The use of snake venom is increas-ing in the practice of medicine, and its price is soaring upward rapidly.

An Englishman has discovered a new illuminating gas. Perhaps it will throw some light upon those English

oles.

Prof. Redlich of Vienna university, who has accepted an invitation to lecture at Harvard next spring, will not apeak in Austrian.

At present the sudas, if we mistake not, hold the vacual for fast gean travel, but the vacual vacualities in the same direction.

A story is told of a Connecticut rooster that chews tobacco and tries to expectorate like a man. Evidently the nature fakers are dying hard.

If Peary is so certain he could find the pole for \$25,000, he ought to have no trouble at all in mortgaging his subsequent lecture trip for the money.

The French academy, when full, con-tains 40 "immortais." Two of them, Ludovic Halevy and Francois Coppee, have lately proved their mortality by dying.

dying.

We congratulate San Francisco on having a new date. Until now it has been "since the earthquake." Hereafter it will be "since the coming of the feet."

the fleet."

Thousands of years hence, when scientists are looking for relies of prehistoric man, probably they will come across several ancient automobiles in Siberia.

Persons whose incomes do not keep pace with their aspirations will be glad to learn that it is quite correct now to wear topace, if they prefer them to diamonds.

them to diamonds.

Woman suffrage in Finland is said by a male scientist to have increased insanity in that country. We expect to see this statement mildly disputed, not to say laid out stiff and cold.

A celebrated doctor says that the sun is not bad for blondes, as has been reported. Did the doctor never see a blonde completion that had carelessly been left out in the sun?

The Kalamatoo man who was struck by lightning three times must prove a great source of encouragement to those politicians who have held their lightning rods for a long time without getting results.

getting results.

Germany thinks it is entitled to a two-cent postage with the United States if Great Britain is. The cost of transmitting letters written in German is no greater than that of sending messages expressed in shorter words.

words.

At last Homer has met his only real rival. The "seven cities" which claimed the blind hard are outnumbered by the municipalities which claim the author of "Casey at the Bat." The love for really great poetry has not

declined.

American men, according to a disaffected continental husband of an American girl, are slaves, to their wiver slightest whims. As yet, but of or the manufacture of the manufa

them is unit only gory in their states. Those new words that have been written to fit the time of "Dirle" represent a total waste of time and labor on the part of the author, as might have been expected. Nobody wants them. Does amplody suppose that a new version of "Home, Sweet Home," earst conde supplant the commonplace but immortal song known by that wares.

Leon Delagrange, the French sero-plants, who has just driven his flying machine more properties of the pro-lication of the properties of the locked on, asy that his machine now needs only a few minor improvements to solve the problem of dirigible flight. We have an idea that he will find that making these few minor improvements is like putting on the finishing touchas to make a perfect poem.

men putting on the finishing fouches to make a perfect poem.
When the question of relinquishing to Twitery some forts on the Midlan coast, was under discussion, the late Lord Salishary wrote to Lord Cromer privately: "I would not be too much impressed by what the soldiers tail you about the strategic importance of these piaces."

The soldier is the soldier tail you about the strategic importance of the piaces of the piaces of the piaces of the piaces. The piace is the piace of the piaces of the piaces

bor of the earth.

Cooperstown, N. Y.—Notwithstanding the intense heat, Bishop Henry C. Potter continued to improve Tuesday, and there is overy reason to believe that he will recover now that the crisis of his malady has passed

Orator Declares Western Statesm is the Man Above All Others Eminently Worthy of the Party's Leadership.

Denver, Col.—The Hon. Ignatius J.
Dunn, on behalf of Nebraska, urged
the claims of William Jennings Bryan
as the party's logical candidate for
the presidency, before the Democratic
national convention, in the following

national convention, in the following speech:

Mr. Chairman and Gentlemen of the growth of the convention: Crises arise in the life of the convention: Crises arise in the life of the convention: Crises arise in the life of the convention and, at times, imperil the advance of critilisation.

Every people that has lift its impress upon history has faced such crises. In most instances, where are conventioned and the convention of the convention of the convention of the conditions themselves, with capacity to direct aright the energies of the people. This was true of the modern world; it is true of this republic. We have such a crisis to meet to-day. The favor-seeking corporations have gradually strengthened their hold upon the government until they now measee.

The question is, whether this government at hall be restored to the control of the people and be administered in the interest of all, or whether it shall remain an instrument in the hand all the rest.

In his special message to congress last winter, President Roosevelt declared, substantially, that certain would be restored to the control of the people and by the unlimited use of money, endeavor to secure freedom from restraint and to overthrow and discredit all who honestly and the president of the control of the property of the president principles of the president principles and the president principles are compared to the control of the president principles and the president principles. The publican candidates and policies. They like their hands upon the trust made of insurance companies and other correction the Republican committee of the Republican committee. The money thus fiched from the ignocert and helpless, to purchase Republican committee of the president party in trust representation of the control of the president has the owner than a president has the owner than a preside

good sense, patriotism and united sequences of the present cvils.

Democrats Must Furnish Leader. To wage a successful fight we must have a leader. The Republican party demonsted by the seekers of special privileges, cannot furnish him. Removers, the selection of the present control of the present control of the present control of the present control of the present conditions the leader which present conditions demand, and he must be a max known to be the first present conditions that the present conditions that the present conditions that the present conditions are present to the present conditions are presented by the present control of the p
