all others, however, and was encoved again and again. This orehestra is becoming very popular in the village, and descreedly so. There are few toward this size that can boast of such an excellent aggregation of numericans as S. L. Landwer, Lavella Bennett, Homer Plagge, Almedi Plagge, Newton Plagge, Oliver Moormusician as S. I. Landwer, Lovell Segment, Homor Piager, Alreido Homes, Predia Ideinkoft, Myrite Piager, and Feel Harshy who compose the orderies. Their numbers are slwzys adhason futuitisely refedered and to adhason futuitisely refedered and to playing its perfection itself. The appearance of this orchestra at sup-fuention is always a signal for anal-censed interest and applicate.

See all the statements of the second particular signals of the second statement and populars. On the second statement and populars. On the second statement of the second statement and populars. On the second statement of the second statement o

SCHOOL NOTES.

(Writen by B. H. S. students.) he boys' entertainment which was d Saturday night, was a grand suc-t. The proceeds amounted to about ty dollars, which will be used prin-tily for baseball.

The High School club meeting was held Monday night. The main feature on the program was a debate. The question debated upon was, "Shall women have the right to vote?" which

encer Rieke, who has been out of oil for several months, has re-ed to the primary room.

served.
