Get Behind the Movement to Pep Up Buying— Advertising Will Coax Dollars Out of Hiding

No matter what you have to sell the best salesman you can obtain in the Barrington community is The Review.

A Super Salesman Is At Your Service

Neither does it have to proceed slowly from door to door; it enters many hundreds of homes in Barrington, Lake Zurich, Palatine, Cary, Wauconda and intervening territory...

It doesn't antagonize your prospects, or talk a sale to death. Its salary is known to you in advance; it doesn't charge you a commission, or turn in an expense account.

It isn't loafing when it should be attending to business. You can count on its getting there every Friday morning.

Best of all, you can hire it when you want it, and just as long as you want it, without any arguments or apologies.

Decide now to avail yourself of this super salesman of the community! Follow the lead of local merchants and national advertisers who recognize its value and employ its services, some of them regularly each week.

Let us help you plan your campaign and place its resources at your service!
