

SYNOPSIS.

soler. Wilton postspoess an explanation of the model of t

Witton, is employed by Knasp to assist in a stock brokerage deal.

CHAPTER VI.—Continued.

"We'll have to break down the first of the state of the s

Take.

"All right," I said. I was not entirely trustful, and after I had lighted the gas-jet I picked up the stone I say among the fragments of glass, and unwrapped the paper. The sheet bore only the words:

"At Borton's, at midnight.
Richmond."

"At Borton's, at midnight.
Richmond."
Richmond."
This was the name of the agent of
the Unknown, who had sent the other
note. Dicky and his companion must
these be protectors instead of enumbes.
I hastened to inslock the door, and in
well-made, with a shrewd, good-humored countenance, and a ready, confident air about him. I had, no troufident him him out as the answer
likely. The other was a black-bearies
glast, who followed stolkly in the
wake of the younger maretty chasp.
"aid Dicky. "If it hadn't been for
Fork Chops here, I shouldn't have
found you till the cows come hous."
"Way, you ought to know," sid
"Vay, it was ought to know," sid
"Vay, when he hurryfing form itDiores. The game must be there by
I could only wonder who Borton

porton. I he gam must be turer who Borton might be, and where his place was, and what connew and the same who have been and what connew and be to the was a been and the property of the same and hurried me out into the darkness. The chill night all recryed to nerve instead of depress my spirits, as the garrulous Dicky unconsiously guided me to the meeting-place, joyously narrating some amasing adventure of the day, while the heavy retainer stalked in silence behind.

heavy retainer stalked in sience behind.

Does near the foot of Jackson inDoes near the foot of Jackson inthe part of the wash of the severs grew stronger, and the masts of vessels outlined against the sky, Dicky suddonly stopped and drew me into a doorway. Our retainer disappeared at the same instant, and the street earlies the same instant, and the street earlies the same instant, and the street earlies the shape of a man approached with silen's steps.

"Five-sixteen," croaked Dicky.
The man gave a visible start.
"Sixteen—five," he croaked in return.

urn.
"Any signs" whispered Dicky,
"Bit men went upstafrs across the
treet. Every one of them did the
allor-drunk act."
"Sure they weren't sallors?"
"Well, when six cover goes up the
ame stairs trying the same dedge,
all inside of ten minutes, I has a right
o my suspicions. And Darly Meeker
that been to see yet that I knows
""

on."
"Darby Meeker!" exclaimed Dicky
in a whisper. And he drew a whistle
under his breath. "What do you think
of that, Wilton? I had no idea he was
back from that wild-goose chase you

temper."
"You'll have to settle with him for that piece of business," said Dicky with a chuckle,

rith a caucale.

I failed to see the amusing side of
the prospect. I wished I knew what

Ir. Macker looked like.

their giancs, seard and sowwester dropped away before my lancy, and I saw in my lancy with man of saw in my lancy with man of the land in the land in

and keen as the eyes of a rat, they gave me an unpleasant thrill as a ray with Dicky. It was a said one wall.

"What do you know about the Job" what I've been told," he and laid bare sonething I would have conceeded. It was a relief to pass boyond her into a recessed part of the room where her game might waste itself on the back of my head.

"Mother Bortons up late boulsth," And that is—"That it's a job for silence, secreey, not he back of my head.

"You can't blame her for thinking that this crowd needs watching," I suggested with as much of airiness as I could throw into my manners and the said with a langth and the said that he down to his at lentino on our arrival.

I bley shook his head of the said to be said to

"Tricked—wy droat manusch the table with his fast.

It continues the two the room into account side. Men sprang from their chairs. Glasses and bottles fell with eithinks of rash. Oaths and shouts arose from the crowd.

"Dann you, I'll have it out of you:" said the man with suppressed fary, this voice once again smooth and low." Were far the behie again; and with that stroke the false beard fell from his chia and cheek, and exposed the malignant face, distorted with rage.

A feeling of horrible repulsion came over me, and I should have the common people in the strong of the province. The priest of the rillage of Konitz replied to a circular over me, and I should have struck at that serpent's head but for a startling course of the structure of the structure. The priest of the rillage of Konitz replied to a circular over me, and I should have struck at the spoke, a wild startling of Konitz replied to a circular over me, and I should have struck at the structure of the province. The priest of the rillage of Konitz replied to a circular over me, and I should have shown on some or the structure of the province. The priest of the province. The priest of the province of t

seream rose upon the str, and as M echoed through the room the lights

eresu, rose upon the str, and as H sechoed through the room the lights went out. The scream was repeated, and after an instant's silence there rose a forces of showth and control of the street and the

CHAPTER VII.

Mother Borton.

The noise of the struggle below continued. Yells and curses rose from the maddened men. Three shots were "Oh, my Lorgit" penetrated through the closed door with the sound of one sorely hart.

I lingered for a little. listening sorely hart.

I lingered for a little. listening when he had an expension of the tumber. I was in a strange and dangerous position. Enemies were behalf men. There were friends, too, but I knew no water of the hard was a strange and dangerous position. Enemies were behalf men to be the strange and dangerous position. I see he was a strange and dangerous position. I was in a strange and dangerous position. I was in a strange and dangerous position. I was in the company to be a stranger and the stranger and the

disturbance from below subsided. If clit my way along the wall and moved cautiously forward.

I had progress against which my hand pressed, yielded at the touch and warms glowly open. I strove to stop it, for the first opening showed a disturbed of the street, and the s

swallowing my immement as well of the control of the table before me set Mother Borton, contemplating me as calmly as though this meeting were the most commonplace thing in the world. A candle furnished a dim, fickering light that gave to her hard wicked countenance a diabole lese that struck a chill to my blood.

"Excuse me." I said, "I have lost more than the contemp of the co

You are in the right place."
"I was arriad thad intruded," I said apologetically.
"I expected you," she repeated. "Shut the door."
I spaced about the room. There is a said with some petulance. "There is not another person to be seen, and no other door. I obeyed between the said with some petulance. "There was no much that you there was no much that would hurt me on the floor below that I hastened to show my condence in ber, and draw up a chair to the table. "At your service," I said, leaning before her with as much an appear. "At your service," is aid, leaning before her with as much an appear of the said of the said of the said with the said of the said of

"MISS JULIA MARLOWE.
"I am glad to write my endorsement of the great remedy, Peruna. I
do so most heartly,""-Julie Marlowe.

Any remedy that benefits digestion
strengthens the nerves.
The nerve centers require nutrition.
If the digestion is impaired, the nerve
centers become anemic, and nervous
fealing is the result.

Peruna is not a nervine nor a stimulant. It benefits the nerves by benefiting digestion.

Peruna frees the stomach of caterhal congestions and normal digestion is the result. In other words, Peruna goes to the bottom of the whole difficulty, when the disagreeable symptoms disappear. Mrs. J. C. Jamison, Wallace, Cal., writes:

bottom of the whole difficulty, when the vitiagreeable symptoms disappear. As the vitiagreeable symptoms disappear. As the vitiagree of vitiagree
