Pa bought an overcoat at Jones' yesterday an', he's a friend of his. Jones give him a \$15.00 coat for \$12.50. Going home me and pa met Dr. Smith an', feelin' kind of good, pa told him about the coat. Dr. Smith say he'd only showed the coat he had on (which was just like pa's) and come from Jones' too) and then showed Jones' receipt for \$11.00. Pa cussed the horse pretty bad the rest of the way an' at home I noticed he didn't tell me what his coat cost.
