High School Nine Loses Two Games by Weak Hitting

Lake Zurich and Antioch Both Win From Barrington Team

In baseball the Barrington high school team has played some strong games but has not come through with a victory as yet. Several of the boys who are club admirers insist that good teams never get going so early in the season.

Thursday Lake Zurich nosed out the boys division by a score of 6 to 5 on the Lake Zurich diamond. Lawford led the batting for Barrington with four hits in this game as well as all the rest of them. Lack of practice weather has made the boys look tired and they are not hitting in great numbers.

Antioch defeated Barrington on Wednesday by a score of 4 to 0. Pralanker pitched in this game and allowed only five hits. Barrington boys showed up weak at the bat and collected only four safeties. Three errors again caused trouble.

Friday, May 19, Loyola comes to Barrington for a return game, and the Bronchos will be out to even things up.

The Chaco

The Chaco is a vast forest region situated on the right bank of the Paraguay river between Paraguay and Bolivia. Bolivia was unfortunately enough to lose her Pacific sea outlet as a result of her bad judgment in entering the war of the 80s between Peru and Chile. As a consequence the Chaco would be valuable to her since it would give her an Atlantic seaport on the Paraguay river. It is important to Paraguay for the same reason, although Paraguay already has such a seaport, being situated on the left bank of the river. It is because of its economical and commercial importance that the Chaco has become a bone of contention between the two republics. Its resources are practically unexplored and it has no population to speak of.

Stanzak Brothers Ball Team Put on a Wedding Ceremony

The Stanzak brothers, who have made themselves famous in northern Illinois with their one family baseball team, put on an almost one family wedding ceremony at Waukegan Tuesday.

Edward A. Stanzak of North Chicago was married. His brother, Joseph, a Lake county deputy clerk, issued the marriage license. Another brother, the Rev. Michael Stanzak of Milwaukee, performed the ceremony at the Holy Rosary church, and a third brother, Martin, Jr., was the best man. Six other brothers attended the wedding.

Northwest Conference Meet Held at Palatine Track Thursday

This is the busy season for the spring sports at the local high school. Thursday, May 18, the annual Northwest conference track and field meet was held at Palatine.

For the first time in years Arlington Heights has a chance to dislodge Libertyville from its position of track supremacy, but the affair will be close.

Barrington is not expected to score very heavily with her crew team. Ray Osborne should be good for a position in the last mile. He ran a splendid race in the Lake country meet when he lacked only a second of breaking the meet record, playing second.

In the district meet at Elgin however he did not do so well and finished sixth in a big field. Basco Rowland may get a second or third in the pole vault but a possible one or two points in a few other events will be all the Bronchos can "see" at present.

A dual meet with Palatine is scheduled for next week.

Arlington Heights and Libertyville Favored in Track

Various methods of producing a green coloring on copper or brass, apart from painting or lacquering, are given. To produce on a copper statue a patina-like deposit, brush it over with a very dilute solution of copper nitrate, to which a little common salt solution has been added. When entirely dry, it is brushed with a fluid composed of 100 parts weak vinegar, five parts ammonia and one part caustic acid; repeat after drying. The green-brown color forms in about a week.

Owen Berger Will Compete in State Meet at Champaign

Owen Berger, captain of the high school golf team, will travel to Champaign Friday where he will get crack at the state championship. The competition will be strong but Berger has a chance to come through if he plays his best golf.

In a team match with Deerfield Shields which Barrington beat Wednesday he didn't do so well for he shot an 87 but he hopes to do better at Champaign.

Berger won the state district meet held at Elmhurst on May 6 with an 86. He made the first nine holes in 42 and the last nine in 28. Coach Clark will accompany Berger to Champaign.
