"When the university opened hast autumn I started to work sgain among the soldlers," said the young woman. "As you know, the revolutionists are at present working very hard to vin over the army, and one of the means is to talk freedom directly to the soldlers. For this girls have been found to be more effective than rien; the young peasant soldlers are more willing to listen to girls, and are far readier to protect them from arrest. Bo all over Russals hundreds and hundreds of girls are now mightly meeting with groups of soldlers, in working men's homes and in harracks. To go into harracks and talk revolution to the soldlers, hardly anything is so dangerons—for the girl caught is tried by courtenarrial and in a day or two is executed—From Leroy Boott's Interview with a Russian Woman, in Everybouth

Acts of Public Men.

Washington.—President E. Benjamia Andrews, of the University of Nebrasia, in addressing the fall convection of George Washington university here Wednesday, bitterly demonated that the terration of the new control of the control of the control of the public or prominent men by the press. Hanging, he said, should be the punishment meted out to a proved libeler. "Nope of the business villainies alleged to be so rife," the continued, "can compare in atrocty with these squalid campaigns of libel and libelous cartexiure which recent months have produced."

ELOPER IS ARRESTED.

Hot Springs, Ark.—Following tele-graphic instructions from St. Louis to Chief of Folice Bests, Daniel B. Bren-nan, Jr. who secretly married Miss Lilly Ammerman, said to be a niece of the millionaire brewer, Adolphus Bisech, in that city last Monday night, was arrested here Wednesday and will be held pending the arrival of his father, who, it is alleged, ordered the arrest. The reason for the arrest is not known. The young couple arrives here Tuesday morning, and and re-sume their Journey to Mexico City.

A Young Composer.

Rachel, aged 12, wrote an composition on wild flowers in which she praised the arbuta, the literwort, the spring beauty, the blood root, and all of the other blossoms of dell and dale. But she wrote on both sides of her shect of paper, and when she asked her father, who was an editor, to publish her article, he called her attention to that fact.

"You've written on both sides of your paper," said he.

"Well," was the reply, "and don't you print on both sides of yours?"
