

LAKE ZURICH REVIEW

Farm Bureau and Milk Association Will Hold Picnic

4-H Club and Home Bureau Will Participate in Lake Co. Picnic August 29

The joint committee of the Lake County Farm Bureau, Farm Milk Association, Lake County Home Bureau and 4-H club committee held a meeting Thursday evening and set Tuesday August 29 as the date for the joint annual picnic. The location for holding the picnic was not definitely decided but left to a committee.

The 4-H club roundup for both boys and girls will be staged at that time. The Farm Milk association will put on a 5-cent Milk Marketing contest, the 4-H club will be free to trip to the joint annual picnic. The location for holding the picnic was not definitely decided but left to a committee.

Assessors' Books From All But One Township Are in

Township assessors' books from all but one township have been turned in to the assessors to the office of County Treasurer Jay B. Morse, where they are prepared for the board of review which turned over to that body shortly after their arrival. Persons who have complaints to register against their assessments may appear before the board of review.

All of the Waukegan township books were not completed Wednesday of this week.

Assessor Russ Alford of Waukegan, has one of the Waukegan books before the treasurer but expects to be delayed to a certain extent on the personal property books for Waukegan due to the slow return of schedules as the part of taxpayers. Not all of the schedules, however, were sent out by the assessor as late as ten days ago.

Local and Personal

No Services at Church Sunday

The churches of the Arlington Heights district, of which St. Peter's church of Lake Zurich is a member, will observe their annual Evangelical Day on the Bensenville orphanage grounds Sunday, July 30. The morning service will be at 11. Joint choirs will sing and Rev. Arno Zimmerman of Peekin will give the main address. Games will be held in the afternoon. There will be no Sunday school or church services at Lake Zurich on that day.

A NEW FORD DEALER

BREWER MOTOR SALES 202 S. COOK STREET BARRINGTON, ILLINOIS Telephone 74

IN KEEPING WITH THE Ford Motor Company policy of providing the highest type of representation in each community, the BREWER MOTOR SALES has been selected to handle the sale and service of Ford cars and trucks.

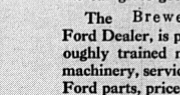

This new dealership, in addition to furnishing complete Ford service facilities, offers to the people of this locality a better opportunity to become acquainted with the outstanding features of the New Ford V-8. You will be welcome at any time to inspect these cars and to drive them yourself.

The Ford Motor Company policy is founded on the belief that a sale does not complete the transaction with the buyer, but establishes a new obligation to see that the car gives good, economical service.

The Brewer Motor Sales as an Authorized Ford Dealer, is pledged to carry out that policy. Thoroughly trained mechanics, using approved tools and machinery, service Ford cars and trucks. Only genuine Ford parts, priced low, are used. All labor is billed at a standard flat rate.

This new dealership is now open and ready to serve you. We are confident they will do it well.

FORD MOTOR COMPANY

A COOLING BREEZE

just where you want it!

"Fisher Controlled Ventilation"—here's a magic phrase that means more than you can believe till you've experienced it yourself. At a turn of a handle you adjust ventilation—get the breeze just where you want it, and in just the volume you want.

It is really controlled ventilation, you see—and you, yourself, control it, not the speed of the car or the direction of the breeze.

This one feature alone would make Pontiac an outstanding car compared with others at or near its price.

But Pontiac gives more. It is a Straight Eight, with a 77-horsepower engine that gives 78 real miles per hour.

It is a big car—115-inch wheelbase, and due to its balanced weight and design, it gives you safety, comfort, durability.

All this may lead you to think of Pontiac as a costly car. But its first cost is low and as for operating, ask any Pontiac owner, and you'll learn that it is giving 15 miles or more to the gallon.

Try a demonstration. And don't forget that it takes a Straight Eight to give Straight Eight performance. Be sure to try Fisher Controlled Ventilation. You'll be amazed and delighted. No car can be really modern without this comfort feature.
