Eggs Clotworthy, Ate.

Harry Chotworthy, who isn a nayort on military affairs, entered to dising room of the National Press club one morning and carried with him a rawaous appetith. Having eaten one breakfast, which consisted largely of eggs, he ordered another breakfast, which consisted even more largely of eggs. After his repast he sirguly of eggs. After his repast he sawed of the control of the will not come and the colored waiter lossing about the entrance of the writing room and saked him what he meant by being absent from his post.

post
"I got a good excuse." exclaimed
the waiter, exhibiting the check for
the egg breakfast. "Mr. Clotworthy
done eat \$2 worth of eggs and I ain't
goin' to let him git away from here
to be a fairly for them, high as eggs
is now."

Wise Young Man.
That was a very wise Cambridge
student of whom the London story
tellers were talking some time ago.
One of his college triends finding him-self without funds, went to this Solomno of students to borrow. He found
him in bed. Seizing him by the shoulder, he shoul him.

STRAWBERRY PATCH FOR THE FARM GARDEN AN EXCELLENT INVESTMENT

A Home Patch the Second year From Planting.

By E. W. BAILEY.

Associate in Horticulture, University of Illinois.

The strawberry is the most in the portant of all small fruits, and every farm garden should have its patch of this delices berry. The amount of labor and expense involved is indignation on the best in which a portant of a single and the plant is a single and compared to the pleasure and reproduct derived from growing this growth to losist upon mother. If armore who losist upon the pleasure and reproduct derived from growing that growth the settled has been a single of the sound of the best investments in the sound and the sound compared to the pleasure and portion a large variety of soils and in the soil against the soil and the soil against the soil

Applying Lines and Phosphete.

"Lime sweetens the soil, phosphorus of dealed the yield of whast on the arc waiting to anphy both force demants this fall. How shall it be applied?"

Limb is been applied in free demants this fall. How shall it be applied?

Limb is been applied in the form of ground limestone, it nied not be ground finer than is fapessary to have the entire product pass through a shave with eight or ten medies to the linear inch; and even four meases the oli sweet, atthough the initial applied to make the course of phosphate to use in practical applied form and the product exceeding in the fall and thus far we have of the course of phosphate to use in practical applied to make the council and product and the product of the pro

Advice About Alfaira.

"It is advisable to make hay from this year's seeding of sinalar?

I should not advise enting sinala later than the first of September although it for all and winter are favorable somewhat later custing would probably not be objectionable. A covering of manure would probably be of little advantage for alfair it is goes into winter with a growth of sight or ten inches provided of course, it is well started, property is senalated, et a.— C. & HOPKINE the phosphorms will be at application may well be at application may well be at the property of the person of a least one ten per arc string the fart three or four potations, or sail the phosphorus content of the leavest of the leavest of the leavest of the provention of a new feeting the property of the property of

FORTUNATE SILAS.

"It certainly must cost to live in New York. Costs \$50,000 to blong to the stock exchange. Why, I kin go daswn on court day an' swap steers for nuthin."

PIMPLES COVERED FACE

PiMPLES COVERED FACE

1813 Dayton St., Chicago, III.—"My
face was very red and irritated and
was covered with pimples. The pimples festered and came to a head.
They itched and burned and when I
scaratched them became sore. I tried
scaps and they would not stop the
itching and burning of the skin. This
lasted for a month or more. At last I
tried Cutieura Ontiment and Hosp.
They took out the burning and itching
of the skin, soothing it very much and
string the relief that the others falled
to give me. I used the Cutieura Stop
and Obstanent shout three weeks and
distingent shout three weeks and
Cutieura Scap and Outment sold
throughout the world. Sample of each
ree, with 32-p. Sith Book. Address
post-card "Cutieura, Dept. I., Boston."
