Cadwallader Sets New High Record of 277 for Game

Jefferson Ice Co. Team Has Good Chance of Winning League Race

With the scheduled games in the Barrington bowling league ending last week on April 13, the Jefferson Ice Co. team apparently has a good chance of winning first place. Last week the Miller team, second place team dropped back when it lost all three games to Lapinsky's Clubbers, thus giving the Ice team a three-point margin for first place.

On Tuesday night, the first night of bowling this week, John Cadwallader set a new high game score for a bowler, he got a strike in each frame except the fourth for a game score of 277. This exceeded the former record of 269 set by Morris Waterman. The complete Tuesday and Thursday night scores for this week will be given next week.

Wichman Elected Honorary Captain of Wisconsin Team

Seven Boys are Also Winners in Their Weight Classes in Wrestling

Seven boys were declared champions of the weight classes in wrestling last Wednesday evening at the high school. Round Robin closed up in the highest class with a final victory over Leroy Eshar. Bob Carey also played some of the clearest football in the entire program by winning from Fred Holmgren in the 120 pound division. Bob Ubrich took the first place in the 150 pound division. Ray DeBolt for Bob also took his weight in wrestling. Ray out-punched him and gave him plenty of trouble but Ubrich finally wore him out.

George Hanks also became a double winner when he won a hard fight with Ray Huthings. Mike Haley Foster Taylor provided the real fireworks of the evening when he put the K.O. sign on Warren Gibson in a fast and furious bout. Willie Altshagen outpunched Ted Kampert to win the 160 pound class. Bill Short also came through with a double victory by taking Frank Pore in the heavy weight class. Short packed a wicked left and he made it count several times but his defense could not keep Short from breaking through for plenty of work.

Five men's team was charged for admission and the place was packed. The money was to be used to purchase some small medals for the winners. The remarkable thing about the whole affair was that in every case throughout the meet the two contestants shook hands after the scrap and they all looked like they meant it. There was not the slightest display of sportsmanship visible. The boys showed that they "killed" as well as "give it" without a squawk.

Gorilla Good Fighter

The gorilla lives in dense African forests where no other large animal is common. The lion inhabits more open, drier country, while the leopard is inferior in size and strength to the gorilla. As a consequence, no battle between the gorilla and any large carnivorous animal is usually necessary. A full-grown male gorilla would be a match for any lion or other large wild animal.

Thank You

I wish to thank the voters of Barrington, Township for their support for my candidacy at the Election Tuesday. I will do all in my power to prove myself worthy of the office to which you have elected me.
