## Receives Head Cut in Auto Accident

Chester Kennedy, who lives in Biltmore Estates, received a deep laceration above his right ear Wednesday evening when the car he was driving collided with a machine owned and operated by R. J. Penny, 1814 Colfax avenue, Evanston, at the intersection of Barrington and Dundee roads.

Kennedy, who was traveling south on Barrington road, was hurled against the right door when Penny's machine, traveling east on Dundee road, struck him broadside. The young man was brought to Barrington for treatment. Both cars received heavy damages.

## Select Committee to Plan Open House at School in November

A. D. Church, president of the board of education of school district No. 4; Arnet C. Lines, secretary of the board, and E. S. Smith, superintendent of the public schools, will act as a committee to arrange an open house at the public school in November. The committee was appointed at a meeting of the board Monday.

The open house, it was reported, will be held for the purpose of inviting the public to inspect the new south wing completed during the past summer and also a number of changes made in the older wings.

At present the south wing is being used to near-capacity. All class rooms are occupied on the second floor, there is only one room not steadily used for a classroom on the first floor, and there are two rooms unoccupied on the third floor.

## Build Your Kitchen Around a Modern ELECTRIC or GAS RANGE

EVERY HOMEMAKER DREAMS OF

Having a modern kitchen and rightfully deserves one. So why not begin to realize that dream right now, and plan to build your kitchen around a modern range equipped with automatic heat control. Include too, an instant water heater in your kitchen scheme to give you an abundance of hot water any time you turn the faucet.

We will be glad to explain the many economies of an automatic heat control stove or you may come to us for a demonstration which will put you under no obligation.
