side in the congressional campaign one year from next fall.

Who Will Head This Committee? Washington dispatches have discussed thoroughly the subject of which school of Democratic thought as to control the next senate. It asseme, is, has been said in this correspondence before, that the Democratis who say they are of the more progressive school will be in the majority of their party in the season and will control the columnities assignment and other matters of party moment. The subject of seniority of service and the claim which it has to recognition in the matter of committee chairmanships shoo has been discussed in the committee of the commi

to make them availing resessional campian gressional campian gart fail.

of This Committee I apatches have disaly the subject of Democratic thoughts he next sense. It is not sense and in this corpor, that the Democratic ordinates of the committee of services of the more of the committee of services or the more of the committee of services or the more of the committee of services or the people of each state to contribute or the proposed the contribute of the committee of services or the proposed the contribute of the committee of

By H. M. EGERT.

A marriage has been arranged and will shortly take place between Miss Estalle Lambert, only daughter of Rear Admiral Charles Sambert (retired) and Mr. John Hewlett, the well-known senior partner of Hewlett & Mason, 89 Wall street. The news of the engagement has occasioned considerable speculation among the production among the production of the senior partners of the dark in his capacious office, numidor very grincipy as he read the instinuating paragraph in the society paper which had been sent to him, marked, by some one who preferred to remain annoymous. It was well that he had done so, for John Hewlett was not a very pleasant enemy, and he had been known to repay insults with good more than the been have to be prepaying the sent of the contemptuously into his waste-paper basket, and then, having sorted the correspondence upon his desk, he closed it with a slam. He had arranged his affairs: he had settled his correspondence upon his desk, he closed it with a slam. He had arranged his affairs: he had settled his correspondence upon his desk, he closed it with a slam. He had arranged his affairs: he had settled his correspondent in the head worked in a foundry, stripped to the waist, the bully and overlord of a motter of the settle of the waist, the bully and overlord of a motter of the settle of the content of

Admiral Lambert Came Clasped the Other by

Admiral Lambert Came Forward and Clasped the Other by the Hand. By the blind in the Control of the Man, had Invited him to visit him at his home on Fitty-fifth street. There he had met Estelle, just back from school in France, to take her dead mother's place in the household; and by sheer force of personality he had swept her off her feet with his impassioned pleading.

And now he was ruined and his duty lay clear before him. John Hewlett had swew flinched from duty when Hard-hittine, infeatible, he had constraight to the point and always carried it. Now his course was clearly defined. He could not give her anything to compensate for what he was taking from her. He must release her from the cinggement.

Three-quarters of an hour later he was being unheed into the drawing room of the Lamberts' house. It was a soft estimate evening, agreeably an east estimate evening, agreeably and the house was almost day. His Estelle was out, the man said, but would return at any moment. Would he was torn with for her;

John Hewlett pased the room quiethy, thinking cut the speech that he had, Adjacent to the drawing soom was a maller one, the estrance his determined her had prepared. He passed into the hall. Adjacent to the drawing soom was a maller one, the estrance his derivant her had been by a Japanese nervean Rehint the officer by a Japanese nervean Rehint the others, was Batelle's. The other was Bestelle's. The other was the court of the passed into the same the opening of the first way had a stream of the court of the same bestellers. The other was the court of the passed are wasting of the passed her the passed are wasting of the passed her the passed are wasting of the passed her the passed her the best wasting of the passed her the passed are wasting of the passed her the passed her the best wasting of the passed her the passed her

with."

In the old days in the foundry Hewlett had been famous for striking before speaking. "It's a word and a
blow with John Hewlett," was said of
him. Now hearing this, he felt his
temples suffused with blood; involuntarily he put out his hands and the
moment he was stands over. Next
moment he was stands over. Next
moment he was stands and the real
moment he was stands and the
moment he was stands and the
was elemental in his furry. His flats
were clenched, his face was purple,
and he rocked slightly, like an infursiated beau.

"In the was stands and the
was elemental in his furry. His flats
were clenched, his face was purple,
and he rocked slightly, like an infursiated beau." he bellowed. "I heard
you! I—I won't burt you in Miss
Lambert's presence. But I'm going to
speak to her alone, Get out!"
"Mr. Hewlett!" orfed Estelle, springing to her feet, pale with anger,
"please remember that you are both
my guests."
"Mr. Hewlett!" orfed Estelle, springing to her feet, pale with anger,
"Please remember that you are both
my guests."
"Mr. Hewlett!" orfed Retelle, springing to her feet, pale with anger,
"Please remember that you are both
my guests."
"Mr. Hewlett!" orfed Meat fellow,"
he began. "What's the matter between you and Mr. Faning."
"Yan's I be allowed to speak!" inwrite of the matter between you and Mr. Faning's
"One, Hewlett in dear fellow,"
he began. "What's the matter between you and Mr. Faning's
"That man is a pauper. His house has
failed. And I think," he continued,
with a little bow, "that he has some
here to tell you so."
"Yes, you're right." cried Hewlett,
and all his rage came beak. Never
before had be been balked by circumher to tell you so."
"Yes, you're right."
"Yes, You're right."
"And I think Mr. Hewlett is angry
that Mr. Faning should have told me
in a houted to sue his mighty flats, and,
not being able to, felt humiliated and
impotent. "Yes, I've lost all my
money," he shouted. "And I came to
tell Miss Lambert so—not you, adminral, but Miss Lambert is paston

have rulned them."

Hillsboro.—An early morning fire at the plant of the Hillsborg Journal caused a loss of \$3,500 and threatened for a time the entire block in which the oppora house is located. The trouble started from the linotype gas burner. The burner had been leaded for the day but seeddentaily like the property of the line of the day but seeddentaily again the funes. Which had spread throughout the lower floor and basement, exploded, and the whole building was in flames in almost an instant. Prompt action of the fire department aswed the block.

Champsign.—The Museum of Ru-ropean Culture, Lincoln hall, Uni-versity of Illinois, was opened for-mally when Dr. Kuno Franche, professor of the history of German culture in Harvard university, spoke on "European Aid to American Citi-senship."

Mount Carmel—A session of the Grand Council of Illinois Red Men was held here under the direction of Harry C. Suttler Litchheid, great sachem. Q. Whitner. Springfield. great chief of records; F. W. Jones. East St. Louis atte organizer, and representatives from fifteen neighforing councils attended.

Waterloo.—The oldest shoemaker in Illinois, George Schmidt, died here. He was born in Germany and had resided in Waterloo since 1850. He was eighty-drur years old. He and his wife, who survives, cele-brated their sixtleth wedding anniver-sary in 1912.

Springfield—Positive identification of Elmer Vigus and John Hartnett, charged with holding up the "Hummer" passenger train at Rese Junction, December 23 was made in the circuit court by Engineer Frank McLaughlin, Fireman William Spillivan and Express Messenger Fred W. Ayres, who were in charge at the Ayres, who were in charge at the first of the spilling spilling and the spilling spilling and the spilling spilling

Aurora.—Emil Olsen, forty years old, shot and killed his wife and then blew his bratan out. He also fired at his six-yea-rold daughter, but missed her. The couple had been parted and Olsen became temporarily insane when his wife refused to return to him.

Springfield.—A soil fertilitie campaign in Illinois has been proposed. The plan was seponed at the opening session of the Illinois Stock Breeders' association. The proposed plan of condusting a fertility and soil mathenance campaign was advocated by Joseph R. Pulkerson exponded to an address of welcome by former Lieut. Gov. W. A. Northcott.

Bloomington.—Joseph McCold, for twenty-five years superintendent of the water department of the Illinois Central railroad, with bead quarters at Clinton, died at that place, aged seventy-two years. He served through the Civil war with the Thirteenth infantry United States regulars.

Jollet.—John Zipp, are eighty-fre, for fifty years a trapper and fasher along the Kanzaker eiver, was found dead in his shack near Wil-mington. He had evidently been dead for several days. He was a recluse and was reputed to have had a small for-tune in a San Francisco bank.

Harrisburg.—Charles Harrisburg—Charles A. Sullivan of the Seventh subdistrict, United Mine Workers, has issued the call for the annual subdistrict convention, which is to be held in Harrisburg. The results of the December steetion on district officers will be announced. John A., Tattle of Harrisham and the subdistrict of the control of the

Aurora.—Willie Besson, a thir-teen-year-old Batavia sehoolhoy, bur-rowed despir under the bed clothes when his mother called him, and when he came out it was too late to ge to school. He set out for school in the aftersoon, but feetled he would rather go slating. As he passed the schoolhouse on the way to the trees he saw the root of the building was set fire. He must have a fire. He was he had seen. Miss Whitmore souther he had seen. Miss Whitmore souther the first did not done to the plane.
