Urges $432 Saving in Operation of Traffic Controls by Village

A saving to the village of Barrington amounting to $432 a year may be possible if the recommendation made by Village President Rudolph L. Berg is successful in meeting the approvers or the state highway engineers. The Village Pres. Mr. Berg informed the board Tuesday night that he had been operating the traffic control signals on Main street, Hough street and Hough street and Northwest highway should he and the board find it expedient to the municipality from the collection of state gas tax money.

To the best of his recollection, he said, a law was passed by the last general assembly permitting municipalities to do this, and that village Clerk Arthur C. Bunsen and the state highway department in Springfield for information on the matter.

Mr. Bunsen told the board it cost $18 a month to operate each group of traffic controls. During a year's time, he stated, this amounted to $432. The village spends more than $5000 each year for street lighting and power to operate the pumps in the water system and for the sewage treatment plant.

Mother Church

While undoubtedly the first Christian church was founded at Jerusalem (Acts 1:12-14), the mother church of gentile Christianity was founded at Antioch, in Syria, by John about A. D. 40. This is the place where the disciples first began that title and was also the home of Paul and Barnabas. Paul, and the spot from which he set out on his missionary journeys through Asia.

Return From Canadian Vacation
Mr. and Mrs. Harold Carlson, 227 W. Station street, returned Monday following a vacation of two weeks in Montreal and Quebec, Canada.

Contractors to Meet With Trustees Over Licensing Proposal

The first step in a program for the licensing of local and outside building contractors, which may later be broadened to include other phases of business, will be discussed at a meeting to be held in the village hall Friday night. Local contractors will be invited to meet with members of the ordinance committee, headed by Trustee Frank Schaumburg, to discuss the rules and regulations and license fees.

The plan for the meeting and program was approved at the village board meeting Tuesday night.

Licensing of contractors is a suggestion made at various intervals to the board by members of the business, who point out that a closer regulation of building practices would be possible if the village assumed authority over the local situation.

Local Brevities

George Miller and son Bruce, Dale Mayfield and J. H. Kuhlman enjoyed a fishing trip at Gordon, Wis., from Friday to Tuesday.

Mr. and Mrs. J. H. DeBolt, 216 W. Lake street, attended a reunion of the Preider family at Chenoa last Sunday. There were 51 persons present.

Miss Janet Hill, 214 W. Lake street, teacher at Barrington Community School, returned Monday following a vacation at her home in Park Ridge, Illinois.

John F. Bender and John Schaumburg, 111 E. Liberty street, attended the Widmayer family reunion at the W. C. A. camp between Elgin and St. Charles Sunday. Approximately 300 persons were present.

Peter Cullen, son of Mr. and Mrs. John Cullen, 419 W. Main street, who entered Sherman hospital in Elgin Sunday, returned home Tuesday and is reported to be greatly improved.

The official board of the Methodist church met at the church Wednesday evening.

Pickaxe Taxes

The city tax on Pickaxe Island, of mutiny of the Bounty fame, is for 12 cents for a gun license. The money is used to buy ammunition for the chief magistrate, Adam Christian. $1,000 a year are collected and used for mission work in other parts of the Pacific. The island has a population of 150 people, 50 dogs and 50 goats are its only live stock.

Mechanical Ears

Mechanical ears, a new device, "hears" the grass growing in order to warn of a plane attack. The ears are aided by vapor light to illuminate the sky.

DRIVE CARFULLY

Barrington Township Personal Property Assessment Done

Assessor John S. Clark today announced that the 1939 personal property assessment for ten of the 30 township outside of Barrington has been completed. The assessed value of the property in these towns (exclusive of railroad stock and the assessments made by the state tax commission) amounts to $3,184,110 as the assessed value for the same township was $3,559,576 in 1938, before revisions.

Assessment books for the ten township towns are submitted to the board of appeals and publication made of the notice to the taxpayers. This is the first transmittal of the work to the board for review.

Following are the assessments for the individual townships:

Township	'39 Assessor's Val.
Barrington	$ 337,928
Berner	810,877
Calumet	1,649,963
Elk Grove	1,342,332
Hanover	199,907
Palatine	1,189,000
Norwood Park	75,534
Leyden	1,128,000
Palos	152,746
Schaumburg	94,778

Record Stands at Five

Medical history continues to sophisticated cases in which more than one husband have been produced at one birth, despite denials of experts and records to the contrary. Recently there was a case reported in Hamelin, Germany, which epitomizes the alleged birth of triplets, or seven infants, within three weeks in 1900.

Meats Are Imitative

A Mongolian idiot has abnormally short thumbs and little fingers, a small and slanting eyes similar to those of the Mongolian race, but rarely live to maturity and during life cannot distinguish what is to be institutionalized. They have a good disposition and are lively and imitative.

Horses Don't sell your old rattling horse for what you can get. Let us know and we will make it worth your while to us—we pay $18 each. Also crippled and injured horses picked up day or night. We pay $3 and upward for them. Call and guarantee humane death.
