### Receives Legal Opinion on Course of Filling Cuba Supervisor Post

A legal opinion on the proper course for the Cuba town board to take in filling the vacancy created by the resignation last week of H. D. Kelsey as supervisor was obtained this week by Andrew F. Grom, town clerk. Mr. Grom had written Charles E. Mason, state attorney of Lake county, requesting the information on the manner in which the vacancy is to be filled.

Following is Mr. Mason's reply to Mr. Grom:

"Andrew F. Grom, Clerk, Town of Cuba, Barrington, Illinois.

"I have your inquiry with regard to the matter in which a vacancy is filled by resignation of a supervisor of your town.

"In reply I refer you to Section 96, Paragraph 1 of Chapter 139 of the Revised Statutes of Illinois, Smith-Hurd 1927, which provides in substance that in the event of failure to elect sufficient officers or when a vacancy occurs by death, resignation, removal from town or other cause, it shall be the duty of the Town Board of Appointment to appoint and fill the vacancy all as

set out in Sections 96, 97 and 98 of Chapter 139.

"The Board of Appointment consists of the Supervisors, the Town Clerk and the Justices of the Peace of the town. Section 97 of Chapter 139, provides that in the event of a vacancy in any one of these members of the Board of Appointment, the remaining members of the Board of Appointment will fill the vacancy except in the offices of the Justices of the Peace and Constables which must be filled by special election, in the event that there is more than one year to serve. If however, in the case of Justices or Constables there is less than a year to serve the vacancy is filled by the County Board of Supervisors. Any other action by the Town Board in filling this vacancy as enumerated in the Statute, and the officer appointed in any other manner or elected would be without any authority to act.

"Hoping this answers your inquiry and if at any time you need any other information this office is at your service.

Very truly yours,  
(Signed) Charles E. Mason,  
State Attorney"

### Broncho Football Team Gets Trimmed in Game —Then Trimmed Again

An interesting sidelight of last Saturday's grid game between the Barrington high school Bronchos and Warren township high school Blue Devils concerned a fight between members of the local heavyweight squad and P. E. Clark, athletic director and football coach.

It was agreed that if Barrington won the game, Mr. Clark was to get a "Harvard" haircut, that is to have it cut off very short. However, the Bronchos lost the game 7 to 0 and now the team members are beginning to appear with their locks short.

An amusing incident to know the result was to last for the duration of the football season. For it did, he pointed out, the locals might soon get the title of the "hairless" as well as the "underdogs." Another contended the wager was a mistake in strategy, pointing out the historical case of Sampson vs. Delilah, the story of which is familiar to everyone.

When the vehicle was stopped, both bandits climbed out of the drawn guns and ordered Wadsworth to get out of his truck. They took his money bag which contained approximately \$307 in currency and about \$50 in change, he stated.

After the robbery the bandits sped east on Northwest highway. Wadsworth stopped State Highway Patrolman Arthur Heister of Elgin district shortly afterward and reported the robbery. He said the bandits were about 30 years old, about 5 feet 8 inches tall and were well dressed.
