\$120,398 Tuition Is Due Schools in Lake County

Ela Has \$201.13 Coming for Non-High District Pupils

Tuition due nine high schools in the Lake County area for the school term just closed amounted to \$120,398.50, according to W. C. Petty, county school superintendent.

Petty released the figures following a session of the school board in which schools submitted the cost of educating tuition pupils during the year just closed.

For the year previous the tuition paid amounted to \$116,531, according to Petty.

While the cost of educating these children showed an increase it was due to the increased enrollment.

The non-high school board represents the townships, or portions of townships, in the county that are in the high school district. These children in this area go to the nearest high school, and most of their education is defrayed by taxes spread over the non-high school district.

One of the heaviest populated areas in the non-high school area is the town of Zion, which embraces the City of Zion, and a portion of Shields, in which a part of North Chicago, all of Lake Bluff and all of Lake Forest, lie.

In the past year Grant, Antioch, Libertyville, Elia and Waukegan showed the cost per pupil, while Warren, Arlington Heights, Wauconda and Deerfield-Shields showed increases.

While Arlington Heights does not come within the county boundaries there are six pupils from Lake County attending school there.

The table on per capita cost for the last two years is as follows:

Twp.	1931-32	1930-31
Grant	\$20.36	\$20.00
Antioch	167.21	174.00
Libertyville	171.00	203.74
Wauconda	212.00	100.00
Ela	201.13	142.00
Warren	227.07	224.00
Arlington Heights	216.00	189.93
Deerfield-Shields	230.25	243.32
Waukegan	194.72	200.00

Life Guards Put On at Beaches in Waukegan

At least part-time protection for the hundreds of swimmers who daily visit the waterworks beach was in view Wednesday following city council action increasing hours of two life guards now employed at the regular municipal beach.

Albermar Paul T. Griffin, recreation committee head, who made the recommendation before the council stated on questioning from another alderman that it is highly possible the guards may be stationed for a few hours each day during the rush hours at the waterworks beach.

The great popularity this year of the waterworks beach has led to repeated demands for adequate protection for swimmers there. At the same time, those who frequent the place are anxious to have someone present to enforce rules for keeping the beach free of refuse.

With the increase in working hours for two of the present guards comes an increase in pay of five dollars a week. The two men coming under the new council rule are James Smythe and Clayton Christensen.

Church-Simpson Recount Votes Before Judge Lynch

Circuit Judge Thomas J. Lynch of Chicago Wednesday started considering the 534 contested ballots in the recount of the republican vote between Ralph E. Church and James Simpson, Jr.

The outcome of the court's ruling will determine the nominee for congress in the 10th district.

The Lake County ballots were the first submitted to the court.

Experts who worked on the ballots, expressed the opinion that the action on the ballots under protest probably would make little difference in the vote, in that rulings would strike evenly for and against the contestants.

In closing the count of defective ballots and those supposedly not voted Church picked up 20 votes and Simpson 18, but these ballots also are subject to the scrutiny of Judge Lynch.

Not taking into consideration the ballots under protest, Church carries a lead of 130 votes over Simpson.

Man Seized With Cramps Drowns in Small Pool

Chicagoan On Outing Sunday Loses Life in Libertyville Gravel Pit

After dragging a gravel pit near Libertyville for nearly eight hours, Police Chief Frank Druba and William Lightbody recovered the body of Frank Kozorowski, 44, a Chicago truck driver who drowned in the pool at 7:30 o'clock.

Kozorowski with a party of friends and his family drove from Chicago to Deer Grove for a Sunday outing, and late in the afternoon went to Libertyville to visit Ralph Brzezinski.

Near Brzezinski's home at Fifth street and Hulbert court in Libertyville is the old gravel pit, now known as Liberty lake, and often frequented by swimmers.

Kozorowski went swimming with his friends just before supper and after eating a heavy meal he again set out for the pool.

A number of persons about the place stated the man dove in the water, swam about 25 yards from shore and went under the water without making any outcry. His body did not come to the surface.

Eight men about the pool dove repeatedly in an attempt to recover the body from 12 feet of water but were unsuccessful. Chief Frank Druba was called and he set out in a row boat with Lightbody to drag the pool where Kozorowski went under.

The two men worked until 2 o'clock in the morning then quit to resume the work at 6 o'clock. Drapping hooks brought up the body at 8 o'clock.

Maynard Stars in Western Picture on Catlow Screen

Helen Twelvrees Is Heroine in "Unashamed" Here Next Week

Saturday night brings Ken Maynard and his trained horse "Tarzan" to the Catlow theatre.

It is a story of the days of open range before the law had established itself in the cattle towns. Ken is even a hand who has forsaken his hand for a life in one of the smaller towns of a pal who had been killed.

The box "Paterfamilias" played "The Dark Horse" which holds mirror up to the present political nation with all its distortions, comedy and its wire-pulling comes the screen Sunday and Monday nights. Warren William, seen recently in "The Mouthpiece" is the cast, supported by Betty D. Gay, Kibler, Robert Warwick, others.

The story concerns the "Maker of Men" (William) whose personification sweeps everything before him, except in his own domestic, financial difficulties.

Short subjects for this show include a comedy, travesty, news cartoon and a community sing.

Thursday and Wednesday nights many followers of Tom Mix will be able to see his new picture "The Bad Man." Action, thrills and devil stunts will serve to emphasize plot of more than usual value.

Helen Twelvrees, who gave an outstanding performance in "State's Attorney" will be seen a week Thursday and Friday nights in "Unashamed." She is supported by an unusually strong group of stars among whom are Lewis Stone, Rob Young, Jean Hersholt, and J. M. Milner.

"Unashamed" is the story of a woman who is put against her own brother in a remarkable courtroom drama.

Interesting Origin of Legal Term "Indenture"

Legal documents of varied type and value have accumulated in a collection of the Business Historical Society of Boston. A recent bulletin of the society calls attention to the indenture, especially the words "This Indenture" with which a document, dating from James' reign, begins. The document gives a full and complete history of the legal term.

"It has been the custom in ancient Europe to regulate, upon an occasion the payment of an attorney and clerk of court, according to the number of pages which they had to write; the court, however, being so many lines, and each line many words. In order to forestall their payments the attorneys' clerks contrived to multiply words beyond all necessity."

The word "indenture" in law has an interesting origin. Formerly, in entering a deed in court, the parties to the document were on a single sheet with a blank strip between them. The two parts were then detached or "indented" by being cut apart in an irregular line.

Some Unemployed at Soup Kitchen Refuse to Work

Waukegan Communists Declare Township Owes Them a Living

Deflections in the ranks of alleged

communists in the "Little Soup

Kitchen" of Waukegan Tuesday be-

came evident when some of the men

appealed to Supervisor Harold E. Pil-

liffant to transfer them to a soup kit-

chen on the extreme south end of the

city.

All groceries were cut off to the

little kitchen Monday when the men

refused to work on the grounds that

it would amount to forced labor.

Pilliffant told them they could

either work at tasks given them by

him or he would cut off their sup-

plies. There are 25 being fed at the

little kitchen and 95 at the larger

one.

Agree to Work

Those in the big kitchen immedi-

ately agreed to work and each day

working parties of about five men go

to the Oakwood cemetery where they

are putting the property in shape.

They still receive supplies.

The men from the little kitchen

told Pilliffant, he said, that they were

willing to work for their living but

that they could not as long as they

were at the little kitchen where the

leaders think the township owes them

a living.

Pilliffant is to send a working

crew to the baseball diamond on the

park board tract at Glen Flora ave-

nuce and North avenue.

Barrington Hills
Gives Invitation
Tourney for 110

Nine Clubs Are Represented;
Golf and Bridge Are
Chief Features

One hundred and ten women, representing nine country clubs from the Chicago region, were guests of the women members of the Barrington Hills Country club at the annual invitation tournament on Friday, July 22. The entire day was devoted to entertaining the guests. Bridge was played, and a luncheon was served, but the golf tournament was the principal event of the day.

First honors was won by Miss Janet Willard of the Exmoor Country club, who made the lowest gross score. Miss Willard's complete score was 95-10-85. Second place honors were given for the lowest net score, Mrs. W. T. Allen of Glen View had a 96-10-80, the best net score. Mrs. C. Beebe and Mrs. E. J. Doyle of Evanston tied for third place with an 81. Their complete scores were 90-18-81 and 112-31-81, respectively.

The country clubs that were represented in the tournament were: Skokie, Evanston, Glen View, Exmoor, Indian Hill, Briar Gate, North Shore, Knollwood, and Onwentsia.

The men's invitation tournament, a new event for the Barrington Hills Country club, will be held on August 3.

Ball sweepstakes at Barrington Hills were won Saturday by G. G. Bots, 54-11-73. Second and third places were won by E. T. Mischler, 93-18-75 and S. A. Goodman, 84-7-77. Complete scores cannot be given in the better-half, Oak Knolls, and boys' junior championship events as all of the matches were not played over the week-end.

Methodist and Jewel Teams
win as Last Half of
Season Opens

By upsetting the St. Anne's team 10 to 4 the Salem boys strengthened their hold on first place in the Barrington Softball league standing Friday night. Had the outcome of the game been reversed the two competing teams would have tied for first place, but now the Salem team is two games ahead of St. Anne's.

The Salem sluggers pounded away at the St. Anne's pitcher until he was knocked out of the box in the third inning. Two home runs were rung up by the winning team, Beuscher, Gieske, and Schroeder getting one apiece. Beuscher's home run in the third inning with two aboard proved to be too much for St. Anne's pitcher.

The Methodist-St. Paul contest developed into an interesting game when the supposed weak batters of the former plattered the St. Paul pitcher for 30 hits and won with a score of 18 to 8. McGowan, Methodist center fielder, had a 1,000 per cent record at bat and in the field.

The Jewels defeated the Baptists 3 to 2 in the third game on Friday night. The score reveals that the Baptist pitching and fielding has improved, but the team is still weak at hitting.

The present standing in the Softball league is as follows:

Won	Lost	Pct.
Salem	7	.575
St. Anne's	5	.325
St. Paul	4	.500
Methodist	3	.429
Baptist	0	.000

The games scheduled for Friday night are: Salem with Methodist, St. Paul with Baptist, and Jewel with St. Anne's.

SHE REDUCED 38
POUNDS THE SAFEWAY

"I have been taking Kruschen Salts for 4 months and I think they are wonderful. I am 33 years old and 5 ft. 2 in. tall. I was very fat. I weighed 165 lbs. and now I weigh 127 lbs. and feel fine. If I let up taking the Salts one morning I feel lazy and heavy." Mrs. Florence Loftus, Boston.

This is just one of hundreds of letters we get every month—Kruschen not only causes you to lose fat but while you are losing it you gain in health—in vivaciousness—you lose fat where fat is most prominent and at the same time keep stomach, liver, kidneys and bowels functioning naturally.

All druggists in the world will sell you a jar of Kruschen for a trifling sum—take one-half teaspoonful in a glass of hot water every morning—go light on fatty meats, potatoes and sweets. But for your health's sake demand and get Kruschen Salts—imitations are numerous. It's the little daily dose that does it.
