Lowered Values for 1931 Causes Rate Differences

Cuba and Barrington Village School Rates Vary; Village Bond Dropped... The difference between Cook county and Lake county 1931 tax rates for school, village and park districts is due to the fact that the 1931 real estate tax in Cook county was lowered to the Lake county rate had been established before the Cook county rate had been established for 1931.

Wide Variance... In outlining the above items, it is pointed out that the higher rates of Cook county property, in the same, the county, town, and village, gravel and forest products have been introduced into the school, village, and park districts are interdependent.
