The Minister Made Me Rush Out and sign the Priedge.

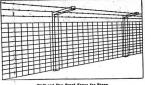

The Minister Made Me Rush Out and my heart carefully in my threat and it wanted to see the show. As I stood near the chancel watter for it the a bottle of setchip with the corr out. It seemed to me that carefully in the world was giving me of the country of the countr

"To! To all right. see sale. You looked like a queen. But, wait! Stop the temperature with the seems of a queek finish sobody had time to kins the bridge!

She put her face very, very close on mise and said with the weetest of milles, "Once more, John, it seems to be up to you!"

FENCE PREVENTS WOLVES FROM DEVOURING SHEEP

In answering a query as to the best method of preventing wolves from destroying a sheep flook, the Wisconsin Agriculturist publishes the following: Many-belis on a fock of sheep will no doubt do good service toward keeping: worten off though they would not be proof against attacks from the proof against a proof
