Philippine Subterranean River.
A subterranean river in the island
Palawan, one of the Philippines,
has been explored and surveyed by
two officers of the United States coast
and geodetic survey, and is described
in a report of that service. The river
is navigable for a small boat for about
two and a half miles from its mouth
the tunnel through which it passes
widening in places into large cham-
bers containing beautiful stalactites.

Some Situation, Bo!

The managers of a Brooklyn cem-
etery advertise: "Graves finely situated,
surrounded by the beauties of nature,
commanding a fine view of the bay,
and, in short, meeting every require-
ment of the human family. People who
have tried them cannot be persuaded
to go elsewhere."

Can You Believe That?

Nature's most deadly antipathy
seems to have been overcome. A rat
was killed in a produce company's
plant in Missouri and left four young
rats, which the cat has undertaken
to bring up, meantime not neglecting
her duty of keeping the place clear of
all adult rats that come in sight.

Naturally His First Thought.

An American gentleman went over
the field of Waterloo with a guide,
who boasted that he escorted General
Sheridan over the scene of Napoleon's
great defeat. "What did General
Sheridan say?" asked my friend. "Oh,
nothing." He must have said some-
thing. "Well, he only said: 'It was
a good place for a fight.'"

Minister Praises This Laxative.

Rev. H. Bushnell of Allenton, Ia., is
praising Dr. King's New Life Pills for
constipation, writes:—"Dr. King's New
Life Pills are such perfect pills no home-
should be without them. No better
regulator for the liver and bowels.
Every pill guaranteed. Try them.

Only Once?

Excerpt from an interview with a
visitor to town, printed in an ex-
change: "The velocity of time and the
friction of years will never erase the
pleasure of this visit. The many
pleasant rides and kisses from my
once sweet girl friends will ever linger
with me."

Ancient Alphabet.

The ancient Arabic alphabet con-
sisted of 24 letters, to which four
more have since been added. The
Turkish consists of 33, the Russian of
39, the Spanish of 27, the Italian of 30,
the Latin of 22 and the French of 23
letters.

Left Charlie Guessing.

"Charlie, dear," said young Mrs.
Torkins, "what is a four-shut?" "Why
do you ask?" "Mother used the term
in conversation this afternoon and I
couldn't make sure whether she was
talking about you or a game of cards."

Light for Photography.

Photographers now receive light
very similar to that through the tradi-
tional studio skylight by vapor tube
electric lamps filled with carbon diox-
ide instead of mercury vapor.

Fish Affected by Water.

Experiments by aquarium experts
have indicated that salt water baths
will cure some ill of fresh water
fish, while fresh water makes sick
deep sea denizens well.

One Supperation Explored.

Contrary to general belief, a man
does not look for a white horse when
he sees a red-haired girl. Instead, he
continues to look at the girl until she
disappears from view.

Growing Pickaninny.

"Lordy, 'Rastus, why don't you let
em suspenders on, as I tella you? Be-
fo' long youse feet won't touch de
ground!" —Pennsylvania Punch Bowl.

Mother! Have Your Children Worms
Are they feverish, restless, nervous,
irritable, dizzy or constipated? Do they
constantly pick their nose or grind
their teeth? Has the baby cramping
pains, irregular and ravenous appetite?
These are all signs of worms. Give
"Kickapoo Worm Killer" at once. It
kills and removes the worms, improves
your child's appetite, regulates stomach,
liver and bowels. The symptoms dis-
appear and your child is made happy
and healthy, as nature intended. All
druggists or by mail 50c.

The Best Pain Killer.
Buckley's Arnica Salve when applied to
a cut, bruise, burn, or scald, or
other injury of the skin will imme-
diately remove all pain. E. E. Cham-
berlain of Clinton, Me., says:—It rubs
cuts and other injuries of the skin, don't
fail. As a healing remedy its equal don't
exist. Will do good for you. Only

Will Ingeniously Concealed.
A will has been found under eleven
thicknesses of wallpaper by workmen
engaged in stripping the walls of a
house adjoining the Royal Marine ho-
tel, Cowes, Isle of Wight.
