LIVELY TOY QUITE AMUSING

and Mannikine Move as Plat is Drawn About Room— Driver Imitates Man. A toy that will afford lots of amuse-nent for the little people is that de-igned by a Kentucky man. When the platform is drawn about the room he figures on it move in lifelike fash-

pivoted to his body. The arms and legs of the driver are jointed and the man in the back of the vehicle is not only jointed wherever he can he, but is suspended from the roof on an elas-tic band. The turning of the rear wheels actuates mechanism which in

THREE NOVEL EUROPEAN TOPS

ENUTE Letter the mining is One of Cidest Games one will stand as Much Battering as American. Solution of the Cidest in the world. It has been play-thousands of years, and there a veve of the savage nations of min Africa who don't play the with some sort of top. Long Columbus salide for America-dians knew a good deal about and top-spinning. The Slows

German top is larger and more usive, and the Prench top is quite rent in shape. None of them will if the pegging and battering of the by little American top.
