Principal Events That Have Tra pired in the Old Countries Within a Week or So.

Germany's foreign trade has increased 142 per cent from 1891 to 1811 against 105 for the United States, its nearest competior. Its shipping tonnage through the Spec canal has increased sirrold stnone 3935. Its coke production nearly a quarter of the work of the company of the company. Steerage rates are likely to be inaugurated by the Canadian Pacific company. Steerage rates are likely to be considered as the considered as th

loc in March.

A great New York banker named Finlay is said to have offered Dr Friedmann of Berlin 11,000,000 if the will come to this country and cure \$5 out of 100 tuberculosis patients to be placed in a sanatorium. Dr. Friedmann answered: "I shall sail on the mann persistently denies that he desires to make money out of his discovery, but he has created the impression that he bed off giving his cure to the German government in the hope of closing up a big deal. It is probable that his visit to the Unit of the control of

Think Sefore You Speak.

If then thinkest twice before thou speakest once thou will speak twice the better for it. Better say nothing than not to the purpose. And, to speak pertinently, consider both what is fit and when it is fit to speak. In all debates let truth be thy aim, not victory, or a unjust interest; and endeavor to gain rather than to expose thy antagousts—William Penn.
