Remove Objections to New Park Drive

A quit claim deed for 12 feet of property that has held up progress on the construction of a new drive into Northside park was presented to the village board Monday night by M. H. Schreiber, chairman of the Lions club committee, sponsors of the new entrance. The 12 feet in question was park property that had been erroneously platted and title recorded in the name of George W. Ayer, whose land adjoins the park. Mr. Ayer agreed to the quit claim deed after the error had been discovered in a re-survey made recently.

The Lions club property, extending west from Hough street to the park, will be turned over to the park board, which in turn will dedicate it to the public as a street. Then, it is proposed, the village of Barrington will improve the roadway with black-top or concrete surface and sidewalks.

A meeting of the village street committee and park board committee will be held in the near future. R. L. Berg is the chairman of the village group and T. R. Davis heads the park committee.

Red Cross Roll Call Starting This Week

The annual Red Cross roll call will be started in Barrington on Armistice Day and will continue until November 30, according to Mrs. R. D.
