tickets are also included in the $4.25 fee.

Senior high school pupils are asked to use the north door of the building on registration days to enter and leave the building and other pupils have been requested to use the east and south doors.

Regular class work is expected to be started on Thursday, Sept. 7.

Four New Teachers Join Public School Faculty This Fall

Are Filling Vacancies Made by Resignations of Last Year's Instructors

Four new teachers have been added to the faculty list of the Barrington public schools for the fall term, according to a report made by E. S. Smith, superintendent of schools. The new teachers are replacing those who have accepted teaching positions at other schools this year.

Miss Gertrude Sigler of Minneapolis, Minn., has been secured to teach the commercial courses in the senior high school. She fills the vacancy left by Miss Althea Christenson, who has joined the faculty of the University of North Dakota.

Miss Sigler received her bachelor of arts degree at Stout Falls college, Stout Falls, S. D., and did other work at Gregg college in Chicago. She has taught for three years and is coming here from Gregory, S. D.

Carl J. Bernhart, a resident of Detroit, Mich., is coming here to take over the post of music supervisor left vacant by Miss Adelaide Ewing, who will be teaching in the south this year.

Mr. Bernhart is a graduate of the Hinsdale township high school and received his bachelor of music degree at Oliver college. He has also a A.B. degree. Mr. Bernhart taught last year at Bentley junior high school in Flint, Mich.

Miss Sara Trexler of Spencer, N. C., is also a new member to the teaching staff. She is a graduate of Northern Illinois State Teachers' college and has taught for two years at Glenwood school, Genoa, Ill. The other newcomer to the faculty is Miss Grace Teague of Pittsburg, a graduate of Northern Illinois State Teachers' college. Both Miss Trexler and Miss Teague have B.S. degrees.

Miss Teague will teach home economics in the place of Miss Margaret Kverenz and Miss Trexler will teach first grade. Miss Edna Walker taught first grade last year; will be in charge of the kindergarten in place of Miss Adahliff.
