By this time Keith had reached a definite decision as to his course. If the fugiliers recover a fresh reisy of horses down there semewhere, and crossed the Arkansa, he felt positively sore as to their destination. But it would be useless pushing on after would be useless pushing on after would be useless pushing on after recling giddly in the asadie. If Hawley's outfit crossed the upper ford, or ward which they were evidently heading, and struck through the sand hills, then they were winking for the refuge did to be called the country of the
