## Home Construction Sustains Suburban Building in May

Due almost exclusively to home building, construction in May in the Chicago suburban region remained at the general level established in March and April, the permits issued in May amounting to \$3,087,876; April, \$2,235,828 and March, \$2,028,093.

A falling off in May is typical of the month. This is merely seasonal—it is the falling off from last year that matters, when May had a volume of permits amounting to \$3,892,954. The decline is 44 per cent. Some satisfaction may be found in the fact that this is not so great as the decline in April, which as compared with last year was 60 per cent, April having failed to show even the seasonal percentage of increase over March.

In May of 1937 a large volume of industrial construction was reported, the chief item being a \$500,000 addition to the plant of the plant Electro-Motive Corporation at McCook.

The number of new homes reported in May was 199 to cost an estimated \$1,400,923. This compares favorably with the 203 homes on which construction was begun in April, to cost \$1,349,926.

## FOODS, FACTS, & FOIBLES

ACCORDING TO AN OLD SPANISH TRADITION, IT TAKES FOUR PEOPLE TO MAKE A GOOD SALAD DRESSING: A SPENDTHRIFT FOR OIL; A MISER FOR VINEGAR; A COUNSELOR FOR SALT AND A MADMAN TO STIR. THE EXCELLENT FLAVOR AND FINE TEXTURE OF MODERN SALAD DRESSINGS WHICH ARE AVAILABLE AT EVERY GROCER'S ARE THE RESULT OF A COMBINATION OF ANCIENT SALAD MAKING RECIPES AND MODERN SCIENTIFIC METHODS.

IN THE MIDDLE AGES, GLASSES WERE COMMONLY PLACED ON A SIDE BOARD RATHER THAN ON THE DINNERS TABLE. A SERVANT HANDED EACH GUEST HIS GLASS WHEN HE WANTED TO DRINK.

THE ANCIENT NORMANS INTRODUCED THE USE OF ICES (SHERBETS) INTO FRENCH COOKING.

## Accepts Challenge to Throw Bull at County Stock Show

Word has just been received from Jack Nesbit, one of the editors of Hoards Dairyman of Ft. Atkinson, Wis., that he will accept Charles Wray's challenge and throw the bull at the Lake county Black and White show which will be held at Ray Bros., Diamond Lake on Wednesday, June 22.

Jack Nesbit is around 5 ft. 3 in. tall and not only agrees to throw the bulls, but will manure the toe nails and it is asked that officials have a vicious bull. Henry Wegen-

er of Ingleside has a bull of this nature and has agreed to have him at the Black and White show.

A. J. Stahl, chairman of the cattle committee, reports that there will be a large number of cattle at the show.

N. J. Coltrin, in charge of the prizes, reports that he will have ample prizes for eight classes of cows and heifers and six classes of bulls together with two classes produce of dams and get-of-airs. There will be classes for all and also a junior contest.
