

## Gasoline Station Part of Business Building Activity

### Three Residences Figure in Changes; New Structure Contemplated

Two changes in the business district and one residential change were among the building activity items reported this week. The major project was the moving of a residence located at the northeast corner of Hough and Lake streets to make way for the erection of a modern gasoline service station.

Construction is expected to start within the next week or so on the station. The property is owned by Donald Schroeder and the plan will handle Texaco Oil Products. The building is to be a standard Texas station, white brick, and will have concrete approaches on both Lake and Hough streets. Estimated cost was not announced.

The residence which formerly stood there was moved this week to a lot adjoining on the east. It is expected that it will also be remodeled in the near future.

The other change in the business district concerned the moving of a residence by Lakeshule and Hager from its lumber yard property on Franklin street to a new location on Hough street, just north of the Franklin street intersection.

A building permit was issued this week by Herman Garguch, building commissioner, to Reuben Jahnholz to move a small dwelling from the Freye property at the corner of Cook and Lake streets to 107 W. Hillside avenue.

According to reports, Mr. Jahnholz plans to remodel the building and add a garage. Estimated cost was placed at \$1000.

## Capture Gunmen Said to Have Dumped Man in Cornfield Here

Floyd Hamilton and Huron Walters, two Texas gunmen who were wanted by federal agents and police officers in a half dozen states in connection with many crimes, in addition to the alleged kidnapping of a Chicago man whom they left in a cornfield near Barrington, July 30, were captured Sunday in Dallas, Texas.

Federal agents were of the opinion that Hamilton and Walters kidnapped John Keating, 6102 Dorchester avenue, Chicago, after driving around the city for several hours came to Barrington where they took 111 in Chicago man's clothing and then dumped him, trussed hand and foot, in a field. They escaped with his car.

## Driver Crashes Into Local Man's Machine

Village Trustee Rudolph Berg and his brother Charles Berg were injured when the car in which they were riding was struck by another machine at the intersection of Mannheim road and Grand avenue Friday evening. The local man, returning from work, were traveling north on Mannheim road when they were struck while the other car, driven by Peter Turky, 2034 Linden avenue, Chicago, was going east on Grand avenue.

Charles Berg was driving his brother's car at the time of the crash. R. Berg swore out a warrant for Turky following the accident, charging him with reckless driving and failure to stop for a traffic signal. The Chicago man was released under \$100 bond pending a hearing Monday evening.

Neither of the Barrington men nor the passengers in Turky's car were injured. Trustee Berg expressed his displeasure over first reports circulated in the village by uninformed persons to the effect that he was seriously injured and confined to a hospital, and also that his automobile was a complete wreck. Neither statement is correct.

## Power Lawn Mowers Sell Late in Summer Season

Power lawn mowers can be sold late in the summer as well as in May, Chris Heckmiller, proprietor of Heckmiller Service station, has learned. Last week Mr. Heckmiller advertised a 1-hp. power mower and an electric welder for sale in The Review want ad column. He moved both items as the result of the ad, and received inquiries on the mower after it had been sold.

## Northern District Scout Troops Hold Annual Camporee at Cary

A group of scouts and scouters from troops of the northern district, Barrington and Palatine, camped in the woods northeast of Cary Saturday and carried out their second annual district camporee, and in spite of adverse weather conditions Saturday afternoon, a good demonstration of good camping was given.

A court of honor was held at the camp Saturday evening and the following scouts received advancement; troop 9, Palatine—John Senne, athletics, scholarship and cooking merit badges; Klaus Timmerhaus, woodcrafting merit badge; Thomas Humphrey, swimming, rowing, athletic, friendship, music, first aid to animals and pioneering merit badges; Melvern Humphrey, pioneering, first aid, bugling, personal health, cooking and swimming merit badges. Troop 9 is sponsored by the American Legion post of Palatine and John Mann is scoutmaster.

Troop 10, sponsored by the Salem Evangelical church of Barrington, Roger Lowellyn, scoutmaster; Norman Maxon, first class. Troop 21, sponsored by the Barrington Lions club, Roy Willmer, scoutmaster; George Hager, canoeing, pioneering, athletic, first aid, and leathercraft merit badges; Gerald Kohout, pioneering, camping, safety, first aid, art, rustic, physical development and bird study merit badges; Robert Rust and Hugh Waterman, carpentry merit badges.

Troop 29, sponsored by St. Paul

Evangelical Brotherhood of Barrington, Ray Wichman, scoutmaster; Jack Grueling, cooking, pioneering, canoeing and athletic merit badges.

Star scout award was presented to Melvern Humphrey of troop 9 of Palatine. Life scout awards were presented to Thomas Humphrey and John Senne of troop 9 of Palatine and Jack Grueling of troop 29 of Barrington.

The campfires were conducted under the leadership of Scoutmaster Ray Wichman of troop 29, who also served as officer of the day Friday.

Roger Lowellyn, scoutmaster of troop 10, served as officer of the day Saturday. The program of activities was carried out under the leadership of John Mann, scoutmaster of troop 9 of Palatine. The camp site was selected and set up under the leadership of Assistant Scoutmaster Carl Billings of troop 21 of Barrington.

Plans for the camporee were developed under the guidance of Henry Lipofsky, district commissioner, and Orville Wente, field commissioner for camping and activities. The members of the court of honor who presented the awards Saturday evening were: John L. Bell, president of Northwest council; Hugh H. Calkins, vice president of the council and chairman of the northern district committee; M. S. Humphrey of Palatine, vice chairman of the northern district, and Donald E. Kyger, scout executive.

## Rural Schools to Open September 6; Announce Teachers

### G. C. Butler Lists Faculty Members for First Division

G. C. Butler, assistant county superintendent of schools, announced the following list of teachers for the 22 school districts in division one this week.

- Dist. No. 2—Spring Lake, Emma Walbaum.
- Dist. No. 5—Lageschulte—Addie Pilbert.
- Dist. No. 6—Barrington Center—Nabel Hill.
- Dist. No. 7—Bucklin—Dorothy Henry.
- Dist. No. 8—Waterman—Lillian Lipofsky.
- Dist. No. 9—Humphrey—Laura C. Whit.
- Dist. No. 10—Bruns—Maude Donlea.
- Dist. No. 11—Lakeside—Norma Donlea.
- Dist. No. 12—Deer Grove—Marjorie Wedell.
- Dist. No. 13—Wittenberg—Henrietta Kiehm.
- Dist. No. 14—Kitty Corner—Mary Casand.
- Dist. No. 16—Hillside—Eugenie N. Moorey.
- Dist. No. 17—Bradwell—Veronica A. Brodie.
- Dist. No. 18—Highland Grove—Mary E. Tagge.
- Dist. No. 19—Plum Grove—Blanche A. Raven.
- Dist. No. 41—Lindberg—Ann Fox.
- Dist. No. 42—Hilltop—Olga Rathman.
- Dist. No. 43—New Era—Wanda Walczyk.
- Dist. No. 44—Hoosier Grove—Virginia Smith.
- Dist. No. 45—Washington—Grace Timmerman.
- Dist. No. 46—Woodside—Katharine Ostfeld.
- Dist. No. 48—Spaulding—Ruth Reagenberg.
- Dist. No. 49—Bartlett—Emil G. Strackman.
- Dist. No. 51—Elyria Brandt—Ruth Barman.
- Dist. No. 50—Ontarioville—Mary Melady.
- Dist. No. 51—Sunderlage—Mae Healy.
- Dist. No. 54—Schaumburg Center—Mabel Fowler.
- Dist. No. 55—Hartman—Sylvia Graff.
- Dist. No. 56—Forest View—Marie L. Plate.
- Dist. No. 57—Mt. Prospect—Clarence Gallagher, prin.; Charles Linder, teacher.
- Dist. No. 58—Lamproch, Marie Lee Bloom.
- Dist. No. 59—Elk Grove—Myra Forkett, Grace Kolbe.
- Dist. No. 60—Box Elder—Julius Frostenfeld.
- Dist. No. 61—Bluestield—Lorene Ankole.

All of the schools will open on or about September 6, according to Mr. Butler who is in charge of division one.

## Dedication Speaker

## Interest Created in Cooking School Movie Coming Soon

"Star in My Kitchen," Home-Making Film, at Catlow Sept. 22, 23, 24

It's the talk of the town! Women throughout the community are planning to attend the dedication of the new home-making movie cooking school, scheduled to open at the Catlow theatre on September 22, 23 and 24.

A welcome invitation to the wise is sufficient, and the only invitation needed for this novel cooking school is that extended to every woman by The Review. There is no charge to see any of the showings of "Star in My Kitchen."

Because this newspaper stands ready to sponsor all progressive developments, particularly when they affect the homes of the community, it is presenting this motion picture movie of home-making entirely free.

"If I could only see exactly how she mixes and handles her pie crust."

That comment has been heard from beginners and from more experienced cooks at many cooking schools. Craning necks and anxious eyes, trained to the stage from the sides and back of the demonstration, are all too common.

## Pfingsten Families Hold First Reunion at Elk Grove Sunday

Pfingsten couples celebrated their first reunion in Elk Grove Inn's picnic grove Sunday afternoon. The gathering was of the grandchildren and their families of the late Henry J. Pfingsten and his wife Sophia, who immigrated to America about the year 1838.

Henry Pfingsten bought the farm in Schaumburg township now owned by Fred W. Pfingsten, in the year 1848 from Allen Parker, according to the warranty deed still in existence.

Sunday afternoon was spent in getting acquainted and in visiting. Some of the older folk played cards while the younger group played ball. There were 233 present according to the registration, coming from Lewisville, Minn.; Loganport, Ind.; and Schaumburg, Ill.; Wheeling, Burlington, Hampshire, Danville, River Forest, Elmhurst, Arlington Heights, Elgin, and Chicago. Of the thirty living cousins, only one, Mrs. Clara Johnson of Idaho, was unable to be present.

There are no children of Henry Pfingsten living any more but one

## Plan Cary and Fox River Grove Phones to Go on Dial System

Plans have been completed by the Illinois Bell Telephone company for replacing its central office switchboard in Cary and converting all telephones in Cary and Fox River Grove to dial operation.

The new equipment will be of the latest type developed by telephone engineers for communities of this size, it was learned. It is known as "community dial" equipment and when it is placed in service early in November of this year, all local and rural telephone numbers served from Cary will dial their numbers in much the same manner as subscribers dial in Aurora and Chicago.

New dial telephones will replace the present magneto type instruments and the familiar battery boxes associated with the present telephones will disappear, since electric current for operating the new system will be supplied by a single large battery in the central office. The present method of calling central by turning a crank will also be discontinued.

The new "community dial" system is a successful operation in a number of places throughout the country.

Under the new plan every telephone number will have four figures and all numbers in the Cary exchange, both local and rural, will be changed accordingly.

As the rural lines will also have four digit numbers they will be dialed in the same manner as local numbers. Ringing will be automatic and when a telephone is called its bell will continue to ring intermittently until the telephone is answered or the calling party hangs up.

Toll and long distance connections will be handled by the Barrington operators as at present. Business matters will be handled through the company's business office in Barrington, which subscribers may reach without charge from any telephone in Cary by dialing "business office." An arrangement will be made whereby bills may be paid locally in both Cary and Fox River Grove. Maintenance of the lines, repairs when needed, and installation of new telephones, will be handled in the same manner as at present.

The central office equipment will be installed in a new building being constructed in Cary at the rear of the southeast corner of 2nd and Main streets, by M. B. Weaver and Bertha E. Weaver.

## Local Republicans Will Hear Lyons at Arlington Heights

Barrington, Cuba and Elia republicans are planning to attend the Dick Lyons rally at Recreation Park in Arlington Heights Friday evening.

RICHARD J. LYONS

The Lake county man, republican candidate for senator from Illinois, will speak on "Jobs for Unemployed—Relief for Needy." Dick Lyons has been conducting a vigorous campaign traveling throughout the state this summer.

William H. Hines, county commissioner, will act as chairman. Candidates for county commissioners who will give short talks are Geo. A. Miller, William N. Erickson, Wallace Caldwell and George Nison.

Mr. Lyons will be the keynote speaker at the republican state convention at Peoria, August 11.

To Sponsor "Social" The Young People's club of St. Anne's church will sponsor an ice cream social on the church lawn, Friday evening, August 26.

## Make Last Minute Preparations for Schools' Openings

Announce Registration Dates;  
List Rural Teachers in  
Southern Area

Last minute preparations are being made to prepare for the influx of pupils with the opening of local and nearby schools on September 6.

The greatest activity is going on at the Barrington public schools building where WPA workers are rushing final stages of work in order that the new wing will be in readiness for the opening. New rooms on the second floor mainly and first and third floor will be put into use immediately, according to plans of E. S. Smith, superintendent of schools.

This listing makes the second major road improvement project to be undertaken by the state department in this vicinity. Last week work was opened for widening and relocating of route U S 124 road near Lake Zurich.

## Sleeping Sickness Among Local Horses Has Small Decrease

Spread of sleeping sickness among horses in this vicinity abated in a small degree during the past week with fewer cases being reported. The decrease was attributed in part to the fact that many animals have been vaccinated against the disease.

While the first cases in the vicinity were on farms south of here, the majority of new infections are in the northern district. The number of losses due to the disease has dropped materially, farmers now being alert to the danger and getting medical aid to horses as soon as they appear droopy or listless. Weather conditions were also said to have helped some in the abatement of fly and mosquito activity.

Incidents from western states are believed to have brought the sickness into Illinois, where it had not been prevalent heretofore.

## Soil Conservation Tour Will Include M. H. Karker Farm

A soil conservation tour will be held Tuesday, Aug. 30, at which time four farms in Lake county will be visited, featuring improvements, contour farming dams and reforestation.

The tour will start at 9:30 at the Anchorage farm located on route 22 and Harbor road in Cuba township and at 10:45 it will move to Levi Wall's west of Round Lake. The group will then go to A. C. Casey and Sons at Libertyville at 1 p. m., and at the E. E. Elsbery farm on Grand avenue, at 2 p. m.

## Polo League to Resume Play

Play in the regular schedule of the Suburban Polo league will be started after September 1 after a delay of several weeks due to vacation periods, and the Barrington polo team is then continuing its quest for the championship title. The local group is in a three-way tie for the lead. J. Bowen will be the only one of the Barrington team to see action this Sunday when he plays with the Edgebrook team against Park Ridge.

## Horner Dred Saturday

Horner Dred is general chairman of the county town and day which will be held August 27 at National Grove, Riverside, in honor of Governor Henry Horner. A program of sports has been arranged by Joseph Trimmer, chairman of the Illinois State Athletic Commission.

## State Department Calls for Bids on Higgins Road Work

Proposed Projects South of  
Here Include 11.78  
Miles of Paving

The state highway department last week published notice to bidders of 11.78 miles of pavement reconstruction work to be done on route 72 (Higgins road) from west of Dundee to route 63 (Robling road) south of Palatine.

The proposed improvement is set up in three projects and will consist of widening and relocation of the road in a number of places. Higgins road is one of the oldest paved roads in this area, having been built a number of years ago. It has been little used recently due to broken sections in the road, its narrowness and many sharp turns.

The state highway department has secured a new right-of-way in many places and some of the bad curves will be eliminated. Work is expected to start this fall.

Following is the bidders proposal as announced by the highway department:

- F. A. Project 611B, route 63, section 3-1, Cook county, district 10, 22.35, 4 mi. wide, 5.34 miles long; reconstruction on Higgins road, from W. of Cook county line SE to Barrington road 8, of Barrington. Bids will be received for portland cement concrete pavement. Kendrick Harter, 35 E. Wacker drive, Chicago, is engineer of district 10.
- F. A. Project 611C, route 63, section 3-2, Cook county, district 10, 22.35, 4 mi. wide, 5.34 miles long; reconstruction on Higgins road from Barrington road SE to Roselle road.
- F. A. Project 611D, route 63, section 3-3, Cook county, district 10, 22.35, 4 mi. wide, 5.34 miles long; reconstruction on Higgins road from Roselle road SE to E. of route 63. Bids will be received for portland cement concrete pavement.

This listing makes the second major road improvement project to be undertaken by the state department in this vicinity. Last week work was opened for widening and relocating of route U S 124 road near Lake Zurich.

## Sleeping Sickness Among Local Horses Has Small Decrease

Spread of sleeping sickness among horses in this vicinity abated in a small degree during the past week with fewer cases being reported. The decrease was attributed in part to the fact that many animals have been vaccinated against the disease.
