Tailor Made Suits are the Suits that Suit

When you buy ready-madé clothes you get a questionable fit and a pattern worn by many others. Tailor made suits suits made for row, not for a man of about your height and build-are the only kind which will dress yor correctly and stylishly One-half of the men in this vicinity wear tailored-to-order clothing, and a large percentage of them have been getting their suits made here. (proof that our work is satisfactory). If you are not among this number you should be for your own benefit. Call and see the markable line of smart Spring and Summer Fabrics from which you may select an individual pattern.

SELECTED FISH.

The housekeeper's choice is limited of course, to what the retailer offers but if our FISH

is examined it will be seen that there is little choice between them. All are so good---fresh, plump, and sweet,--- that one will prove as worthy as another.
