Many Dogs, Cats, Birds in Cleveland Pet Cemetery

Many brave and loyal dogs, together with a number of other animals, have found a peaceful final resting place in a peaceful wooded tract ten miles from Cleveland...

One on the Customs Men

A cunning plan had a happy ending in spite of its lack of success. A merchant of Prague, Czechoslovakia, extruded some money to his wife to smuggle out of the country...

Poor Plumber Died Wealthy

An immigrant Scot named George McCull, who went to New Zealand as a poor apprentice plumber, died at the age of ninety-six in Auckland...

Facial Deformities

The blinding of girls' feet by the Chinese and the fastening of a board against the infant's head to flatten the back of the skull by the Flathead Indians are good examples of what can be done by external pressure on developing bodies...

There's a Difference

When it comes to feathering the own nests, some people aren't a scoldish.

Strengthen State Control Over Insurance Companies

Planning a reorganization of the division of insurance to strengthen the state's regulation over companies writing policies in Illinois, Gov. Henry Horner has appointed Attorney General Palmer as supervisor of insurance...

Arts and Sciences

According to Jevons, a science teaches us to know and an art to do. Astronomy, for instance, is the foundation of the art of navigation; chemistry is the basis of many useful arts...

Sharps and Flats

A southern storekeeper, who is also a justice of the peace, was sitting in front of his store when a colored man drove up. "Say, Judge," said the man; "dat woman you married me to last week had ten children, an' every one ob dem plays some kind of a musical instrument."

WOMAN LOST 10 LBS. IN A WEEK

Mrs. Betty Landels of Dayton writes: "I am using Kruschen to reduce weight—I lost 10 pounds in one week and I don't say too much to recommend it."

WOMAN LOST 10 LBS. IN A WEEK

Mrs. Betty Landels of Dayton writes: "I am using Kruschen to reduce weight—I lost 10 pounds in one week and I don't say too much to recommend it."

First Cigarette

The origin of the first cigarette is not definitely known, but according to an authority the cigarette was invented by an Egyptian soldier in 1822, 800 years ago. Because Ibrahim Pasha had successfully stormed the Syrian fortress of St. Jean d'Acre in that year, he was rewarded by the Egyptian sultan with a wagon load of tobacco and reached headquarters in St. Jean d'Acre with a smudge on his nose...
