The Rights of Tramps. he supreme court of lown insists the trains has right such must be respected. It says in effect that ea a nomadic individual is uncertainty to the right such considerate control to the right such as the rig

postation.

If appears that one Joseph Johnson, a gratitenam of leiture and of pertamentary of the pertame

rights," as it were, of a jaultor, it will not be surprising if parents who live in apartments send their sons to jami-tors to be educated, instead of to a college, as the principles of independ-sence could be more thoroughly in-stilled into the minds of the young, it he longer will be necessary to teach the roung idea how to shoot, but how to "janttor."

A WOOER'S FINGER TALK

Stern Parent Cleverly Outwitted by His Daughter's Lover. Ht. Daughter's Lawre,
John Constook of Wilkerbarre, Jen,
John Constook of Wilkerbarre, Jen,
has a daughter, Mary, who is very
pretty and so young that he determined
she should not marry for several years,
when young men came to woo, Constock always remained in the room,
and the closing hour was 10 o'clock
Mary was never allowed to you
any where you are wilkerbarre disparts, by any wilkerbarre disparts, by any wilkerbarre dis-

anywhere, says a Wilzesbarre dis-pared. Well, who was Mary's first sweetheart three years ago, returned home a few days ago and culied. Fe-ther was there. He didn't say much, the was there. He didn't say much, the second culie was depressing. On the second culie was approximately the polities to Mr. Constock, and at the second culie was not made to the second culie was new-tain that the began to snap his fin-gers apparently. He said he was ner-tared to the second culie was a to the second culie was and didn't notice what his daughter was doing. He second resculie, when she dold him learned resculie, when she dold him

time."
"I know that, papa," was the blush
ing answer, "but-but, you see, youyou never learned finger talk, and Irvlag asked me that way. That was blu-
