Barrington Faced By Big Hidden Tax Load, Survey Shows

Barrington's tax burden, based on the Illinois per capita load of \$118.80, is \$381,704.40, accord-ing to a survey made public by the National Consumers Tax commis-

hag to a survey made public by the Mational Consumers Tax commission.

"The residents of Barrington pay most of this heavy tax cost without resiling how they are doing it." a report of the survey seems to the following the survey seems to the following the survey seems to the following the survey seems to the survey survey to combat taxes that "increase the cost of living." pointed out that taxes in Illinois "now have risen to a point where they are equal to 29 per cent of all salvers and the survey of the survey

life."

The report said units of the commission are being formed in cities and towns throughout the country, and that aroused housewives already had formed nearly a score of active groups in Illinois.
