HEARST ONLY LOSER IN NEW YORK STATE

Hughes Plurality of 60,432 Due to Heavy Scratching by Democrats in Greater New York, Where Head of Ticket Was Slashed Without Mercy.

Election returns show that the next congress will be Republican in both branches. The political complexion of the senate shows a Republican gain of one in Colorado. There are two or three close legislative contests, but they are chiefly between individuals, and the senate will stand nearly as at present, with 68 Republicans and 32 Democrats, leaving a Republican majority of 26. The returns indicate a Republican membership in the house of representatives of about 223, which is a majority of 64 over the Democrats.

HEARST IS ONLY LOSER.

Rest of Fusion Ticket Appears to Be Elected in New York.

New York.—The entire state Democratic ticket with the exception of Hearst, has apparently been elected by the following pluralities: Chanler, lieutenant governor, 3,694. Whalen, secretary of state, 3,864. Jackson, attorney general, 9,959. Hauser, treasurer, 15,263. Glynn, controller, 4,394. Skene, state engineer, 12,308. Hughes' plurality for governor is now placed at 60,432.

There is a faint possibility that Linn Bruce, Republican candidate for lieutenant governor, may be elected by the complete official count.

The vote in Greater New York shows that Hearst was slashed unmercifully by the Democrats. He ran so far behind the rest of his colleagues on the Democratic ticket that his defeat loomed up all the larger. He is 63,000 votes below the lowest man on the Democratic ticket and 70,000 votes below the highest.

The plurality for the Democratic candidates in Greater New York shows these figures:

Chanler, lieutenant governor, 139,395. Whalen, secretary of state, 142,032. Jackson, attorney general, 139,359. Glynn, controller, 144,153. Hauser, treasurer, 139,139. Skene, engineer, 145,886. Hearst's plurality is 75,665.

William H. Hearst has had little to say since his defeat. He showed a cheerful front to callers that went to his home in Lexington avenue to congratulate him "on making a good fight, anyway," and put in several hours reading telegrams from all parts of the state and all over the country to the same effect.

He has refused to follow Chairman Humes' loud cry of "Fraud" and "Robbery!" and "stands pat" on the statement he issued, which conceded defeat, and was virtually a promise to abide by the result.

New York.—Charles E. Hughes, the Republican candidate for governor, has been elected by 50,000 or more plurality. Outside of Greater New York, with 160 election districts missing, Mr. Hughes had a plurality of about 124,000. In Greater New York with 69 election districts missing, William Randolph Hearst, the Democratic and Independence League candidate, had a plurality of 75,036. Mr. Hearst carried all the boroughs of the Greater city, despite the fact that the early returns seemed to indicate that he had lost Brooklyn.

The remainder of the Republican ticket also seems to be elected, although Mr. Hearst is behind the other country precincts in the Democratic column. The feature of the voting was the "big poll" for Mr. Hearst in the large cities and in the manufacturing towns.

Mr. Hughes was elected by Democratic votes. Hearst made gains in almost every Republican stronghold, and lost in the rock-ribbed Democratic counties.

The indications are that the state legislature will show but little change in its political makeup.

The Tammany judiciary ticket in New York has the exception of Otto Rosenthal for general sessions judge, Republican, has been defeated. The judiciary nominators' ticket was defeated.

Hearst to Continue Fight.

At 2:15 Wednesday morning, Mr. Hearst made the following statement: "In view of the result I have only to repeat what I said in my speeches. I am enlisted in this fight against the control of the government by the trusts and corrupt corporations, and I will fight it to the end."

"But I will serve in the lead or in the ranks, just exactly as the people desire, and with earnestness and loyalty in one place as in the other. The people

have decided to retain the Republican party in power. I will make my fight in the ranks, therefore, and as a private citizen do my best to promote the interests of my fellow citizens."

Hearst Carries Brooklyn.

In Brooklyn, where Senator Patrick H. McCarran made a bitter fight against Hearst, the latter carried the borough with a plurality, probably 4,000. At one time it seemed that Hughes had been successful in Brooklyn, but the late returns were all strongly in favor of the Democratic candidate.

Mr. Hearst has been given a majority of nearly 70,000 in Manhattan and the Bronx. Queens county, which includes Long Island city, has gone for Hearst by a margin of 5,000, and Richmond (Staten Island) has also given the Democratic candidate a plurality.

As was generally expected, Mr. Hearst showed his greatest strength in the cities throughout the state, and took out of the Republican column a number of the more important municipalities which heretofore have been Republican. Among the cities which gave Hearst a plurality were Buffalo, Rochester, Utica, Troy, Elmira, Rome, Little Falls and Johnstown.

All of these except Utica and Rome were Republican two years ago. Mr. Hughes did not gain a single city. The Republican ticket was successful, but sustained serious losses in Syracuse, Gloversville, Amsterdam, Ithaca, Schenectady, Watertown and Plattsburgh.

As a result of the scratching and the voting for the same candidates under different party emblems, the returns for the subordinate officers on the various state tickets are complicated.

Fusion Judges Win.

Great interest centered here in New York in the campaign waged for the judiciary ticket named by a committee of lawyers, headed by Joseph H. Choate and former Judge Alton B. Parker. The Tammany and Independence League ticket had won over the nonpartisan candidates by big pluralities.

State Senator Thomas F. Grady, of Tammany hall, has been reelected over Thomas Rock, who has been known in the campaign as "eight-hour" Rock, and who claimed he had been "tricked" by the Independence League.

Throughout the state there has been a notable falling off in the vote from 1904, which was a presidential year. The Republican ticket showed the greatest loss in this respect, especially in the cities.

In claiming the election of Mr. Hughes by a large plurality, Republican state Chairman Woodruff said: "I knew all along we had lost the labor vote. Every possible thing was done to recover it, but I think without avail."

OHIO REMAINS REPUBLICAN.

Columbus, O.—The indications are that the Republicans have elected Carmel Thompson, secretary of state, and their entire state ticket by a safe plurality.

Full figures are not obtainable, but increasing Republican gains as the country precincts are reported more than balance earlier losses in the cities and a clear victory for the entire Republican state ticket is indicated.

While Chairman Garber, of the Democratic committee, said that he would be unable to give out any statement, owing to incomplete reports, a statement was given out by Chairman Dick, of the Republican state committee, in which he said:

"Reports from Republican county chairmen show the election of the entire state ticket by a plurality exceeding 50,000."

A few congressional districts reported, but in none of these has there been announced a Democratic victory. However, the districts first reported are those concededly Republican.

GOV. HOCH REELECTED.

Later Returns Show Republican Candidate Ahead in Kansas.

Topeka, Kan.—The reelection of Gov. E. W. Hoch, Republican, seems reasonably certain, although the Democratic committee claims the state for William A. Harris by a plurality of 3,300. According to figures received

Exclusive of the class of 1906 there are 1,190 living alumni of Princeton. Of this class classified according to their occupation, 2,285 are in business, 1,498 in the law, 924 in the ministry, 699 practicing medicine, 433 teachers, 290 engineers, 164 journalists, 10 ranching and farming, 40 gentlemen of leisure, 41 students, 34 in the army, 31 civil service, 26 architects, 19 chemists, 10 artists, 9 authors, 7 in the navy, 5 librarians, 4 musicians and 4 dentists.

France's Last American Colony.

Some 80 miles off the southern coast of Newfoundland lies the last remnant of the colonies of the United States in America—three islands, small, rocky and barren, that are, nevertheless, important as the center of the French cod fisheries and because of the sentimental associations with them as a bit of ground over which the tri-color may continue to fly. The colony is administered by a governor, and has a deputy in the French chamber.

by the Republican committee, 97 counties out of 105 give Hoch a plurality of 4,150. The Democrats claim that their figures on the same counties give Harris a plurality of nearly 3,000 and that the official returns will give him over 3,000. The eight counties still missing are in the western part of the state. The Republican figures are partially confirmed by special press dispatches.

Marion county, Hoch's home, was carried by Harris by a majority of 139 votes, while Douglas county, Col. Harris' home was carried by Gov. Hoch by a majority of 130.

Aside from the head of the ticket, there is no question as to the election of the entire Republican ticket.

Big Democratic gains have been made in the lower house of the legislature, but that body will still be overwhelmingly Republican, and a member of the dominating party will be elected United States senator to succeed A. W. Benson, who himself is a candidate for reelection. Other candidates are Congressman Charles Curtis, of the First district, and Joseph L. Bristow, formerly fourth assistant postmaster general, who won prominence a few years ago, by his activity in suppressing postal frauds.

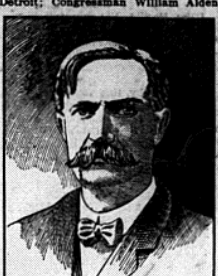

REPUBLICANS HAVE INDIANA.

Entire State Ticket and Legislature Won by Party.

Indianapolis.—Republicans have elected their entire state ticket in Indiana by an estimated majority of between 40,000 and 50,000. The next legislature will be Republican. Republicans have elected six congressmen in the First, Fifth, Seventh, Ninth, Tenth and Thirteenth districts. The Democrats have elected two, in the Third and Fourth districts.

Frederick Landis, Republican can-

didate for congress in the Eleventh district, is defeated, his Democratic opponent, J. M. A. Adair being elected by 1,800. The defeat of George W. Cromer in the Eighth also is conceded by Republicans, and the election of Watson in the Sixth is in doubt. Cromer ran 3,000 behind in his own county.

Gov. Warner.

Smith, of Grand Rapids, and Arthur Hill, of Saginaw, will claim a majority of the legislature chosen are favorable to them. Congressman Townsend is also a candidate for Senator Alger's place.

Gov. Cummins Safe in Iowa.

Des Moines, Ia., Nov. 8.—Gov. Cummins has been re-elected by a plurality close to 15,000 votes. For 24 hours the result was in doubt because of the heavy gains in the Democratic vote. The Democrats, while still insisting that official returns may possibly elect their candidate, do not speak hopefully.

Congressman Lacey, in the Sixth

districts were carried by large pluralities. Outside of Cook county Congressman Fuller was reelected in the Twelfth district by 14,000; Frank O. Lowden in the Thirteenth by 2,900. Congressman McKinley in the Fourteenth by 4,200. Prince in the Fifteenth by 11,000, Graff in the Sixteenth by 3,500, Sterling in the Seventeenth by 7,500, Cannon in the Eighteenth by 4,500, McKinley in the Nineteenth by 4,500, Rodenberg in the Twentieth by 10,000, Chapman by 1,500 in the Twenty-fourth, and Smith in the Twenty-fifth by 3,600.

In the legislature the Republicans will have 59 house members and they have elected 23 of the 27 senators. They had 21 of the 24 hold-over senators. The joint ballot which will re-elect Shelby M. Cullom to the United States senate will poll 153 Republican votes out of 204.

DAVIDSON WINS IN WISCONSIN

Entire Republican Ticket Elected by Good Pluralities.

Milwaukee.—The entire Republican state ticket was elected in Wisconsin by pluralities of 50,000 and more. Indications are that ten Republican congressmen have been elected in 11 districts, and that the next legislature

Gov. Davidson.

is overwhelmingly Republican. Most counties elected the election of Republican county officers.

Returns show Gov. Davidson ran ahead of his ticket and that Connor was scratched considerably.

The situation in some of the congressional districts is close, but indications are ten Republicans will be returned to Washington.

In the Third district a hard fight was made by La Follette men, many of whom scratched Congressman Babcock, former congressional chairman, and supported the Democratic nominee, J. H. Murphy. Babcock probably has been defeated. Murphy's plurality is estimated at from 500 to 1,000.

- Tennessee—M. R. Patterson, Democrat, 18,000.
- Texas—T. M. Campbell, Democrat, 250,000.
- Wisconsin—J. O. Davidson, Republican, 50,000.
- Wyoming—B. B. Brooks, Republican, 6,000.

Pennsylvania.

Philadelphia.—The most exciting campaign in Pennsylvania in 25 years has ended in a triumph for Edwin S. Stuart (Rep.) for governor over Lewis Emery, Jr. (Dem. and Lincoln party), by a plurality that the Republicans claim will reach 100,000.

California.

San Francisco.—The Republicans have swept California, electing the state ticket, eight congressmen and the state legislature. James N. Gillett, for governor, will have a plurality of about 25,000.

Poison Gas Thrown Off.

In the Avernus region of France a large amount of carbonic acid gas comes from the soil and is one of the last traces of the former volcanic activity of this region. The springs that yield the gas are found generally in the fissures of the ground which allow the water to rise. One of the Mont-penier springs has been known as the "poisoned spring." Animals which descend into the cavity to drink are soon asphyxiated by the gas which is given off by the water.
