Total Barrington Taxes for '31 Are Cut 15 Per Cent

Personal Property Bills Mail ed Out; Collection of \$17,000 Reported

Personal property taxes totaling \$27,037.74 were asked for in notices sent out this week by J. C. Plager, deputy collector of Barrington, town of Elgin. The total of taxes due on personal property is more than \$7000 less than the total held on 1930 assessment in spite of threatened increase in assessment on personal property. The total reduction in taxes collected for Barrington townabundantly met out-lets and personal property taxes is \$20,000.

The personal property and real estate tax, total for the last two years follows:

1930	1931
\$24,146.01	\$19,724.78
\$4,845.91	\$2,033.74
\$19,290.10	\$17,691.04

A.B. indicates real estate and personal property taxes.

The above represents the total improvement in the falling situation. A decrease in tax rate alone or a decrease in assessment, alone does not represent anything definite to the taxpayer but a decrease in amount paid out in the amount of taxes paid is of almost importance. The decrease of \$20,000.00 represents a 9.5 per cent cut in total taxation. The local collector has been particularly anxious to obtain the 1931 real estate tax books April 15, 1931, and the total personal property tax books April 1. If the bills are paid prior to these dates the expense of going through in any taxes will be reduced. The date on which the taxes become delinquent may be later than the date on which the taxes are paid. This has been determined definitely. A one per cent penalty monthly is added to the amount of tax due. The amount of the taxes on unpaid bills of the date of judgments, estate of the amount are added.

To-day only about \$27,000 of 1933 tax collections have been made. This small figure indicates the fact that personal property taxes have not been paid for more than two months. If the bills are not paid by the 1st of March, the taxes will be assessed on the 1st of April. Personal property taxes are payable in single payments.

Poultry Meeting at Lake Zurich Tuesday

Reported Successful

The poultry meeting, conducted last Tuesday at Grayslake and Lake Zurich, by the Lake County Poultry Bureau and Lake County Farm Bureaus, was very successful.

H. C. Gilchrist, farm advisor, emphasized the need of sanitary conditions in the poultry business, especially starting with the chick. He emphasized the need of buying chicks from reliable sources rather than price chicks. He showed slides of a portable incubator house which will start the chicks in a modern house can be moved to fresh air under every few days and fresh chick houses marked.

Professor Walter Krupke discussed the poultry industry and pointed out that it was one of the most important for a year that interested the Lake County. He pointed out that the Lake County Extension Service, both trade and paraded, will hold a meeting at Plaster's restaurant, Libertyville, on Monday, March 6, beginning at 10 a. m.

Professor E. K. Rhodes of the DeKalb county department of the University of Illinois, will be the principal speaker of the day. A very interesting program has been arranged.

Police Warn Auto Owners of Mar. 15 License Deadline

March 15 has been set by state officials as the final date on which automobiles may be used on the highways and city streets with 1933 state vehicle license plates.

William Gallagher, newly appointed highway police officer, has received instructions to make arrests of motorists driving cars without the license plates after March 15. On the streets of the north side, the license plates will be distributed along highways through villages and cities with there to arrest all drivers of cars with 1932 plates. This practice was followed last year and despite prior notice, many arrests were made. The license plates in the past involved transferring to another to prevent arrest. The police make wholesale arrests of their motorists.

Mr. Gallagher has called attention to the deadline, so that local auto-owners will make preparations long before plates are removed and court suits later.
