VERESCHAGIN STORIES.

Artist's Daring.

BOMANCE OF HIS PRIENDSHIP.

Falsilised.

The late Vassili Verenchagin, the Russian order who went down with the lift freed bettlendip Petropaviors, did not bolieve that the fear of torpoleos was the beginning of visions, says the Paris correspondent of the Courrier, be was well of the contrary, he was well with the contrary he was very one to be with the contrary he was very care to long the life by pla temerity. It is was been placed to be a support of the contrary to the contr Turkish war be was very near to log-ing his fifte by his teneuty. He was often out in a small best after dark on the Dambe when the smallest rip-ple night have caught the watchtul error of the Turkish sentinesh. One was the companies of the companies of the theory of the Shutta, ordered to topodo a Turkish ship. The dawn re-reseled their position to the ensury. A smallestorm of boilets fell around them from the shore. Here is the account from the shore. Here is the account

which the artist litered gave of the indicate.

However, the proof of the proof of the control o

the little should which find the narrow little stead of the properties of the state of the properties of the p

sts of the Relkans, while under fire, used to sketch the surrounding ks. It is said that he was a hu mitarian who went through cam-gas merely as an artist. That is correct. He was an ardent patriot i a fighter. But by his death Rus-loses the greatest artist she ever

It is not generally known that in-olved in the incident of Vassili Veres lived in the Incident of Vasalili Vernes-agin's death there is a little roman-gring data there is a little roman-friendablp—that Admiral Stepan O. skaroff and he, who had been cadeta-gether in their hoybood, were hirely better in the little properties of the bounding the battleship Petropav-rak at Port Arthur they had been conciled, says Henry D. Macdona in New York Hersili. Nor is it gen-ity known that only in the days of their regarding this gifted son ful-ed.

In the arbitrary exercise of paternal nutbority that prevails in Russian fam-ties the father of Vassili, without unch reference to discovered expactly, contacted this son for the church, that the control of the control of the con-text and Vassili for the sec. Vessili and no lowegies a sallor's life and soon iscovered it. But that was long ago, through long postponed, the nomina-on of his father was finally fulfilled— need calcined bit at last.

Good leek charms always find a sec-come when necessivel as gift or sour-nity. The littest ornament in the riprock line is a Palestine necklare, handlands, composed of flat shaped, and the second of the second of the ed to keep of the "will spo" as well, as to insure good fortune. This soil, some may be preclused for a small sum may be purchased for a small sum and a guarantee of its genutu-nesse thrown in at the slop when may be obtained in a clear type-criti-ten testimosile.

By conforming to the rules of a Chi-cago man John D. Rockefeller may perhaps cure himself of dyspepsia and save the \$1,00,000 to promised the man who would restore to him a nor-mal digestive apparatus. It all desave the \$1,00,000 he promised him a nor mad dispertive appearants. It all the pends on the receptive quality of the millionaire's mind, according to V it of the millionaire's mind, according to V it says the Children's Tribune.

Mr. Lundquist recently outflied by the control of the control

The conspicuous feature of the table spread in the quanti and reposeful din-ing room was a set of rules in an elony frame which flanked a single American Beauty rose. These regulations, which Mr. Lundpluist keeps constantly before him, are as follows:

"I est milk toast for brenkfast at 0 o'clock," said Mr. Lundquist, "and don't feel especially bungry or the menu would be more elaborate. I vary it or casionally with green peas, fish, honey or sweet cream—so meat, coffee or tea. One of my rules is never to eat unless I feel the need of food.

"Blott needs to be vested coording to

health were restored."
