**SAM JONES' FAME**

Lectures of Famous Preacher Still Charm Thousands.

FAULTLESSLY REPRODUCED

Denton C. Crowl Fulfills Desire of Great Speaker Expressed Before Death to Continue His Great Work.

Sam Jones has gone to Heaven, but his work still lives on, and his lectures are being given in the minds of the people through his living counterpart, Denton C. Crowl. Thousands heard Sam Jones. Thousands of others who were not so fortunate, have heard Mr. Crowl in the same lectures which made Sam Jones famous.

There is nothing on the American platform today so unique, so original and yet so pleasing and satisfying. Before the death of the great evangelist and lecturer, Mr. Crowl visited him in his home and unfolded his plan for reproducing these famous lectures. Mr. Jones regarded the idea favorably and gave written permission to Mr. Crowl exclusively to carry out such a plan. The result has been marvelous. The constant giving of these lectures seems to have revived the very life of the man and enters into the work with such earnestness that those who hear are sure to see him on the platform as alive.

DENTON C. CROWL

led to believe the real Sam Jones is speaking. The voice, walk, expressions and gestures of the great lecturer are reproduced faultlessly.

Not long ago, Ex-Governor Polk of Missouri was in one of Mr. Crowl's Chautauque audiences and heard him say his work. Shortly afterwards he wrote as follows: "I have heard him deliver his Sam Jones lecture portrait. It is a masterpiece and holds the audience spell bound even the great evangelist did when at his best. It is really a remarkable performance, and those who hear it remember it with pleasure and delight."

Mr. Crowl has a magnificent voice, an easy appearance, which combined with the jokes and stories of Sam Jones, furnish a program of rare enjoyment. He will lecture in the afternoon only on the Lincoln Chautauque program.

Something New on Men. A young Boston college woman was following the suburbanite about his place and doing her best to show her full appreciation of the semi-rural beauty of the establishment. On visiting the hen-yard she became enraptured. One hen was unusually well marked. "Oh!" the young woman exclaimed enthusiastically, "what beautiful foliage that hen has!"

Always Two Shells to a Nation. A glance of the rapid surface tells a story, says an Indian proverb, of how a small nation can be a great one. The shell of a nation is its people. The shell of a nation is its people. The shell of a nation is its people.

Best Laid Out for the Age. Old men and women find the need of a laxative more than young folks, but it must be safe and harmless and one which will not cause pain. Dr. King's New Life Pills are especially good for the aged, for they act promptly and easily. Price 25c. Recommended by Barrington Pharmacy.—Adv.

Shew Webster Wasn't Infallible. "I looked up the word 'brat' in the dictionary," says Mr. Webster, "and find it is marked Obs., meaning obsolete." Noah Webster was right about a great many things, but he never lived alongside the websters next door to me.

Ulcers and Skin Troubles. If you are suffering with any old, runny or fever sore, ulcers, boils, eczema or other skin troubles, get a box of Bucklen's Arnica Salve and you will get relief promptly. Mrs. Bruce Jones of Birmingham, Ala., suffered from an ugly ulcer for nine months and Bucklen's Arnica Salve cured her in two weeks. Will help you. Only 25c. Recommended by Barrington Pharmacy.—Adv.

Tracing Journey of Stars. By putting rings on the legs of stars about to migrate southward from countries in northern Europe, where they spend the warm months, it has been found that they often go all the way to South Africa, usually sailing around the east end of the Mediterranean instead of across that sea.

Tact Won Position. "How on earth did Mrs. Millman ever buy her way into society? With money?" "With that and tact." "Tact?" "Yes, she always kept at it."

**This Poet's Wife Was Practical.** "If I can do anything to cheer and brighten the lives of my fellow men I shall be perfectly satisfied," remarked the long-haired poet. "Then," replied his weary wife, "why don't you quit writing poetry and get up a comic series in which the humor is furnished by some one who hits another over the head with a club?"

**Daily Thought.** There is yet no culture, no method of progress known to men, that is so rich and complete as that which is ministered by a truly great friendship.—Phillips Brooks.
