hrop.
Secretary of State-James P. Nolan.
Attorney ceneral-William P. Wolf.
Lanton.
Insurance Commissioner-Edward L.
Insurance Commissioner-Henry Fetzer.

Oakkosh, Wis., dispatch: Absolute opposition to the primary election system advocated by Gov. La Foliette was the striking feature of the Wisconsin Democratic convention, which concluded its work Thursday night by Former Gov. Peck was nomineted for governor by acclamation.

De element, determined up to

governor by acclamation.

One element, determined up to
to almost the very minute a platform
was adopted to put out a set of resolutions catering to the alleged overwhelming popular demand, was awang
from its purpose by the oratory of
former United States Senator William
F. Vilas.

F. Vilas.

Both Sides Are Pleased.

The change of program took place
without producing animosity, so far
as is evident on the surface. The
plank on corporation regulation
pleases the conservatives. The 2-cent scent rate. The revolution was made in open convention, after the radicals had reported from the committee on resolutions, making minority reports which lost.

The greatest surprise of all was the recorditions, making minority reports. The greatest surprise of all was the vote on the primary election question, for before Vilas spoke the enthusiasm indicated a positive majority the other way. But the roil call gave 172 votes in favor of the minority report and 404 sgainst II.

French was a presented to the convention by Neal Brown of Washau, who arraigned both factions of the Republican party.

Mr. Peck, vib. was given a tremendous ovation, after the ballot, read a typewritten speech of acceptance. He said the political conditions in Wissenson and the political conditions in Wissenson was a second to the property of the said the political conditions in Wissenson of the tariff, says the recent scandals in department of the state government demand an overhauling through a change of administration, favors regulation of the speed of autoriouslies, and the income tax.

The corporations regulation plant favors a corporations regulation in all details.
