From 20 to 30 Per Cent Gain Reported in Total Registration of Voters

Approximately 30 per cent increase in voters' registrations in Barrington township and a 20 per cent increase in registration in Palatine township over the last registration held in 1930 were reported by the precinct clerks following the final day for voters to declare their addresses in Cook county. These increases represent greater interest in politics on a presidential year and to some extent a population growth in the two townships.

A total of 1410 persons registered in Barrington township on the two days and a total of 1047 persons registered in Palatine township on the two days. The following precinct totals were reported:

Barrington precinct 1—Oct. 1st, 348; Oct. 11th, 268; total 616.

Barrington precinct 2—Oct. 1st, 95; Oct. 11th, 135; total 230.

Barrington precinct 3—Oct. 1st, 285; Oct. 11th, 288; total 573.

Palatine precinct 1—Oct. 1st, 530; Oct. 11th, 394; total 924.

Palatine precinct 2—Oct. 1st, 428; Oct. 11th, 290; total 718.

12,600 Eggs Are Smashed, 2 Men Hurt in Accident

Truck Hits Culvert West of Barrington After Driver Falls Asleep

Two men were severely hurt, a truck was wrecked and burned up, and 12,600 fresh eggs were smashed onto the pavement and shoulder of the Northwest highway just west of the village limits of Barrington at 4:30 a. m. Monday because a tired driver allowed himself to fall asleep at the steering wheel.

The two men were J. H. Hannemann, 4141 North Hamlin street, Chicago, owner of the light truck and Michael Carvens, 1878 Orchard street, Chicago, driver of the truck.

The load of eggs which had been purchased in Wisconsin Saturday and Sunday for slightly more than \$200 was being transported into Chicago. As the truck approached Barrington, Carvens fell asleep. The vehicle turned over to the left of the road and off the paving. Carvens awakened and jumped on his brakes, but the heavily loaded truck plowed into a concrete culvert and tipped over.

The body of the machine was hoisted over the cab onto the pavement where it was crushed, egg whites and yolks flowing in all directions.

Catchers Fire

The gasoline tank was ripped open and gasoline was sprayed over the chassis and cab. Fuel from a broken pipe in the motor flowed freely into the body of the truck lying beside the chassis. Almost immediately after the crash, the wreckage was in flames.

Both men crawled out of the wreck without being severely burned. Carvens, however, did receive a blister on one hand. Both of Hannemann's legs were lacerated, the heel on one foot was crushed and the toes nearly cut off.

He may have received internal injuries. Carvens' right knee cap was fractured, and his forehead, nose and lip were badly cut. The men were taken to the Barrington General hospital for treatment and later transported to their homes in Chicago.

The accident occurred near the Krone and Simons service station. Krone and Simons hauled the wreckage off the pavement and into a vacant lot beside their station.

President of Illinois Teachers Association Will Address P. T. A.

C. H. LeVitt, president of the Illinois State Teachers' association will address the Barrington Parent Teachers' association Monday evening, Oct. 17 at eight o'clock in the school auditorium. He will take as his subject, "The Firm of Parent, Teacher, Pupil and Community."

Mr. LeVitt has been a school man for 30 years and was formerly a member of the faculty at the Northern Illinois Teachers' college in DeKalb. The ladies' quartet of the Salem church will sing and there will be one number on the program from the school. The meeting will be open to all who are interested in school work.

Civic Clubs Urge Bond Approval to Avert Tax Boost

Springfield, Oct. 13.—Civic organizations throughout Illinois are urging voters to support the \$20,000,000 emergency relief bond issue which will be voted on at the election November 8. Statewide and Cook County Relief bond issue committees have already been appointed, and they are at work educating the voters on the provisions of this bond issue.

The statewide committee is headed by Earl Smith, president, Illinois Agricultural association, and the Cook county group is under the chairmanship of Fred W. Saragant, president, Chicago and North Western railway.

The bond issue has been endorsed by such representative organizations as: Chicago Motor club, Civic Federation, and Bureau of Public Efficiency, Illinois Chamber of Commerce, Illinois Bankers' association, Illinois Federation of Women's club, Illinois Manufacturers' association, Illinois Press association, and the Illinois State Federation of Labor.

If the bond issue receives a majority of all votes cast for members of the general assembly at the November 8 election, an increase of from 35 to 40 cents in the general revenue property tax rate will be averted. If the bond issue does not receive a majority of the votes cast, this increase in the tax rate will be automatically collectible in 1938, when the state general revenue tax rate will be from 74 to 79 cents per \$100 assessed valuation instead of 39 cents, which is the present rate.

The reason for this is that the members of the general assembly voted a \$26,000,000 state tax levy last February. They did this so that the Illinois Emergency Relief commission might sell state revenue notes in order to obtain funds that were needed for relief work in areas in the state in which distress was particularly acute.

Lois Bederske Breaks Arm

Lois Bederske, six year old daughter of Mr. and Mrs. John Bederske, 113 S. Hager avenue, fell from a slide at school Tuesday morning about 8:30 o'clock and broke both bones in the right arm between the wrist and elbow. A local physician called for the little patient and she is cared for nicely.

Farm Donations Will Be Picked Up October 19th

Barrington and Cuba townships and parts of Elia and Palatine townships will be traversed next Thursday, Oct. 20, by trucks and crews which will collect donations for the Barrington Relief Committee store room in the form of vegetables, fruits, meat, clothing, etc., to be distributed later to needy people of the community.

Three or four trucks, manned by representatives of men's civic and patriotic organizations, will be driven along nearly every road in the rural community surrounding Barrington, according to plans of the relief organization. The Lions club, the Chamber of Commerce, the American Legion and the Barrington Business club will be each represented by three men and a truck. M. H. Schreiber, chairman of the committee, said, "These trucks will bring back enough food to relieve the heavy demands on the charity organization which are bound to come in late fall."

Prior to the truck campaign next Wednesday, women workers will telephone nearly every farm in the district. The trucks will be driven along pre-planned routes where the donations will be waiting for loading.

Bicknell Young to Give Lecture on Christian Science Here October 20

Bicknell Young, C. S. B. of Chicago has been secured by the local First Church of Christ, Scientist, to deliver a lecture on Christian science at the school auditorium on Thursday evening, Oct. 20.

Mr. Young is a member of the board of trustees of The Mother Church, The First Church of Christ, Scientist, in Boston, Mass. The announcement of the lecture appears in an advertisement on another page of The Review.

Barrington Well Represented at Boy Scout Rally

16 Local Scouts and Officials
Attend; 150 From Northwest District

A dozen boy scouts and four adult scout officials from Barrington were in attendance at the annual fall rally held at Camp Evan Boese in Deer Grove forest preserve last Saturday and Sunday. Approximately 150 boys and men from the entire Northwest suburban area were in attendance at the rally.

The scout officials from Barrington who attended the rally were Rev. Hermann E. Koehnig, Rev. Charles R. Dussel, Charles R. Dussel, Joseph Dussel, John L. Bell, and the scouts included Lewis Wollhausen, Robert Koehnig, Herman Koehnig, Charles Koehnig, Vernon Plagge, Franklin Young, George Bjornberg, Harry Elters, and Edward Grothman.

It was exactly noon Saturday when the colors were raised on the camp flagpole with all the scouts present participating in the ceremonies. The first meal to be cooked out of doors was then prepared. At one o'clock a special class in map-making was instructed by Mr. Bell. This led up to the start of the big treasure hunt. Retreat ceremonies were conducted under the direction of Scoutmaster George of Troop 21, included an official inspection by H. M. Whitson, president of the Northwest suburban council, assisted by members of the committee.

The state-wide committee is headed by Earl Smith, president, Illinois Agricultural association, and the Cook county group is under the chairmanship of Fred W. Saragant, president, Chicago and North Western railway.

The bond issue has been endorsed by such representative organizations as: Chicago Motor club, Civic Federation, and Bureau of Public Efficiency, Illinois Chamber of Commerce, Illinois Bankers' association, Illinois Federation of Women's club, Illinois Manufacturers' association, Illinois Press association, and the Illinois State Federation of Labor.

If the bond issue receives a majority of all votes cast for members of the general assembly at the November 8 election, an increase of from 35 to 40 cents in the general revenue property tax rate will be averted. Citizens' Advisory Committee Will Meet Friday Night

Discuss Sewer Problem With Trustees and Suggest Later Action

An advisory committee of 15 citizens meeting in special session with members of the Barrington village board Friday night at the village hall will discuss the situation that exists relative to Barrington's sewer system and the court order for removal to another location.

This meeting will re-open the most important problem with which the village board is faced and one on which no action has been taken within the last three months. The board has held several private meetings with a committee from the Barrington Hills Country club and has received a final proposal of cooperation which involves a fairly large sum of money to be donated to help construct a new sanitary sewer system on a plot of ground several miles removed from Barrington.

The trustees have hesitated from taking action. For more than a year Judge Shurtliff ruled that the proposed plant must be removed from its present location, the board has been prepared to appeal the case to the supreme court.

The appeal has not been made because it is expensive, because it involves further legal controversy and because the board has desired a better way out of the situation.

County Group to Raise \$7,500,000 for Relief Work

Barrington Relief Committee
Part of New Emergency
Welfare Fund Inc.

The Emergency Welfare Fund of Cook County, Inc., of which the Barrington Relief Committee is a member, has been formed to take over the task of raising immediately a fund of \$7,500,000 necessary to carry on the normal work of Cook county's existing relief and welfare agencies during the coming year. R. Douglas Stuart, first vice president of the Quaker Oats company, has been elected president.

The Emergency Welfare Fund will, in effect, succeed the Joint Emergency Relief fund of Cook county which conducted the county campaign last year, and which now passes out of active existence. This procedure was recommended in the report of the Joint Emergency Fund's recently appointed organization committee as a means of avoiding confusion of names and purposes between the local activities and other factors in the 1932 relief structure.

Other officers elected for the new organization are: Clifford W. Barnes, A. B. Dick, Jr., and Victor A. Olander, vice presidents; Frank D. Loomis, secretary and James B. Forgan, Jr., treasurer.

Robert A. Gardner has accepted the chairmanship of the campaign committee which will raise the \$7,500,000 fund. Actual work of soliciting the money will be started as soon as all the chairmen to handle the various divisions of the drive can be selected.

Mr. Gardner announced Tuesday the appointment of Philip W. Moore, of Winnetka, to head the suburban division of the campaign. Mr. Moore will have charge of organizing individual fund raising campaigns in every community of Cook county outside of Chicago. Mr. Moore headed the Winnetka campaign committee last year.

In making the announcement of Mr. Moore's appointment, Mr. Gardner said, "Two factors make the Cook county campaign this year of even greater importance than ever before. The first is that another year of retarded business activities has increased the need by further exhausting independent resources and the second is that on the success of the local campaign will be predicated, in part at least, the extent of state and federal aid for Cook county relief from which is expected sufficient money to take care of the entire problem of strictly unemployment relief."

"The \$7,500,000 quota for the local campaign, therefore, represents an absolute minimum required by all of Cook county's relief and welfare agencies to carry on their regular work outside the field of unemployment relief. This includes free hospitalization, free clinics, child care, care of the aged and family relief where the need is complicated by sickness and other problems apart from single unemployment. It is intended to take care of the normal needs of these agencies increased from five to ten fold by existing conditions."

What to Do With Bill for Sewer Main Near Hough

The G. J. Gjelstad Construction Co. to connect the Jewel park sewer outlet with the main of the village of Barrington, but it was installed by the Gjelstad Co. without a contract from the village, according to one member of the board. Whether the village owns that part of the sanitary system, whether the village does not own it but is obligated to pay it, or whether the village should buy it and would profit eventually by so doing, are questions which will have to be decided by the board.

The installation was made, after completion of the Jewel park system. The intake end of this Gjelstad system is along Hough street just west under Hough street and south along Hough to a joint a short distance north of the E. J. & B. tracks where the outlet connects with a main of the village system.

Part of Plan?

The Gjelstad Co. installed the line to take care of flow from the Jewel Tea Co. system. One of the older members of the board (from point of service) suggested that it was installed as part of the planned system which would take care of the new subdivisions in the north part of the village. That the line was installed without a contract is the basis of controversy at the present time.

Longer Service station which is being erected along the Northwest highway near Hough street had asked permission to connect with this sewer. This permission has been held up by N. T. Maxon, chairman of the building committee of the board, until the status of the sewer involved is determined.

Barrington Will Offer Welcome to Democrat Guests

Party Leaders Escort Candidates for Senator, Governor Through County

A group of democratic party celebrities will accompany Judge Henry Horner in the vote seeking caravan through Lake county which is scheduled to arrive in Barrington at 12 noon next Monday. The band of political enthusiasts aligned with the democratic candidate for governor will include Judge Dietrich, candidate on the democratic ticket for United States senator; Charles W. Weber, candidate for congressman; William Deane, candidate for Lake county state's attorney; John O'Keefe, chairman of the Lake county central committee; Elmer Sorenson, chairman of the executive committee of the Lake county democratic organization; Leo Daley, candidate for state representative and Jack Hoff, prominent in democratic party work, and most of the Lake county precinct committee men.

The caravan is scheduled to leave Lake Forest at 8 a. m. and after stopping at several towns for brief political rallies arrive in Barrington at noon. The democrats will motor from Barrington to Lake Zurich arriving there about 12:30 o'clock. From Lake Zurich, the group will go to Libertyville and through Grayslake, Antioch and other villages of the county arriving in Waukegan in the evening. Judge Horner will deliver an address in the high school auditorium at Waukegan in the evening.

The caravan will stop in front of the Standard Motor garage in Barrington and although the gubernatorial candidate is not scheduled to make an address, he probably will give a short talk if a fairly large crowd of local people are assembled. (Councilman Snyder, Cook county vice president, has been busy during the last week making arrangements for the democratic invasion of Barrington. He appeared before the board of trustees Monday night, to ask for police escort through the village. A local welcoming committee is being organized, Mr. Snyder said.

Candidates for State's Attorney Are Conducting Aggressive Campaigns

Candidates for office, especially Lake county officers, are beginning to make their existence well known to voters in Barrington. Although all campaign funds are limited, the candidates for some offices are not letting up on the personal call type of contact.

One of the most intensive political battles in the county is that being waged by the candidates for state's attorney. William A. Deane, democratic candidate has been in town at least twice; and Charles Mason, who defeated A. V. Smith for the republican nomination is making efforts to Harrington and other Lake county villages more frequently.

Mr. Mason, accompanied by E. A. Brown of Round Lake, Attorney Lester Collins of Waukegan and John Hough of Highland Park, visited Barrington last week.

LAKE ZURICH REVIEW

Five Persons Are Hurt in Accident Along Rand Road

Autos Skid on Slippery Pavement and Crash Into Ditch

Five persons were hurt in two accidents on Rand road near Wauconda Sunday, both of them caused by automobiles skidding on slippery pavement and going into a ditch.

Richard J. Delaney, 50, of Chicago was driving a car at about 7 p. m. which skidded on the pavement and crashed into the ditch. He was accompanied by Timothy Donohue, 65, former Chicago fireman, and John White, 55, also of Chicago.

The driver received deep cuts on his face and left arm and two teeth were knocked out. Donohue received cuts on both hands and a shoulder and a scalp wound. Three ribs were fractured. White came out of the accident with a fractured rib, and a fractured left shoulder. All of the men were taken to Condell Memorial hospital, Libertyville, although Delaney was allowed to return home after preliminary treatment had been given him.

First aid was given Ed Gunderson and Roy Sharkey of Chicago, who were injured at 1:15 o'clock Sunday morning when their car skidded from Rand road and tumbled over in a ditch. Gunderson sustained a cut on his right eye and a scalp wound while Sharkey received a bad bruise on his neck.

Hardware Store and Cottage at Wauconda Robbed

Two robberies have been reported in Wauconda recently where a cottage on Bangs lake and a hardware store in the downtown district were burglarized.

The hardware store robbery occurred on the evening of October 4. The thieves broke a large plate glass window of the Blackburn and brought in a store at about 3:30 a. m. They reached through the hole they made and stole three shotguns, a rifle, a case of knives and a box of shells. Probably due to haste, the men dropped the cheapest of the guns, the box of shells and the knives. It was reported that strangers had been loitering in the downtown district in the evening. Their automobile number was copied.

The cottage belonging to Dr. Martin of Chicago on the east shore of the lake was broken into recently. The motor from the boat and several other valuable articles were stolen.

Farmers Organization

Lauds Review Board for Assessment Cut

A letter from the Lake county branch of the Pure Milk association lauding the county board of review for reducing local estate assessment by 15 per cent was received by Frank Stanton, chairman. The letter stated: "Recently your honorable body took action reducing the assessed valuation of real estate in Lake county. This of course affects the major item of a farmer's fixed charges, namely taxes."

"It is hoped this action will bring some much needed relief to our farmers whose incomes have been reduced greatly. "At the last meeting of the Lake County Pure Milk association action was taken instructing the secretary to convey to your body the sincere appreciation of our large farmer's organization of the above mentioned action on your part," the letter read. It was signed by the secretary, Frank Faulkner of Russell.

Enrollment at University

Drops Off 12 Per Cent

Registration for the fall term at the Urbana departments of the University of Illinois has reached 9203, G. P. Tuttle, registrar, has announced. These figures indicate a drop of approximately 12 per cent in the enrollment in comparison with the same period a year ago when 10,425 students had enrolled at the end of the first week.

Illinois, Iowa, Missouri Co-operate on Game Laws

Ralph F. Bradford, director of the state department of conservation, has announced that a reciprocal agreement between Illinois, Missouri and Iowa will prevail regarding the regulation of duck hunting on the Mississippi. Hunters holding Illinois resident licenses may shoot ducks on the river, but must not land on bars connected with the mainland of the adjoining states nor upon islands taxed by the lower states, with licenses, are to have the same privileges.

Bill Passed to Allow Closed Banks to Borrow From R.F.C.

Senate Bill 28, introduced by Senator Harry G. Wright, authorizing receivers of closed banks to borrow from the Reconstruction Finance Corporation to speed up payment to depositors, has passed both branches of the general assembly and has been signed by the governor. The act is to be submitted to referendum at the next general election. In his campaign as a candidate for state auditor of public accounts, Senator Wright is urging a revision of the state banking laws.

STATEMENT OF THE OWNERSHIP

Management, Circulation, Etc., Required by the Act of Congress of August 24, 1912.

Of Barrington Review, published weekly at Barrington, Illinois, for October, 1932.

STATE OF ILLINOIS, COUNTY OF LAKE—

Before me, a Notary Public in and for the State and county aforesaid, personally appeared Leslie W. McClure, having been duly sworn according to law, deposes and says that he is the owner of the Barrington Review and that the following is, to the best of his knowledge and belief, a true statement of the ownership, management (and if a daily paper, the circulation), etc., of the aforesaid publication for the date shown in the above caption, required by the Act of August 24, 1912, embodied in Section 411: Postal Laws and Regulations, printed on the reverse of this form, to wit:

1. That the names and addresses of the publisher, editor, managing editor, and business managers are: Publisher, Leslie W. McClure, Barrington, Illinois; Editor, Leslie W. McClure, Barrington, Illinois; Business Managers, L. W. McClure and Walter Winteringham, Barrington, Illinois.

2. That the owner is: (If owned by a corporation, its name and address must be stated and also immediately thereunder the names and addresses of stockholders owning or holding one per cent or more of total amount of stock. If not owned by a corporation, the names and addresses of the individual owners must be given. If owned by a firm, company, or other unincorporated concern, its name and address, as well as those of each individual member, must be given.) Leslie W. McClure.

3. That the known bondholders, mortgagees, and other security holders owning or holding 1 per cent or more of total amount of bonds, mortgages, or other securities are: (If there are none, so state.) M. T. Lacey Estate.

4. That the two paragraphs next above, giving the names of the owners, stockholders, and security holders, if any, contain not only the list of stockholders and security holders as they appear upon the books of the company but also, in cases where the stockholder or security holder appears upon the books of the company as trustee, or in any other fiduciary relation, the name of the person or corporation for whom such trustee is acting, is given; also that the said two paragraphs contain statements embracing affiant's full knowledge and belief as to the circumstances and conditions under which stockholders and security holders who do not appear upon the books of the company as trustees, hold stock and securities in a capacity other than that of a bona fide owner; and this affiant has no reason to believe that any other person, association, or corporation has any interest direct or indirect in the said stock, bonds, or other securities held as so stated by him.

LESLIE W. MCCLURE, Owner.

Sworn to and subscribed before me this 4th day of October, 1932.

HAY JURIS, Notary Public.

"I've found this the best way!"

This successful salesman was asked how he was able to do so much better than many others in the organization. "I use out-of-town telephone calls to pick up repeat orders—it gives me more time to develop new business," was his reply. Every organization will find selling-by-telephone an aid to greater sales. It's inexpensive, too.

Just try it once..

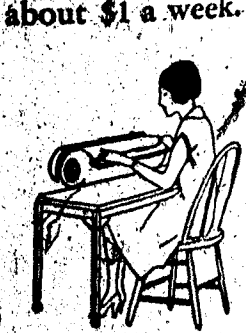

You'll agree that letting one of these Thor washers do your washing is wonderfully easy and economical.

MAY we show you in your home how quickly, how efficiently the Thor speeds through a full week's washing? There's no obligation. We just want you to see how perfectly the Thor electric "agitator" boaxes dirt out of clothes—without preliminary soaking or rubbing. And how conveniently the power wringer gets clothes ready for the line. Your hands need hardly touch the hot sudsy water. Try it yourself and discover how easy it is to finish an average week's wash in two short hours.

SPECIAL OFFER

For a limited time we're offering special "Little by Little" terms on Thor washers—only \$2.50 down and \$4.10 a month for 18 months! (Cash price is \$69.50.) Here's a real chance to modernize your home laundry—to save yourself a lot of tedious work—to cut your laundry bills down to about \$1 a week.

Special terms, also, on the Thor table ironer (pictured right). This new model is now only \$2.50 down and \$4.10 a month. (\$69.50 cash.) Wouldn't you like to iron in about one-third the time—sitting comfortably in a chair?

WHEN death visits a home, one of the important duties of the bereaved family is to acknowledge the many expressions of sympathy from neighbors and friends. However, this requires a great deal of painstaking attention. As a regular part of our service, we keep records of all messages, calls and floral offerings received, and supply appropriate cards of acknowledgment after the funeral is past.

Commerce Commission Not Responsible in Insult Crash

No blame can be attached to the Illinois Commerce Commission for the recent failure of several so called insult holding companies, as these companies are not under jurisdiction of the commission.

This was the substance of a statement issued by Chairman G. Gale Gilbert. The statement, the commission explained, is intended to clear up apparent misunderstanding in the public mind as to responsibility for failure of these companies.

The commission pointed out in its statement that all actually operated electricity and gas utilities under domination of the insult group, which fall within the limits of the commission's supervision are solvent and financially sound and are giving an uninterrupted service to the public. Willingness to investigate thoroughly any alleged irregularities in the affairs of the operating companies under its jurisdiction was expressed by the commission. To date the statement said no such alleged financial irregularities have been called to the commission's attention.

Gold Star Motor Buys 3000 Cubic Foot Semi-Trailer Moving Van

The Gold Star Motor Co. has added a moving van to its equipment which is about the final word in expensive and modern motor transportation vehicles.

The new van is of the semi-trailer type and has a 14,000 cubic foot capacity and 3000 cubic foot of space. It is completely covered and its weight is distributed on ten wheels. The company plans to use it principally for moving household furniture and other commodities not transported on regular scheduled hauls.

In the consideration of the sub-

ject your chairman has in mind that

the local dealers who have money in-

vested in concerns supplying milk

(either raw or pasteurized) should be

given some measure of protection to

guard against indiscriminate flood-

ing of the market with milk from a mul-

titude of dealers. Your chairman

has it in mind that the primary

interest of the village officials is the

reasonable insurance of a supply of

safe milk. Consideration will also

be given to the economic phase of the

subject.

It is the hope of the chairman

that the committee will be able to

work out a plan whereby citizens and

dealers will be prevented from gross-

ly endangering the health of the com-

munity; and yet give free range to

the right of each citizen to make his

purchase of legitimate commodities ac-

cording to his own needs

and circumstances.

Reports of New Car Sales Show Fords in First Place

Since June when volume deliveries
of the new Ford V-8 began, Ford has
led all competitors by a wide margin
in sales of passenger cars, commercial
vehicles and trucks, according to
figures reported today by D. J. Heffernan
of Heffernan and Winn, local
Ford dealers.

Ford took the lead in national motor
car sales in June, increased his
lead in July, as production of the
new Fords mounted, and maintained
the lead throughout August, according
to reports for that month already
received from 34 states. Mr. Heffernan
declared. In addition to this, the
latest reports also reveals that Ford
led in sales in the largest cities during
the first 10 days of September.

In June, the first month when vol-
ume deliveries of the new Ford cars
were available, Ford's share of total
passenger car sales in the United
States reached 35.9 per cent, as com-
pared with 24.9 per cent for its near-
est competitor. Ford commercial cars
were 50.5 per cent of all such vehicles
sold, as compared with 37.6 per cent
for its nearest competitor, while Ford
trucks represented 35.7 per cent of
all truck sales, as compared with
27.6 per cent for the nearest com-
petitor.

Ford sales in July, as revealed by
official registrations, mounted over
June figures and Ford's share of the
business was increased. Ford pas-
senger car sales reached 38.4 per
cent of the total business as com-
pared with 24.2 for its nearest com-
petitor. Ford commercial cars were
54.4 per cent of all cars sold, giving
Ford a greater percentage of the total
business than all other manufacturers
combined. The Ford share of national
truck sales was 34.4 per cent as com-
pared with 27.1 per cent for its near-
est competitor.

The reporting of registrations in
August in the various states is not
complete but on the basis of reports
thus far received from 34 states, Ford
sales again led the field, Mr. Heffernan
said.

Since volume deliveries of the new
Fords began in June, Ford has ac-
counted for 32 per cent of all new
passenger car sales in Illinois, as
compared with 22.5 per cent for its
nearest competitor he added.

\$212,849 Authorized for Road Work in 11 Counties

Eleven Illinois counties were au-
thorized to spend a total of \$212-
849.26 on their county highway sys-
tems, from state-aid funds and motor
fuel tax allotments during the last
week of September, according to a
tabulation made by the division of
highways.

The approval by the state depart-
ment of public works and buildings of
the contracts awarded by the coun-
ties, the highway officials stated, will
provide a vast amount of employ-
ment. Most of the funds to be ex-
pended are for various types of grave-
l roads, the cost of which goes
principally, to local labor. A tabu-
lation of the amounts to be expended
in each county follows:

Barren \$ 5,424.07
Calhoun 2,741.04
Winnebago 1,080.55
Effingham 12,089.31
Cook 33,895.51
Livingston 90,871.85
Madison 2,715.25
DeKalb 16,570.70
McLean 23,454.70
Woodford 5,382.80

pavement. The trustees, on advice
of the village attorney decided that a
resolution such as that up for pas-
sage would not give the state any
further control of the street nor the
right to widen Hough street.

Water Bills Delinquent

The village clerk reported that 40
water users had become delinquent on
payment of their latest bills after
having paid up-to-date on earlier bills
as the result of special urging. The
board instructed the clerk and super-
intendent of water to shut off the
water without further notice.

The clerk read a letter from the
state commerce commission that the
request of the village board for an-
other hearing of the Gold Star Motor
Service application for right to op-
erate had been granted. The rehear-
ing will be held on October 27.

Request of the Public Service Co.
of Northern Illinois for a five year
contract for sale of power to the vil-
lage to operate the pumps in the
water plant was held over for dis-
cussion at another meeting. The
trustees offered a three year contract
at the annual rate available but ob-
jected to a five year contract. Copies
of the Public Service Co. franchise
will be procured and studied before
the contract for power for water
pumps will be signed.

Barrington Lions Club
Pin League Organizes for
Opening of Series Monday

The Barrington Lions Club Bowl-
ing league will officially open its
season at the Barrington Recreation
center Monday night with two teams
of eight players each entered. J. W.
Langdale and Louis Miller have been
appointed captains of the two teams.
As in the past season, total points
and not games will determine the
winning team. The teams follow:
Langdale—J. W. Langdale, P. H.
Pohlman, Earl Schwamm, E. Miller,
J. W. Willard, A. Greengard, W. Catlow,
L. W. McClure.
Miller—Louis Miller, Q. R. Paul-
son, A. D. Church, F. Plagge, A. W.
Davy, A. Sass, J. Catlow, N. O.

Bets Against Yankees;
Girl Makes Cub Fan
Pay Her in Full

Never bet against the Yankees with
a woman who will make you pay.
Steve Banko of North Chicago learned
from Peggy Seifert, pretty fan
who had confidence in Babe Ruth,
et al.
Last Wednesday evening Peggy,
who laid a wager on the Yankees
against Banko's Cubs, proudly rode
home with a check for \$200, the
Chicago city hall in a wheelbarrow,
with Banko doing the pushing. Displaying
a card reading, "I bet on the Yanks,"
Betty was the center of attraction
all along the route, while Banko,
amid the jeers of Yankee fans, set a
record in pushing his fair cargo the
required eight blocks.

23,000 Acres of Parks
in Illinois Cities, Counties

There are 908 city and county
parks in Illinois, totaling 23,352.4
acres, the National Recreational
association has announced. Enforced
leisure due to unemployment has
raised adult attendance at parks the
country over, the report points out.
Chicago of Illinois improve upon the
record of other cities in meeting
the standard for adequate park space
set by the association—one acre of
park for every 100 persons.

Reviews Lead Pin
Toppling in First
Week of Schedule

Jefferson Ice, McLeister's
Miller Brothers Each
Win Two Games

The Barrington Review pin top-
plers blazed forth for a three-game
triumph over Lipofsky. Clothing in
the premiere of the Barrington Bowl-
ing association at the Barrington Re-
creation alleys Tuesday night of last
week. It was the only one of the
eight teams to keep a clean slate for
the first week of play.

The Clothing came within five pins
of the Reviews mark of 848 in the
second game but fell short of their
threat in the third game when the
Reviews garnered 852 napsles.
The leading individual maple man-
ners for the week were Frank Schro-
eder of Shop's Confectionery, quint
with 195-211-204 and C. Mc-
Gowan, anchor man of the Greenard
Grill team, with 227-195-169-538.

Sales Tax Bill Advances to Its Second Reading			
At the session of the Illinois legis- lature for the week October 1, the county optional sales tax and state- wide tax bills were advanced to sec- ond reading in the house. The county optional sales tax bill was defeat- ed in the senate but the record of the vote was expunged and the measure remains on third reading. In its present form this bill applies only to Cook county. The house bill includes all counties of the state.

Elden Gieske Is Made Chairman Dist. Campaign

Barrington Man Will Have Charge of Welfare Fund Drive in 4 Townships

Organization of the Emergency welfare fund campaign for \$7,500,000 in Barrington, Palatine, Wheeling and Northfield townships of Cook county will be carried on under the direction of Elden Gieske of Barrington who has accepted the vice chairmanship of the two of the suburban division district two of the suburban division.

Mr. Gieske's appointment was announced this week by Philip W. Moore, general chairman of the suburban division of the campaign.

In making announcement of Mr. Gieske's acceptance of this responsibility, Mr. Moore stated that for the purpose of building a thorough organization for the emergency welfare campaign in the communities outside of Chicago, the county had been divided into a township basis into seven suburban districts. Each district will be organized for the purpose of carrying out a campaign in the township.

Mr. Gieske has been a member of the Barrington relief committee which handled the relief in Barrington the past year under the supervision of the Joint Emergency relief fund.

To Start Nov. 14

The general drive for Cook county's emergency welfare fund of \$7,500,000 for relief and welfare needs, outside of unemployment aid during the coming twelve months, will be started Monday, Nov. 14, it was announced by Robert A. Gardner, general chairman of the campaign, at a dinner meeting held Monday at the Chicago club of the preliminary gifts division of the campaign.

The preliminary gifts division which will precede the general public solicitation in November, got under way at this dinner. Gifts totaling \$435,000 were announced before the close of the meeting, which was attended by 200 business and civic leaders of Chicago and Cook county.

Melvin A. Traylor, president of the First National Bank of Chicago and an associate chairman of the campaign, declared that \$7,500,000 was set as a goal after an exhaustive study of the actual relief needs of the county; that raising the fund is as important as caring for the unemployed this winter.

"A year ago we were all striving desperately to avoid what we then thought was the possibility of a dole, relief at state or public expense," Mr. Traylor said. "Since then we have spent \$18,750,000 of state funds and have gone to the federal government for still more. But that aid, based on public funds, cannot go to those who are hungry, destitute, sick and cold who cannot be classed as unemployed."

School Children Enjoy Illustrated Lecture

The pupils of the high school, junior high school, and fourth and fifth grades and many adults enjoyed a highly educational illustrated lecture given by Norman McClintock of Rutgers university, New Jersey, Friday afternoon in the high school auditorium. The lecture was illustrated with moving pictures of growing plants.

Wood for the poor, formerly distributed through permits issued by the general office of the forest preserve district, has been discontinued. The demand being greater than the supply is the reason given by Charles D. Bauer, general superintendent of the forest preserve district. He said that the forest preserve wood will be distributed by recognized charitable organizations. Superintendent Sauers said.

"Last year we combed the preserves thoroughly. Trained foresters marked and cut trees. These were felled. General headquarters office kept up with the demand, and thousands of cords of wood were given to the poor. This year, however, the supply is very limited. Permits given out recently by headquarters office have been recalled. Applicants may now go to the resident Sauers explained.

Frequent arrests have been made of persons coming into the woods and cutting their own trees. Vigilance will be maintained against such violations. 1 and 1 trees found cutting wood will be felled. Superintendent Sauers said.

After Election What?

Business prognosticators who predicted the upward trend in September, because of the uncertainty in the election, now predict that the business will resume its upward swing in November following election.
