# NICHOLSON RAY WALTERS

Futter of a Handservolet next morning at eight volucies of the content and the content and the content and the content and the replicate on the readers when the content and the replicate on the readers are and Helen would be glad to ut that Sister Margaret Segred scussed. It had been in my rout the first to ask! them to the content and the content

and would have hereful twenty and the with that disk trains in and the with that disk trains in and the with that disk trains in the second to be in Parts, but you see it it was to mare, the twenty of the work of the trains of

affairs. We must not tan his greaturaty too far."
"And we are going to send some left terr off today. If it isn't asking too much, i should like to drive to the "Yes; and I should like a paper of pins and a now magazine," and Helen and the should like a paper of pins and a now magazine," and Helen and the should like a paper of pins and a now magazine," and Helen and the should like a paper of pins and a now magazine," and Helen and the should like a paper of pins and a now the should like a paper of pins and the should like a paper of pins and the pins and
